Lea (left)

Sydney Lea, editor of *New England Review*, received in 1979 a Bread Loaf Fellowship in Poetry. He has taught English and creative writing at Dartmouth, Yale, and Middlebury.

Sydney Lea's poetry resonates with images and themes drawn from nature, from the revelations of memory, and from an abiding affection for friends and relations. Notable for its hardheaded responses to the natural world of New England, and for its careful attention to the formal properties of verse, these poems form an encompassing elegy whose principal theme is the possibility of regeneration.

"The poems of Sydney Lea create, even in their apparent unambitiousness, a coherent and heart-touching world. Mr. Lea converts factuality into a poetry of depth (an attempt that has become a fashion but that usually fails), small observations into something as deep as ritual. He is a poet who knows where to find the poetry that suits his nature—and a poetry of which we would not be happily deprived. He has the subtlety of mind, emotion, and ear to achieve this in a genre in which many fail."—Robert Penn Warren

"Frost has said that what finally saves poetry from prose is the speaking tone of voice somehow entangled in the words. In his first full volume, Sydney Lea's strong narrative voice is so entangled in his language that what we nominally call naturalism—raw-barked and rough—takes on new value; Lea's poems live at the level at which lyricism is crowded with the daily lives of those who will not or cannot speak for themselves—the doomed, the disenfranchised, the local dead. That is why, in his most vocal, his love ethic is indistinguishable from his elegy. He embraces what he cannot change."—Stanley Plumly

was recognized as one of the most important innovators in American poetry he commissioned a printer to publish 100 copies of *Poems* 1909 a small collection largely imitating the styles of the Romantics and the Victorians This volume collects the self published edition of *Poems* Williams's foray into the world of letters with previously unpublished notes he made after spending nearly a year in Europe rethinking poetry and how to write it As *Poems* shows his first tentative steps into poetry the notes show him as he prepares to make a giant transformation in his art Shortly after *Poems* appeared Williams went through a series of experiences that changed his life a trip to Europe a marriage to the sister of the woman he genuinely loved and the establishment of his medical practice In Europe he was introduced to a consideration of an unlikely trio Heinrich Heine Martin Luther and Richard Wagner resulting in an exposure that subsequently influenced his developing style Williams looked back on *Poems* as apprentice work calling them bad Keats nothing else oh well bad Whitman too But I sure loved them There is not one thing of the slightest value in the whole thin booklet except the intent and never republished the collection Now that Williams's work is widely read and appreciated his reputation secure his development as a poet is a matter worth serious study *Poems* can be seen as a point of departure a clear record of where Williams began before his life and ideas about poetry made seismic shifts Virginia M Wright Peterson's succinct introduction puts *Poems* in the context of his life and times discusses the reception of the volume his reconsideration of the poems and what they reveal about his poetic ambitions

A Map of the Night David Wagoner, 2010-10-01 David Wagoner's wide ranging poetry buzzes and swells with life Woods streams and fields fascinate him he happily admits his devotion to Thoreau but so do people and their habits dear friends and family the odd poet and strangers who become even stranger when looked at closely In this new collection Wagoner catches the mixed feelings of a long drive the sensations of walking against a current the difficulty of writing poetry with noisily amorous neighbors and many more uniquely familiar experiences

Expectation Days Sandra McPherson, 2023-12-11 From movie making to medical misadventures meditations on widowhood to feminist protestations *Expectation Days* is a dazzling portrayal of instances in Sandra McPherson's life Her autobiographical collection uses peculiar and exact language to reflect on a wide range of activities that include grouse hunting going through airport security after 9 11 and climbing a coastal cliff From being an unintended child to ceremonializing a lifetime served McPherson speaks in both clear and distressing voices from the state of speechless fear that is bereavement Will the little figures ever reach the monument A doctor orders me to be on watch Will the mist pass over their cheeks and clear the strollers eyes If so I'll see it I'm on watch I train my eyes on paintings to see if there is any change from On Suicide Watch
