Searching 4 Faith:

Searching for Faith W. Ross Winterowd, 2004-08-20 Searching for Faith A Skeptic's Journey is intended for the general reader It is not a scholarly book however it is the result of a decades long interest in how readers read and how texts convey their meaning leavened by a very personal commitment to the quest for faith It explores timely questions that must concern anyone who thinks about faith particularly insofar as faith is based on the Bible *Finding Faith---A Search for What Makes Sense* Brian D. McLaren, 2009-07-13 Does having faith mean abandoning reason It's easy to get that impression Still it seems reasonable that a supremely intelligent God would want you to use your God given intellect on your spiritual journey as much as in any other aspect of your life Faith may not stand on rational thinking alone but a solid faith should walk hand in hand with intellectual integrity Does it really matter what I believe What is the relationship between faith and knowledge Why are there so many religions Do all paths lead to the same God This book helps you sort through the questions objections and concerns you can't help but raise A Search for What Makes Sense will help you think your way clearly and honestly to answers that satisfy because they're your answers conclusions you've arrived at personally without manipulation coercion or game playing For faith to exist and grow it's got to make sense good sense carefully thought out sense And chances are it does FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don't try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul **Finding Faith---A Search for What Is Real** Brian D. McLaren, 2009-07-13 There have been times when you've felt that if there isn't a God there ought to be Swept up in the mystery of the night sky you've felt the closeness of its designer Nature's extravagant diversity unfolding in living color has made you long to know the artist who dreamed it all up Imagine what that might be like to actually know God in a way that fills your heart and whispers tremendous value and purpose to something deep within you But how can you experience a being you're not even sure exists Religious jargon and games can't satisfy such a longing It's got to be real or nothing at all A Search for What Is Real helps you sort through the questions objections and concerns that arise when you consider God not as some theological abstraction but as someone you can actually connect with and want to connect with perhaps more than you know FINDING FAITH The Finding Faith books A Search for What Makes Sense and A Search for What Is Real don't try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul *Andrew Fuller and the Search for a Faith Worthy of All Acceptation* David Mark Rathel, 2024-08-22 The eighteenth century English minister Andrew Fuller lived a consequential life debating noteworthy contemporaries such as Thomas Paine and contributing to the pioneering international work of William Carey However his soteriology remains his most significant theological contribution Fuller explored the role that human agency

plays in salvation's reception and he offered substantive theological proposals that many religious historians now credit with advancing the Evangelical Revival. Fuller's work was both traditional and creative. He sought faithfulness to the broader Protestant tradition but developed that tradition in unique and contextually relevant ways. Despite Fuller's influence, much research into his life and work remains. *Andrew Fuller and the Search for a Faith Worthy of All Acceptation* examines heretofore underutilized primary sources related to Fuller's theological development. It attends to neglected texts produced by Fuller's opponents and mentors. Analysing these sources provides a fresh reading of Fuller's historical setting, one that contextualizes his theology and illuminates his constructive work on faith as a human response to the Gospel. This new interpretation allows scholars to discern more accurately the concepts that animated Fuller, the persons he sought to refute, and the sources on which he relied. This interpretation of Fuller challenges assumptions in contemporary scholarship and raises new questions for further research.

FAITH-DRIVEN JOB SEARCH Jonathan Donahue, 2024-02-06
Jeremiah 29:11
For I know the plans I have for you, declares the LORD, plans to prosper you and not to harm you; plans to give you hope and a future. A friend of mine gave me this quote along with other bible verses to encourage me after an unexpected job loss. At the time I thought I was a person of faith. Little did I know that it was a key moment that contributed to a 7-year journey that resulted in a renaissance of my faith, a second baptism, and a lifestyle that has been more fulfilling than I could ever imagine. My career had taken hold of me to the point that it was more important to me than all of the wonderful things in life that were around me, but I did not see. My value, my self-worth, my confidence was determined by my success and accomplishment almost in entirety. On May 29, 2015, that changed. I was a successful driven executive who was told my employer no longer needed my services. It was one of those seminal moments in life when you either step up and move forward or step back and become a victim. In my journey to move ahead, I encountered several people who put me on the path to lasting success by encouraging me to take a hard look at myself and my career choices through the lens of faith. I am telling my story to share what I learned, the mistakes I made, and the ultimate success I achieved after a series of adverse events in my professional career forced me to take a hard look at my life and my career. In these pages, I offer concrete advice on how to network, what your resume should include, and how to position yourself to leverage resources long before you need to. We'll take a look at what a complete LinkedIn profile looks like, what a professional resume should include, the kind of research you should be doing before you agree to interview with a company, and more. I'll also explore a 90-day action plan for what you should be doing after you secure a new position. Whether it's effectively communicating with your boss, engaging your new team, or prioritizing company needs, these are the pieces that you'll need to put together to ensure that the job you just got is one that you're prepared to excel in. Perhaps most importantly, I also share my personal journey toward becoming the best Husband, Father, Friend, Neighbor, Community, and Business Leader I can be with God's help. While my story is told from the perspective of a white Christian male, it is told based on universal elements that apply to people of any race, gender, or faith. From meeting

