**In Search of Mary** Sally

Cunneen, 2010-12-15 Mary relic of the religious past or beacon of the future Mary is more alive today than she was in the early Christian church surfacing in art and worship in almost every culture on earth Her appeal bridges the gap between the devotional and the secular the uneducated and the sophisticated But who is Mary and what exactly does she symbolize How did a humble Jewish girl become the most honored woman in human history Why is there so little about Mary in the Bible and so much about her in the art and history of Christianity East and West And why in an age dominated by science and technology does devotion to Mary persist In *Search of Mary* is Sally Cunneen's provocative response to these questions As Cunneen eloquently points out in order to see Mary whole it is important to look at all the different visions and versions of her revisiting history through the eyes of a present day searcher Including the latest findings by historians anthropologists and psychologists as well as art historians and religious scholars In *Search of Mary* reveals what we know about the life of Mary follows the history and development of her image over the last two thousand years and explores the different ways that Mary has transformed the lives of people today As we struggle for greater unity in a divided world In *Search of Mary* shows us a woman who can touch all people regardless of their backgrounds She is a profound reminder of the presence of the holy in ordinary life

**Mary**

**Magdalene, the Thirteenth Disciple** Dr. Pat Kubis, 2011-03-03 THIS IS A LOVE STORY the tale of a woman who dream of love and power and found more than she dreamed It is a historical romance with mystical tones In Magdala 17 A D the young Jewish woman Mary is entranced by a golden lover on a white horse the Roman Centurion Quintus Gallus Sensuous with powerful emotions born with second sight clairvoyance she sees fragments of her future life Seduced by Quintus she is later

captured by Arabs and escapes to Caesarea only to be thrown into a life of prostitution. She becomes a courtesan in Caesarea and for a time the mistress of Pontius Pilate. But her painful love for Quintus leads to hashish and finally insanity; she is possessed by a devil, a dark voice in her mind. Mad on the streets and tormented by the devil, she faces stoning but is rescued by a strange Galilean who has marvelous powers of healing: Jesus of Nazareth. It is Jesus who reveals the real mysteries of Love to Mary and what teaches her to walk the rainbow to spiritual individuation. Pontius Pilate, the centurion Quintus Gallus, a disciple named Judas the Devil himself, and the Nazarene prophet Jesus are the alchemical agents that transform a prostitute into a saint, the legendary woman of the Bible who anointed the Master's feet and dried them with her hair. This is a novel of people, adventure, and passion. It is written for every woman who loved and lost but did not understand the significance of what happened. This book is also a Jungian alchemical parable of transmutation, and it has much meaning for those interested in mystical Christianity, yoga, holistic health, ESP, and mythology of the Joseph Campbellian variety. Mary is a Biblical hero, but she is also the eternally questing hero of the mythic round, and if Jesus is the Biblical Christ, He is also that Magus figure who leads men to a higher state of consciousness. This is the story of a woman of passion who achieved the gate of heaven. For every true lover and especially RK

**Philip in Search of a Wife** Epes Sargent, 1843 The Search Harvey Meredith, 2016-07-06. This story is an insight into the views and understandings of someone raised in a strict Catholic family, forced to learn a religion at the earliest age. This study was undertaken after a near lifetime of reflection upon the beliefs and the basis of his religious teachings. This exercise in researching the teachings of the Catholic Church and Christian religion in general exposes the triangle of fear, guilt, and doubt about the religion driven from Rome that has cemented his personal beliefs. Living through the jungle of regimented hypocrisy, lemming-like beliefs, and teaching tactics has provided the incentive to personally investigate the subject of Christian religion and to learn as much as possible about the subject that has survived nearly two thousand years.

**Mariology at the Beginning of the Third Millennium** Kevin Wagner, M. Isabell Naumann, Peter John McGregor, Paul Morrissey, 2017-04-24. Since the Second Vatican Council, the place of Mary in theology and generally in the life of the Church has been at times muted. This is perhaps understandable given the debates concerning Mary's place in the documents of Vatican II. In an ecumenical age, it was argued the church needed a less triumphalist Mariology and piety with a greater focus on Mary as model disciple. In certain respects, this has led to a dichotomy between the continued Marian piety of many faithful and truth be told, the piety of the post-conciliar popes and a theological timidity concerning Mary. This collection of chapters seeks to address the current situation of Mariology. Taken as a whole, these chapters represent a welcome call for renewal and reawakening in Mariology. The collection is also delightfully eclectic, both in terms of topics covered and in terms of the denominational and academic backgrounds of the authors.

*In Search of the One True Christ* Vernon Sparks, 2015-08-06 This book is about the human nature of Christ Specifically about the moral or spiritual inheritance through His mother Mary whether He took man s nature like that of Adam before the Fall prelapsarian or like after the Fall postlapsarian These two seemingly mutually exclusive versions of Christ have been a very controversial subject in Adventism for some sixty plus years May 2015 Many have grown weary of the subject and some have concluded that it doesn t really matter It is the purpose of this present book to develop more fully the concept of our new birth experience as a springboard to provide a framework of Christ s nature that embraces all of the Scripture and Spirit of Prophecy statements on His humanity the one true Christ It will be found that both positions pre Fall and post Fall contain essential components to the complete picture Spiritual truth is arrived at by harmonizing all of the inspired statements on a given subject Through that method we have arrived at our commonly held beliefs Saturday sacredness state of the dead second coming of Christ etc This can also be true regarding Christ s humanity regarding the true Christ Knowing the complete attributes of the true Christ will add strength and credibility to the true gospel We can then lay down our disputes among us and unite in promoting the one Lord one faith and one baptism so essential to the finishing of the Lord s work in our hearts and on the earth Preface Why another book about the human nature of Christ Haven t we covered every aspect of His nature that is necessary for us to know Well perhaps not This book endeavors to tie together some loose threads that have not really been solved yet First this subject is never just about the nature of Christ The issue is much larger It is about the whole plan of salvation the gospel righteousness by faith and the great controversy between Christ and Satan Differing views about Christ s human nature radically change our conclusions about how God is solving the problem of sin and rebellion in the universe hy another book about the human nature of Christ Haven t we covered every aspect of His nature that is necessary for us to know Well perhaps not This book endeavors to tie together some loose threads that have not really been solved yet Second this book addresses the underlying issue in the ongoing debate the nature of man When Adam and Eve sinned everything changed Suffering and death began man s nature changed so that rebellion was as natural as breathing condemnation and annihilation were man s only future and earth was cut off from heaven Except for one thing Christ stepped into the picture And everything changed again Mankind received a second chance annihilation was not inevitable and most importantly God placed enmity toward Satan in man s nature Man would not be a helpless slave of Satan but would have an innate desire to resist him Third this book pulls together statements by Ellen White that seem to support opposite conclusions and shows how they fit together perfectly if loose ends are properly tied off Inspired statements have a
