Secebionville Abault On Charleston

Craig L. Symonds

Secebionville Abault On Charleston:

Secessionville Patrick Brennan,1996-09-22 Charleston South Carolina was regarded by Union troops as the Seat of the Secession and this is a detailed account of the Northern attempt in 1862 to capture the city and avenge Fort Sumter Six Miles from Charleston, Five Minutes to Hell James A. Morgan,2022-09-06 A comprehensive account of this bitterly fought yet unjustly forgotten early conflict of the Civil War The small curiously named village of Secessionville just outside of Charleston South Carolina was the site of an early war skirmish the consequences of which might have been enormous had the outcome been different But the Confederate victory was quickly overshadowed by the Seven Days battles fought shortly afterward and far to the north The Battle of Secessionville was as bloody and hard fought as any similar sized encounter during the war But it was poorly planned and poorly led by the Union commanders whose behavior did not do justice to the courage of their men In Six Miles from Charleston Five Minutes to Hell historian Jim Morgan examines the lead up to the conflict the skirmish itself on June 16 1862 and its aftermath By including several original sources not previously explored he takes a fresh look at this small but potentially game changing fight and shows that it was of much more than merely local interest at the time

South Carolina's Civil War W. Scott Poole,2005 W Scott Poole teaches South Carolina history at the College of Charleston

A Journal of the American Civil War: V5-2 Theodore P. Savas,David A. Woodbury,2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes Amphibious Operations Wild s African Brigade in the Siege Prelude to Secessionville Dahlgren s Marine Battalions Interview with author William C Davis **Thunder in the Harbor** Richard W. Hatcher,2023-11-16 A detailed authoritative and expansive new study of the centerpiece of Charleston s defensive network Pat Brennan co author of Gettysburg in Color Fort Sumter Charleston April 1861 The start of the Civil War The bombardment and surrender of Sumter were only the beginning of the story Both sides understood the military significance of the fort and the busy seaport which played host to one of the longest and most complicated and fascinating campaigns of the entire Civil War Richard Hatcher s Thunder in the Harbor Fort Sumter and the Civil War is the first modern study to document the fort from its origins through the war and up to its transfer to the National Park Service in 1948 After its surrender Southern troops immediately occupied and improved Sumter s defenses The U S blockaded Charleston Harbor and for two years the fort with its 84 heavy guns and a 500 man garrison remained mostly untested That changed in July 1863 when a powerful combined operation set its sights on the fort Charleston and its outer defenses The result was a grueling 22 month land and sea siege the longest of the Civil War The complex effort included ironclad attacks land assaults raiding parties and siege operations Some of the war s most famous events unfolded there including the assault against Battery Wagner led by the 54th Massachusetts Infantry Regiment depicted in the movie Glory the shelling of the city by the Swamp Angel and the beginning of submarine warfare when the H L Hunley sank the USS Housatonic and was herself lost at sea The

destruction of Fort Sumter remained a key Federal objective throughout the siege Despite repeated concentrated bombardments of the fort and the city Sumter never fell The defiant fort Charleston and its defensive lines were evacuated in February 1865 once word arrived that Maj Gen William T Sherman approached Columbia South Carolina Hatcher the former historian at Fort Sumter Fort Moultrie National Historical Park mined a host of primary sources to produce an in depth and fascinating account of the intricacies complexities and importance of this campaign to the overall war effort Nearly 18 months of shelling had rendered Fort Sumter almost unrecognizable but the significance of its location remained During the eight decades that followed the United States invested millions of dollars and thousands of hours rebuilding and rearming the fort to face potential foreign threats in three different wars By the end of World War II sea and air power had made Sumter obsolete and the fort was transferred to the National Park Service Thunder in the Harbor fills a large gap in the historiography and underscores that there is still much to learn about our endlessly fascinating Civil War

A Journal of the American Civil War: V4-4 Theodore P. Savas, David A. Woodbury, 2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes Death of General Cobb Irish Brigade on Mayre s Heights Assault of the PA Reserves 20th Massachusetts and the street fight Stonewall Jackson s artillery

