The Seasons Jo Sinclair,1993 **Dictionary of Midwestern Literature, Volume Two** Philip A. Greasley,2016-08-08

The Midwest has produced a robust literary heritage Its authors have won half of the nation s Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest s continuing cultural vitality and the stature and distinctiveness of its literature The Seasons Jo Sinclair,1993 As a novelist concerned with issues of gender social class and ethnicity Jo

Sinclair has won coveted literary prizes and a devoted following Now in this extraordinary memoir she relates a tale as fascinating and moving as any work of fiction In this unique instance of Sinclair s storytelling she tells the story of her Jewish working class life through the prism of an intense relationship with a middle class Anglo married woman into whose house she moves so that she might write her books Helen Buchman gives Sinclair a room of her own and persuades her to eschew alcohol for gardening and to believe in herself **Fault Lines** Meena Alexander,2003 This Indian American writer builds upon her acclaimed memoir named a PW Best Book for 1993

Juggling Jane S. Gould,1997 Gould s story personifies the struggles that women still face in combining careers with family life **Notes on the Programmes of the New Symphony Orchestra for the Season of 1919-1920** National Symphony Orchestra (New York, N.Y.),Lawrence Gilman,1920

Facing the Abyss George Hutchinson,2018-01-23 Mythologized as the era of the good war and the Greatest Generation the 1940s are frequently understood as a more heroic uncomplicated time in American history Yet just below the surface a sense of dread alienation and the haunting specter of radical evil permeated American art and literature Writers returned home from World War II and gave form to their disorienting experiences of violence and cruelty They probed the darkness that the war opened up and confronted bigotry existential guilt ecological concerns and fear about the nature and survival of the human race In *Facing the Abyss* George Hutchinson offers readings of individual works and the larger intellectual and cultural scene to reveal the 1940s as a period of profound and influential accomplishment *Facing the Abyss* examines the relation of aesthetics to politics the idea of universalism and the connections among authors across racial ethnic and gender divisions Modernist and avant garde styles were absorbed into popular culture as writers and artists turned away from social realism to emphasize the process of artistic creation Hutchinson explores a range of important writers from Saul Bellow and Mary McCarthy to Richard Wright and James Baldwin African American and Jewish novelists critiqued racism and anti-Semitism women writers pushed back on the misogyny unleashed during the war and authors such as Gore Vidal and Tennessee Williams reflected a new openness in the depiction of homosexuality The decade also witnessed an awakening of

American environmental and ecological consciousness Hutchinson argues that despite the individualized experiences depicted in these works a common belief in art's ability to communicate the universal in particulars united the most important works of literature and art during the 1940s Hutchinson's capacious view of American literary and cultural history masterfully weaves together a wide range of creative and intellectual expression into a sweeping new narrative of this pivotal decade

Come Out the Wilderness Estella Conwill Májozo, 2000-04 A powerfully written memoir by a black woman artist in search of meaning and grace in her family work and spiritual lives

What We Hold in Common Janet Zandy, 2001 Restored to print in an expanded edition the pivotal text in working class studies

The Posen Library of Jewish Culture and Civilization, Volume 9 Samuel D. Kassow, David G. Roskies, 2020-11-24 The Posen Library's groundbreaking anthology series called a feast of Jewish culture in ten volumes by the Chronicle of Higher Education explores in Volume 9 global Jewish responses to the years 1939 to 1973 a time of unprecedented destruction dislocation agency and creativity An extensive look at Jewish civilization and culture from the eve of World War II to the Yom Kippur War It's a weighty collection to be sure but one that's consistently engaging An edifying and diverse survey of 20th century Jewish life Kirkus Reviews starred review Readers seeking primary texts documents images and artifacts constituting Jewish culture and civilization will not be disappointed More important they might even be inspired This set will serve to improve teaching and research in Jewish studies at institutions of higher learning and at the same time promote maintain and improve understanding of the Jewish population and Judaism in general Booklist starred review The ninth volume of The Posen Library of Jewish Culture and Civilization covers the years 1939 to 1973 a period that editors Kassow and Roskies call one of the most tragic and dramatic in Jewish history Organized geographically and then by genre this book details Jewish cultural and intellectual resources throughout this era particularly in political thought literature the visual and performing arts and religion This volume explores worldwide Jewish perceptions of momentous events that transpired in the mid twentieth century and how Jews redefined themselves across regions throughout an era rife with tragedy displacement and dispersion The breadth and depth of this work goes beyond any comparable collection with detailed insights and sharp focus to accompany its breathtaking scope A major ten volume anthology project more than a decade in the making the Posen Library is an ideal reference tool for scholars teachers and students at all levels