with like minded professionals to being open to what your faith is guiding you to do to filling your spare time with recommended books on growing as a leader who is grounded in faith there are networks of support available that extend far beyond the professional world I explain how I tapped into them on my own journey and offer suggestions on how you might begin to reach out to find them in your own life As I explain in my book I ask God to help me find the right opportunity that can permit me to make the most contribution and build success for customers suppliers employees investors and security for my family Then I get to work for God helps those who help themselves Whether you are just beginning your career looking to correct your course or embarking on a completely new chapter this book and your faith can guide you to greater heights

In Search of Faith Howard W. Roberts, 2010-01-01 Explore several of the stories of biblical characters who were seekers The search by some of these people became watersheds for later seekers For example Abraham s search resulted in a clear understanding of radical monotheism Ruth s seeking and searching challenged the notion that God s love and acceptance were tied to racial purity Allow yourself to be a seeker as you read May part of your seeking be to consider where your story and each of these stories intersect and may those intersections be places where you seek God and discover that already God is seeking you from the Preface In Search of Faith is an exploration of biblical characters who struggled to define their faith Roberts help readers to identify with biblical characters to discover kinship with seekers of another era and to read about themselves in the stories Some of the biblical characters discussed include Ruth Jacob Peter and Hosea The stories of these biblical characters can be used in a sermon series or a course of study for a small group In Search of Faith can be a guiding force in the daily lives of seekers by addressing the quest for personal meaning and the desire to belong in community

Finding Faith Today Bryan P. Stone,2018-10-31 How do persons come to faith in our time Are they active seekers or brought in by others Is it a journey Or is it a more sudden conversion Are spouses relatives and friends most important to the process Do clergy matter What sorts of values practices and lifestyles tend to change for those who newly come to faith What are the differences among the various religious traditions in how one comes to faith This book presents the findings of a multi year study on how people come to faith in the US context It involves about 1 800 persons who recently

made a new profession of faith or some other public commitment across various religious traditions in the US An initial study was conducted twenty five years ago on Christian populations in England by Bishop John Finney but surprisingly little research has been done since then Finding Faith Today is an expansion and follow up of that study The book sheds new light on how people come to faith and what sort of spiritual practical and social changes accompany that The book will be a help to those seeking to open up their communities of faith to others with hospitality and integrity Finding Your Faith Donald Davis,2021-11-02 Donald Davis was inspired to write this book after his wife who spent her life leading others to the Lord died of cancer He explains how faith has gotten him through tough times and outlines a process for new believers to walk with the Lord He notes that when you give your life to Christ it is not just for a moment it is for eternity As you read you ll consider questions such as Where are you going after you leave this world Why should you give back if you ve been blessed with good fortune Who should you look to for guidance as you begin your walk with Christ How do you go about studying the Bible When you turn away from sin and accept Jesus it is for eternity Life without Jesus is no life at all so you must constantly study the Bible worship Him give Him praise and bring lost souls to the Lord Enjoy God s guidance in every area of your life and help friends and family find eternal salvation with the wisdom in Finding Your Faith **Finally Finding Faith** Tammy Falkner,2014-08-05 You ll find Faith in the clock shop Peter Reed says Faith I don t believe in faith or God or predestination or any of that bullshit anymore I believe in what I can see Daniel has a list of things he wants to do before the clock strikes twelve on December 31st 1 Get a tattoo 2 Ride a horse drawn carriage in the snow 3 See a Broadway play 4 Buy hot chestnuts from a street vendor 5 Eat a one pound burger at Rocko s 6 Drink hot chocolate on a bench in the park 7 Fix my watch Daniel s watch stopped working when he lost all his men his leg and his hope in Afghanistan A chance encounter at Reed s Tattoo Parlor leads him to Faith a redhead with the prettiest green eyes he s ever seen Daniel intends to meet his deadline before the clock strikes midnight and Faith sets out to help him But she is goodness and light and he s not ready to let her warmth shine on him Faith takes care of her aging grandmother and knows how precious life is But can she help Daniel realize it before it s too late She has less than twenty four hours Tick tock Tick tock *Anselm of Canterbury and the Search for God* John T. Slotemaker,2018-03-20 This volume provides a broad interpretation of Anselm s theological method through a study of his Monologion The Monologion has been chosen specifically because of its rich and nuanced account of the search for the one God Through a careful analysis of this text what becomes evident is that Anselm s theological project is much broader than a single argument or a simple account of how divine justice and honor are appeased What one encounters is a theology informed by the notion of the human desire for God and the honest search to come to know God in an intimate way The Monologion therefore will present an entry point into Anselm s theological project The second half of the volume will examine the reception history of Anselm s two most famous philosophical and theological contributions i e the ontological argument and the satisfaction theory Anselm is often misunderstood because his approach to theology is reduced

