divide stayed firmly in place to her own experiences as a wife and mother weaned on the Women's Movement of the 1970s with its emphatic view that housework was a dirty word and that the domestic sphere was to be fled rather than cherished In this book Zimmerman questions the unexamined trade off we have made in a shockingly brief time span as we ve progressed from home raised chickens to frozen TV dinners to McNuggets from the food court at the mall What is lost when we no longer engage as individuals and as a community in the ancient rituals of food craft and shelter Catalog of Copyright Entries.