Postwar Stories Rachel Gordan, 2024 The period immediately following World War II was an era of dramatic transformation for Jews in America At the start of the 1940s President Roosevelt had to all but promise that if Americans entered the war it would not be to save the Jews By the end of the decade antisemitism was in decline and Jews were moving toward general acceptance in American society Drawing on several archives magazine articles and nearly forgotten bestsellers Postwar Stories examines how Jewish middlebrow literature helped to shape post Holocaust American Jewish identity For both Jews and non Jews accustomed to antisemitic tropes and images positive depictions of Jews had a normalizing effect Maybe Jews were just like other Americans after all At the same time anti antisemitism novels and Introduction to Judaism literature helped to popularize the idea of Judaism as an American religion In the process these two genres contributed to a new form of Judaism one that fit within the emerging myth of America as a Judeo Christian nation and yet displayed new confidence in revealing Judaism's divergences from Christianity

Contemporary Jewish-American Novelists Joel Shatzky, Michael Taub, 1997-07-16 Since World War II Jewish American novelists have significantly contributed to the world of literature This reference book includes alphabetically arranged entries for more than 75 Jewish American novelists whose major works were largely written after World War II Included are entries for both well known and relatively obscure novelists many of whom are just becoming established as significant literary figures While the volume profiles major canonical figures such as Saul Bellow Norman Mailer and Bernard Malamud it also aims to be more inclusive than other works on contemporary Jewish American writers Thus there are entries for gay and lesbian novelists such as Lev Raphael and Judith Katz whose works challenge the more orthodox definition of Jewish religious and cultural traditions Art Spiegelman whose controversial *Maus* established a new genre by combining elements of the comic book and the conventional novel and newcomers such as Steve Stern and Max Apple who have become more prominent within the last decade Each entry includes a brief biography a discussion of major works and themes an overview of the novelist's critical reception and a bibliography of primary and secondary sources A thoughtful introduction summarizes Jewish American fiction after World War II and a selected general bibliography lists additional sources of information Since World War II Jewish American novelists have made numerous significant contributions to contemporary literature Authors of earlier generations would frequently write about the troubles and successes of Jewish immigrants to America and their works would reflect the world of European Jewish culture But like other immigrant groups Jewish Americans have become increasingly assimilated into mainstream American culture Many feel the loss of their heritage and long for something to replace the lost values of the old world This reference book includes alphabetically arranged entries for more than 75 Jewish American novelists whose major works were largely written after World War II Included are entries for both well known and relatively obscure novelists many of whom are just becoming established as significant literary figures While the volume profiles major

canonical figures such as Saul Bellow, Norman Mailer, and Bernard Malamud, it also aims to be more inclusive than other works on contemporary Jewish American writers. Thus, there are entries for gay and lesbian novelists such as Lev Raphael and Judith Katz, whose works challenge the more orthodox definitions of Jewish religious and cultural traditions. Art Spiegelman, whose controversial *Maus* established a new genre by combining elements of the comic book and the conventional novel, and newcomers such as Steve Stern and Max Apple, who have become more prominent within the last decade. Each entry includes a brief biography, a discussion of major works and themes, an overview of the novelist's critical reception, and a bibliography of primary and secondary sources. A thoughtful introduction summarizes Jewish American fiction after World War II, and a selected general bibliography lists additional sources for information.

The Jew in the American War Novel Ohad Reznick, 2025-03-31 This is the first book of its kind to provide an analysis of the representation of Jews in American war novels throughout the long twentieth century. This study delineates the intricate relationship between Jews and wars. Are Jews depicted as draft dodgers or heroes in American war fiction? How do Jewish soldiers cope with anti-Semitism in war novels? Do Jewish women contribute to the war effort? Addressing these questions, among others, this book analyzes texts, some of which have been overlooked by critics and some by well-known authors such as Ernest Hemingway and Philip Roth, in order to trace the changes in the perception of Jews in relation to war. Scrutinizing themes such as blood and masculinity, *The Jew in the American War Novel* argues that the depiction of the Jew is characterized by progression and then regression in war novels published shortly after WWI: non-Jews see Jews as draft evaders who lack masculinity. After WWII, Jews began to be seen as contributing to the warfare. However, toward the end of the twentieth century, reflecting the reemergence of prevalent anti-Semitism, Jews are once again seen as disloyal, resulting in a clash between the sense of Jewish and American identities.

Musical Times and Singing Class Circular, 1919 **Healing Narratives** Gay Alden Wilentz, 2000 Exploring the relationship between culture and health, this text provides readings of the works of five women writers, tracing their common structure of a main character moving from a state of mental or physical disease toward wellness through reconnection with her cultural traditions.