to the one argument or a carefully construed calculus of human redemption such readings of Anselm abound and often obscure the Benedictine context within which his thought developed and so a careful reading of Anselm's texts and the history of reception and interpretation will offer a counter narrative to the standard perception of one of the greatest thinkers of Christian history

The Paradox of Holiness; Faith in Search of Obedience Donald G. Bloesch, 2022-05-03 Within these pages are the last two previously unpublished works from notable American evangelical theologian Donald G. Bloesch. In his spiritual autobiography *Faith in Search of Obedience*, Bloesch describes the foundation upon which his own theology is based, namely a faith in search of obedience. This honest and challenging work reveals and reminds how we are justified by faith alone but that faith drives us to obey and delight in God's law as we strive to perfect love through the Gospel of Jesus Christ. *The Paradox of Holiness* presents the theology of spiritual life as it is shaped and defined by the Word of God. Through this theological exposition, Bloesch presents and explores the paradox that exists in the pursuit of holiness for those who believe. For the theologian, pastor, or lay person who is seeking to combine Word and Spirit, doctrine and life into an active theology, this two-in-one volume by Donald Bloesch provides an honest and sober account of the challenges that may arise throughout the Christian pilgrimage while pointing toward the hope, encouragement, and new life that comes through the triumph of Christ on the cross.

Biblical Religion and the Search for Ultimate Reality Paul Tillich, 2010-06-22 Dr. Tillich shows here that in spite of the contrast between philosophical and biblical language, it is neither necessary nor possible to separate them from each other. On the contrary, all the symbols used in biblical religion drive inescapably toward the philosophical quest for being. An important statement of a great theologian's position, this book presents an eloquent plea for the essential function of philosophy in religious thought.

Good Faith in International Commercial Arbitration Sabrina Pearson-Wenger, 2024-07-15 From the perspective of users of international commercial arbitration, the uncertainties surrounding the application of good faith by an arbitral tribunal create an unwelcome unpredictability. Acknowledging this prevalent situation, this book is the first to study in depth the available international arbitral awards that have applied good faith, thus providing detailed guidance on how this notion is and can be applied by tribunals in international commercial arbitration. Moreover, the author proposes a set of deeply informed guidelines for the future application of good faith by arbitral tribunals to both the parties' contract and the arbitration agreement. This book provides a comprehensive description of the role and scope of good faith under governing laws in key jurisdictions: England, New York, Switzerland, France, Germany, China, Singapore, Hong Kong, Australia, and Canada, as well as under the CISG, the UNIDROIT Principles, and other uniform law and soft law instruments. The book greatly clarifies the source and role of good faith with respect to the following issues surrounding the arbitration agreement: formal validity of the arbitration agreement; incorporation of the arbitration agreement by reference; interpretation of the arbitration agreement; capacity and power of the parties to arbitrate; extension of an arbitration agreement to a non-signatory party; pre-arbitration requirements to negotiate or mediate; and performance

of the arbitration agreement Proposed guidelines for the application of good faith to each of these issues are included along with useful figures summarizing the content of the obligations to negotiate or mediate in good faith prior to resorting to arbitration as well as the obligation to arbitrate in good faith By analysing the role and scope of good faith under different national and non national laws this book will prove of inestimable value not only by providing invaluable insight into the recourse to good faith by arbitral tribunals but also by providing guidance on how good faith should be applied to the parties contract in international commercial arbitration Arbitrators as well as users of arbitration will welcome the clarity on how good faith is applied to the various issues surrounding the arbitration agreement and in particular to the pre arbitration requirements to negotiate or mediate as well as the performance of the arbitration agreement
