Season of Impunity Augustine Ogbunugwu,2016-02-05 Dr Jenkins a renowned Baherian Political Science Professor suddenly abandons his lucrative teaching job in a reputable America University to play partisan politics in his native country in Africa Every warning given to him to be careful with village politicians falls on deaf ears in the same way he had ignored the advice of his peers not to swim in the murky and shark infested waters in the first place His first shock comes with his resounding defeat in a senatorial seat election by a deep pocketed stark illiterate Thinking that his failure came from a poor choice of party affiliation he switches party only for things to get messier for him He soon finds himself between the rock and a hard place as he is caught in a cross fire from Barrister Edgar Morris and Chief Idris Zobas leaders of the two dominant parties in his country He becomes an unwilling pun in a chess game as the two men battle for political dominance He could chicken out of the game if he still had a way of doing so without hurting his political career or displeasing any of the godfathers Unfortunately he has reached a point in his political quest where backing out has become as difficult as going forward Each of the options would come at a tremendous cost In confused foolhardy bravado he ventures forward but barely escapes with his life at a point and time he could swear he had excelled A blistering tale of deception terror and infamy

2000 Atlantic Hurricane Season , **The Winning Tradition** Bert Nelli,Steve Nelli,2021-11-21 In its 95 year history the Kentucky Wildcats have won more games than any other college basketball team Their winning percentage is the highest in the country They share the record for the most 20 win seasons They are second in all time number one rankings And despite no longer holding the record for winningest coach Adolph Rupp will always be a giant in the pantheon of college basketball When The Winning Tradition first appeared in 1984

it was the first complete history of the Wildcat basketball program Bert Nelli pointed out that contrary to the accepted mythology Adolph Rupp arrived at a program already strong and storied Nor did Rupp bring an entirely new style of play to the Bluegrass Instead he adopted and perfected that of his predecessor John Mauer What Rupp did bring was an ability to charm the news media and a fierce determination to turn out winning teams making him the undisputed Baron of Basketball This new and expanded edition of The Winning Tradition brings the history of Kentucky basketball up to date Nelli and his son Steve turn the same unflinching gaze that characterized the honesty of the first edition on the scandals that marred Eddie Sutton s tenure the return to glory under Rick Pitino and a full accounting of Tubby Smith s history making first year The start of basketball season is welcomed in the Bluegrass with an unmatched enthusiasm and intensity Each year brings a new team new stars and new glory Other books have documented individual seasons individual players or individual coaches But The Winning Tradition remains the only complete and authoritative history of the most celebrated college basketball program in the world A book no fan can afford to be without The Winning Tradition brings alive the agonies frustrations and glories of each season of Kentucky basketball from the first team fielded by women to the surprising victory in the 1998 NCAA tournament
