Warren, 2012-10-01 *Pictorial History of Seattle* James R. Warren, 1962 *Seattle's South Park* Amanda Zahler, Anna Marti, Gary Thomsen, 2006 Situated on the Duwamish River South Park has a rich tradition of farming and industry It was along these banks that the Duwamish tribe set up fishing camps and grew crops a practice that continued with generations of farmers who were drawn to this fertile land Seattle's Pike Place Market got its start in 1907 when South Park farmers needing an outlet for their crops set up the now famous open air market With the first land claim in 1851 South Park became home to some of Seattle's original settlers Today its diverse history has made it one of the few Seattle neighborhoods to be divided into both commercial and residential land zones *Seattle and Environs, 1852-1924* Cornelius Holgate Hanford, 1924 1015 Second Avenue ,2010 Women in Pacific Northwest History Karen J. played in their lives while also taking on jazz historiography's comparative neglect of these West Coast players Music historians with a particular interest in pre bop jazz in California will find much new material here as Vacher paints a world of luxurious white nightclubs with black bands ghetto clubs and after hours joints a world within a world that resulted from the migration of black musicians to the West Coast **Washington Then & Now** ,2007 Despite the often astonishing changes in the landscape authors Paul Dorpat and Jean Sherrard searched high and low determined to find the same locations and angles as their predecessors The result is a portrait that reflects not only the amazing changes brought on by time but also a record of what has remained in this most scenic western state **Seattle's Pioneer Square Joy**