America's Longest Siege Joseph Kelly, 2013-06-27 A vivid and engrossing study of slavery in and around one of its trading hubs Charleston SC an important contribution to Southern antebellum history Library Journal In America s Longest Siege historian Joseph Kelly captures the toxic mix of nationalism paternalism and wealth that made Charleston the center of the nationwide debate over slavery and the tragic act of secession that doomed both the city and the South Thoroughly researched and compulsively readable America s Longest Siege offers a new take on the Civil War and the culture that made it inevitable Lays bare the decades long campaign of rationalization and intimidation that revived and reinforced the institution of slavery and dragged the United States into disunion and civil war this masterful study is a timely and important reminder of the consequences that result when ideological extremists succeed in drowning out the voices of reason Peter Quinn author of Hour of the Cat

The Civil War at Sea Craig L. Symonds, 2012 Continuing in the vein of the Lincoln prize winning Lincoln and His Admirals acclaimed naval historian Craig L Symonds presents an operational history of the Civil War navies both Union and Confederate in this concise volume Illuminating how various aspects of the naval engagement influenced the trajectory of the war as a whole The Civil War at Sea adds to our understanding of America s great national conflict Both the North and the South developed and deployed hundreds of warships between 1861 and 1865 Because the Civil War coincided with a revolution in naval technology the development and character of warfare at sea from 1861 1865 was dramatic and unprecedented Rather than a simple chronology of the war at sea Symonds addresses the story of the naval war topically from the dramatic transformation wrought by changes in technology to the establishment management and impact of

blockade He also offers critical assessments of principal figures in the naval war from the opposing secretaries of the navy to leading operational commanders such as David Glasgow Farragut and Raphael Semmes Symonds brings his expertise and knowledge of military and technological history to bear in this essential exploration of American naval engagement throughout the Civil War

Confederate Veterans in Northern California Jeff Erzin, 2020-06-09 Drawing on six years of research this book covers the military service and postwar lives of notable Confederate veterans who moved into Northern California at the end the Civil War Biographies of 101 former rebels are provided from the oldest brother of the Clanton Gang to the son of a President to plantation owners dirt farmers criminals and everything in between

American Civil War Spencer C. Tucker, 2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict

[Encyclopedia of the American Civil War: R-Z](#) David Stephen Heidler, 2000 Review The editors have compiled a comprehensive source that provides a first stop reference on broad areas or specific topics on the Civil War The contemporary photographs and lithographs bring the human element into the encyclopedia a type of reference known more for facts and figures than emotions The primary source documents volume brings obscure resources together which will further illumine the period for students Outstanding Reference Sources American Libraries May 2001

Profiles of America's Most Threatened Civil War Battlefields, 1998

Him on the One Side and Me on the Other Alexander Campbell, James Campbell, 1999 Alexander and James Campbell born and raised in Scotland immigrated to the United States as teenagers in the 1850s and settled in vastly different regions of the country Alexander in New York City and James in Charleston South Carolina When the American Civil War broke out in 1861 Alexander and James opted to fight for their adopted states and causes Alexander enlisted in the 79th New York Highlanders and James in the 1st South Carolina Charleston Battalion *Him on the One Side and Me on the Other* tells the remarkable

story of these two brothers divided by the Civil War Through their wartime letters to family and to each other the brothers expose the deep fractures in American society caused by the most destructive war in this country s history In the most dramatic moment in this story of the brothers wartime experiences the letters reveal a near reunion on the battlefield of Secessionville South Carolina on June 16 1862 There Alexander was part of the Union force that assaulted Tower Battery a fort inhabited by James and his Confederate comrades

Bluejackets and Contrabands Barbara Tomblin,2009-10-09 One of the lesser known stories of the Civil War is the role played by escaped slaves in the Union blockade along the Atlantic coast From the beginning of the war many African American refugees sought avenues of escape to the North Due to their sheer numbers those who reached Union forces presented a problem for the military The problem was partially resolved by the First Confiscation Act of 1861 which permitted the seizure of property used in support of the South s war effort including slaves Eventually regarded as contraband of war the runaways became known as contrabands In Bluejackets and Contrabands Barbara Brooks Tomblin examines the relationship between the Union Navy and the contrabands The navy established colonies for the former slaves and in return some contrabands served as crewmen on navy ships and gunboats and as river pilots spies and guides Tomblin presents a rare picture of the contrabands and casts light on the vital contributions of African Americans to the Union Navy and the Union cause

