Seasons Jasper Johns:

Jasper Johns ,1987 The seasons. Jasper Johns. Ediz. italiana e inglese Barbara Bertozzi,1996 This little treasure documents Jasper Johns Seasons cycle of four canvases that were originally shown at the Leo Castelli Gallery in 1986 and which have since become a milestone work in his career An anthology of key Johns motifs and thus something of a taking stock sequence Seasons is yet another masterwork in Johns career Jasper Johns Jasper Johns,Roberta Bernstein,1991

Figuring Jasper Johns Fred Orton,1994 The author begins this challenging monograph by probing Modernism s surfaces and subjects its public and private meanings in order to establish Johns s importance as the modern allegorical artist in the years after Abstract Expressionism Yet Figuring Jasper Johns is not an essay that presumes to offer an instant interpretation Rather Fred Orton self consciously constructs a Jasper Johns whose work is introduced and explained in three chapters each of which addresses a specific picture or sculpture like Flag Painted Bronze Savarin and Untitled 1992 These in depth studies situate individual works in their social context as well as in Johns s oeuvre Fred Orton s purpose is to get to terms with and find terms for a difficult and elusive body of work by one of the most important artists of the 20th century

Jasper Johns Catherine Craft,2012-05-08 At a time when the dominant mode of painting Abstract Expressionism emphasised expressive drama through bold brushwork and largely abstract compositions Johns paintings of the American flag targets numbers and the alphabet demonstrated a decided departure from convention Despite being painted with obvious care they seemed emotionally reticent cool and quiet far from the emotional fireworks then fashionable It all began with my painting a picture of an American flag Using this design took care of a great deal for me because I didn t have to design it So I went on to similar things like the targets things the mind already knows That gave me room to work on other levels For instance I ve always thought of painting as a surface painting it in one color made this very clear Then I decided that looking at a painting should not require a special kind of focus like going to church A picture ought to be looked at the same way you look at a radiator Unlike most artists statements in New York during the 1950s Johns remarks contained none of the familiar talk of doubt and angst and his selection of subject matter appeared deliberate thoughtful and far removed from emotional attachments and desires To younger artists his art seemed not so much cold and unfeeling as clear eyed and honest after the excesses of Abstract Expressionism Furthermore in selecting recognisable subjects Johns seemed to reject prevailing abstract modes of painting yet his subjects themselves flags targets numbers each possessed a vital characteristic of classic abstraction namely a flatness rendering them all but indistinguishable from the picture plane itself This book underlines how Johns s work made the polarity between abstraction and representation that had dominated debates about modern art for decades seem suddenly obsolete opening up other ways of thinking about art s relation to the world It also tries to understand why since his first exhibition at the Leo Castelli Gallery at the age of twenty seven he has remained one of the major artists of the contemporary artistic scene Jasper Johns Jasper Johns,1991 **Jasper Johns** Jasper Johns,1987

Cole,1992-11-27 The Journey of Life envisions growing up and growing old as a voyage down a river flowing inexorably to the sea With this image of the human life cycle the author explores the historical shoreline of later life charting its cultural forms and sounding their depths The result is both a cultural history of aging and a contribution to public dialogue about the meaning and significance of later life The core of the book shows how central texts and images of Northern Jasper Johns, the seasons ,1991 **Jasper Johns** Leo Castelli Gallery (New York, N.Y.),1987 **Jasper Johns and Edvard Munch** John B.
