Man Who Dreamt Of Lobsters Stories:

Short Story Index ,1994 *The Resurrectionists* Michael Collins,2003-03-11 The Booker and IMPAC Prize nominated author of *The Keepers of Truth* delivers a haunting novel of psychological suspense about a wayward family's search for salvation in an America that has left them behind The solitude of the Upper Michigan Peninsula is Michael Collins's heart of darkness in this compelling story of the unquiet dead Almost thirty years ago when Frank Cassidy was five his parents burned to death in a remote Michigan town Now Frank's uncle is dead too shot by a mysterious stranger who lies in a coma in the local hospital Frank working menial jobs to support his unfaithful wife and two children takes his family north in a series of stolen cars to dispute his cousin's claim on the family farm Once there however Frank also wants answers to questions about his own past Who really set the fire that burned the family home and killed his parents Will the stranger who hangs between life and death be able to shed light on long buried secrets As the television blares the aftermath of the Watergate scandal news of Jim Jones and endless sitcom reruns simple answers and the promise of the American dream seem to recede from Frank's grasp Brilliant and unsettling *The Resurrectionists* is an ironic yet chilling indictment of American culture in the seventies and a compassionate novel about a man struggling to overcome the crimes and burdens of his past

The Keepers of Truth Michael Collins,2021-10 The last of a manufacturing dynasty in a dying industrial town Bill lives alone in the family mansion and works for the Truth the moribund local paper He yearns to write long philosophical pieces about the American dream gone sour not the flaccid write ups of bake off contests demanded by the Truth Then old man Lawton goes missing and suspicion fixes on his son Ronny Paradoxically the specter of violent death breathes new life into the town For Bill a deeper and more disturbing involvement with the Lawtons ensues The Lawton murder and the obsessions it awakes in the town come to symbolize the mood of a nation on the edge Compulsively readable *The Keepers of Truth* startles both with its insights and with Collins's powerful incisive writing *Twenty-first-century British and Irish Novelists*

Michael R. Molino,2003 This award winning multi volume series is dedicated to making literature and its creators better understood and more accessible to students and interested readers while satisfying the standards of librarians teachers and scholars *Dictionary of Literary Biography* provides reliable information in an easily comprehensible format while placing writers in the larger perspective of literary history *Dictionary of Literary Biography* systematically presents career biographies and criticism of writers from all eras and all genres through volumes dedicated to specific types of literature and time periods For a listing of *Dictionary of Literary Biography* volumes sorted by genre click here 01 **Death of a Writer**

Michael Collins,2008-12-12 For E Robert Pendleton a professor clinging to tenure and living in the shambles of his once bright literary career death seems to be the only remaining option But his suicide attempt fails and during his long convalescence a novel is discovered hidden in his basement a brilliant semi autobiographical story with a gruesome child murder at its core The publication of *Scream* causes a storm of publicity and raises questions about its content in particular

about the uncanny resemblance between Pendleton's fictional crime and a real life unresolved local murder How did Pendleton know the case so well And why did he bury *Scream* in his basement A rare blend of suspense humor and insight *Death of a Writer* is dark disturbing and damnably good *Baltimore Sun* **The New Yorker** ,1993 *The New York Public Library Literature Companion* New York Public Library,2001 This is the first one volume reference book to organize discuss literature by topic rather than alphabetical order providing information in a reader friendly format **The Recorder** ,1998
