Gill, 2007 In this book the first of a series Robin D Gill author of the highly acclaimed *Rise Ye Sea Slugs and Cherry Blossom Epiphany* the largest single theme anthologies of poetry ever published explores the traditional Japanese New Year through 2 000 translated haiku mostly 17 20c The New Year R H Blyth once wrote is a season by itself That was nowhere so plain as in the world of haiku where saijiki large collections called of ku illustrating hundreds if not thousands of briefly explained seasonal themes generally comprised five volumes one for each season Yet the great doyen of haiku gave this fifth season considered the first season when it came at the head of the Spring rather than in mid winter only a tenth of the pages he gave to each of the other four seasons 20 vs 200 Was Blyth Zen enthusiast not enamored with ritual Or was he loath to translate the New Year with its many cultural idiosyncrasies most

common to the Sinosphere but not to the West because he did not want to have to explain the haiku It is hard to say but with these poems for the re creation of the world Robin D Gill aka keigu respect foolishness or respect fool rushes in where even Blyth feared to tread to give this supernatural or cosmological season one that combines aspects of the Solstice Christmas New Year s Easter July 4th and the Once Upon a Time of Fairy Tales the attention it deserves With G K Chesterton s words evoking the mind of the haiku poets of old the author publisher leaves further description of the content to his reader reviewers The man standing in his own kitchen garden with the fairyland opening at the gate is the man with large ideas His mind creates distance the motor car stupidly destroys it G K Chesterton Heretics 1905 Times and Seasons ,1844

Poems Denis Florence MacCarthy,1884 **As in the Heart, So in the Earth** Pierre Rabhi,2006-06-06 The world s leading expert on reversing soil desertification shows how ecology can flourish only when spiritual elements are present Uses a parable from the African oral tradition to provide a living testimony of what has been lost with the rise of modern technology Provides a vital account of the strong relationship between soil and soul and how this relationship can be restored As in the Heart So in the Earth is a strong indictment of a civilization that while seeking domination over the earth mutilates tortures and desacralizes it For Pierre Rabhi ecology is inseparable from spirituality He shows how the growing desertification of North Africa is a reflection of the desert that is claiming the hearts and souls of the inhabitants of the Western world how dead soil is mirrored in our deadened souls and how reconciliation with Mother Earth must be accompanied by relearning our ancestors reverence for the soil Using a traditional African parable grounded in the very wisdom of the earth Pierre Rabhi seeks to initiate the reader into a time when the people that dwelled on this planet did so harmoniously and could converse easily with the land Village elder Tyemoro recounts the gradual destruction of his village s culture and all that has sustained it as the miracles promised by modern technology brought more harm than good This same drama is recurring throughout the world where indigenous value systems that have endured for millennia are torn apart by contact with modern civilization Yet Rabhi offers hope if those in the modern world will stop to hear the words of their ancestors who worked the land for our destiny is linked irrevocably to that of the earth

A Season on Earth Gerald Murnane, 2019-02-05. A masterwork from Australia's greatest cult literary figure, published for the first time as the author originally intended. *September Mornings* Joseph Sener, 2025-06-05. *September Mornings* is the last of six books that the Holy Spirit wanted me to publish to disseminate His messages to humanity. I am His scribe and I conform to His wishes. Humanity is God's highest creation on earth. God created humans in His own image. We are His ambassadors on earth. It is

His requirement that we live up to His expectations to live a righteous life with justice when we are performing His work on earth. It is God's law that the systemic order in life must be maintained fairly and equitably by His creation. There is no partiality with God. The eternal fabric of life is God's truth. God's will runs the fabric of life in the entire universe. He governs all life and its existence in His creation from one end of infinity to the other. We are His ornaments in His creation with expectations and hopes. Divine guidance and care are God conceived to guide the destiny of humanity. Humanity's faith in God was unyielding in all ages and kept the human race on the line drawn by God. He pulls His creation to Himself like a magnet to maintain order and harmony in His creation. He appears to be hidden but your conscious heart knows that He is always present in your life. He makes Himself visible by His actions and manifestations on earth and in the universe. Honor Him with full dedication and respect. You are three dimensional but God is multidimensional so walk and work on His earth with that knowledge. God has many properties but the most important ones are His love for His creation and humanity and His mercy to forgive the sins of humanity. Mercy is the product of His grace. God expects to have a personal relationship with His humanity. He sees you and what you are doing on earth at all times. You cannot hide from Him. He hears you when you speak and He observes what you are doing. You cannot hide anything from Him. Pray to Him and be thankful for the second chance that He has provided you to undo your sins. Learn the purpose of your life on earth and be prepared for life coming after your death on earth. We were born to this Second Earth Age to be saved from our sins by the merciful God Almighty the Creator of you and me. We are here at this time to learn obey and do things on earth in His Way as He wants not by our ways. God the Creator and His Holy Trinity Father Son and the Holy Spirit in three personalities is ONE in essence that is to say He is a real essential entity in permanent existence in the ultimate nature. We are the property of God and live on this earth at His pleasure. We live in the world only for Him and His coming kingdom in the Third Earth Age. The final days of the end time are steadily approaching one day at a time. Soon we all shall answer to the Creator God. On that day we will not be on earth to make corrections in our lives. We will be up there with Him answering His questions. You and I are in this world for a short time and if we have earned God's trust we will come back to be a part of His New Age on New Earth and participate in His new kingdom on earth. Finally humanity shall understand that God and His Divine Trinity in the universe of God the Creator is an absolute truth. It is a transcendent fundamental spiritual reality. The plan for the future has been prepared by Almighty God and His Holy Trinity. All shall unfold part by part at every step of the way depending on our level of preparedness and readiness together with our level of maturity. Under His will His plan is all good if we can keep it that way. May the blessings of God Almighty and His Holy Trinity be upon His humanity and all His creation now and forever.
