Seasons Of Business The Marketers Guide To Consumer Behavior

Rosina Ehmann

Seasons Of Business The Marketers Guide To Consumer Behavior:

The Seasons of Business Judith Waldrop, Marcia K. Mogelonsky, 1992 In this entertaining and useful guide to seasonal marketing Waldrop research editor American demographics magazine examines for every month the primary marketing events participation in sports and leisure activities health care issues and personal attitudes She explains which demographic groups are the principal players and which consumer concerns are most pressing Annotation copyrighted by Book News Inc Portland OR

Seasonal Sociology Tonya K. Davidson, Ondine Park, 2020-09-11 Seasonal Sociology offers an engrossing and lively introduction to sociology through the seasons examining the sociality of consumption practices leisure activities work religious traditions schooling celebrations and holidays

Seasonal Sociology, Second Edition Tonya Davidson, Ondine Park, 2025-07-15 Life in Canada is shaped by the seasons marked celebrated enjoyed and sometimes dreaded in ways that respond directly to the changing cycles in nature Sociological thinking encourages us to question the aspects of everyday life that we may otherwise take for granted Seasonal Sociology takes a sociological approach to thinking about the seasons providing a unique perspective for understanding social life Each chapter in this collection explores key issues of sociological interest through the passage of time and seasonal change The authors wield seasonality as a powerful tool that can bridge small scale interpersonal interactions with large scale institutional structures This collection of contemporary Canadian case studies is wide ranging and analyses topics such as pumpkin spice lattes policing in schools law and colonialism summer cottages seasonal affective disorder Vaisakhi celebrations and more The second edition introduces new chapters on Labour Day and organized labour disability and online dating maple sugar shacks seasonal agricultural work wildfires and social movements like Pride and Black Lives Matter Seasonal Sociology ultimately offers fresh provocative ways of thinking about the nature of our collective lives

Americans and Their Weather William B. Meyer, 2014-10-10 This revealing book synthesizes research from many fields to offer the first complete history of the roles played by weather and climate in American life from colonial times to the present Author William B Meyer characterizes weather events as neutral phenomena that are inherently neither hazards nor resources but can become either depending on the activities with which they interact Meyer documents the ways in which different kinds of weather throughout history have represented hazards and resources not only for such exposed outdoor pursuits as agriculture warfare transportation construction and recreation but for other realms of life ranging from manufacturing to migration to human health He points out that while the weather and climate by themselves have never determined the course of human events their significance as been continuously altered for better and for worse by the evolution of American life