Field Armies and Fortifications in the Civil War Earl J. Hess,2006-03-08 Earl J Hess provides a narrative history of the use of fortifications particularly trenches and other semi permanent earthworks used by Confederate and Union field armies at all major battle sites in the eastern theater of the Civil War Hess moves beyond the technical aspects of construction to demonstrate the crucial role these earthworks played in the success or failure of field armies A comprehensive study which draws on research and fieldwork from 300 battle sites Field Armies and Fortifications in the Civil War is an indispensable reference for Civil War buffs and historians

Resisting Sherman Thomas Heard Robertson,2015-05-22 Despite its fascinating cast of characters host of combats large and small and its impact on the course of the Civil War surprisingly little ink has been spilled on the conflict s final months in the Carolinas Resisting Sherman A Confederate Surgeon s Journal and the Civil War in the Carolinas 1865 by Francis Marion Robertson edited by Thomas H Robertson Jr fills in many of the gaps and adds tremendously to our knowledge of this region and those troubled final days of the Confederacy Surgeon Francis Robertson fled Charleston with the Confederate garrison in 1865 in an effort to stay ahead of General Sherman s Federal army as it marched north from Savannah The Southern high command was attempting to reinforce General Joseph E Johnston s force in North Carolina for a last ditch effort to defeat Sherman and perhaps join with General Lee in Virginia or at least gain better terms for surrender Dr Robertson a West Pointer physician professor politician patrician and Presbyterian with five sons in the Confederate army kept a daily journal for the final three months of the Civil War while traveling more than 900 miles through four states His account looks critically at the decisions of generals from a middle ranking officer s viewpoint describes army movements

from a ground level perspective and places the military campaign within the everyday events of average citizens suffering under the boot of war Editor and descendant Thomas Robertson followed in his ancestor s footsteps conducting exhaustive research to identify the people route and places mentioned in the journal Sidebars on a wide variety of related issues include coverage of politics and the Battle of Averasboro where one of the surgeon s sons was shot An extensive introduction covers the military situation in and around Charleston that led to the evacuation described so vividly by Surgeon Robertson and an epilogue summarizes what happened to the diary characters after the war

North & South ,2001 **Joseph and Harriet Hawley's Civil War** Paul E. Teed,2018-11-15 This book explores the remarkable partnership of Joseph and Harriet Hawley a married couple from Connecticut whose lives were transformed by overlapping experiences in the American Civil War era When Joseph became the colonel of the 7th Connecticut Infantry Regiment in 1862 Harriet ignored family advice and social convention and travelled to Union military headquarters at Hilton Head Island South Carolina where Joseph s regiment was stationed From that bold beginning she spent the next three years as a visitor at field hospitals a teacher at freedman s schools a wartime journalist a ward nurse and her husband s informal advisor and publicist Moving in and around the scenes of military action she lived and worked in spaces usually reserved for men and took on responsibilities that implicitly challenged conventional understandings of women s physical and emotional dependency While Joseph struggled for recognition and promotion in the brutally competitive environment of Union military politics Harriet shrewdly used her own personal contacts with power brokers in Hartford and Washington to protect his interests and those of his men And as the terrible realities of the Civil War pushed them both to the brink of physical and emotional collapse Harriet and Joseph remained committed to the cause and found ways to sustain their devotion to both Union and emancipation in the very worst moments of the conflict

A Journal of the American Civil War: V6-2 Mark A. Snell,Theodore P. Savas,2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes A German volunteer McLaws aide de camp 79th NY Highlanders Burnside s Bridge 118th PA at Shepherdstown civilians of Sharpsburg the Lost Order and the press

Defending America's Coasts, 1775-1950 Dale E. Floyd,1997
