Searching Hearts:

Searching the Scriptures Charles R. Swindoll, 2016-09-13 2017 ECPA Christian Book Award Finalist Christian Living category Are you getting the spiritual nourishment you need Optimal health requires optimal nutrition The same is true spiritually speaking Without sufficient and regular biblical nutrition our inner lives begin to suffer the consequences We become shallow and selfish more demanding and less gentle and quick to react impatiently rashly and angrily These are telltale signs of inner malnutrition In Searching the Scriptures respected Bible teacher Chuck Swindoll shows us how to dig deep into Scripture and uncover its profound truths for our lives He outlines the principles of Bible study that will help you understand God's Word apply it and communicate it clearly to those around you Too many people try to go it alone without a guide for this life and the next Chuck explains how we can fix our own spiritual meals then invites us to feast on nourishing truths we can discover in God's Word

That Simple! Terry Stratton, 2019-02-01 As the accounts above illustrate there is no single way that God helps the important thing is that God is there to help always Even in my specific experiences when I did not make the specific request he provided an answer I learned to listen for God Of these examples the only time it may have cost a dime maybe is when I was to acquire some vinegar All these treatments were far less expensive and more effective than if one were to use the traditional means of a worldly physician One does not lose a thing by asking God what to do and with a little bit of practice one will begin to anticipate the answers before one asks Much of one's healthiness is psychosomatic that is to think healthy merge with healthy thoughts and attitudes reflect on healthy ideas and ideals and practice these healthy activities on a daily basis This doesn't just mean physical health but also spiritual psychological social and whatever For those who have trouble moving in this direction things like meditation prayer yoga and tai chi are simple ways to assist in such matters but trusting in God and what God has given you is the ultimate way Ask He is there always and nobody will have any better answers or be any more concerned
