Man Who Lost The Civil War Documentary Film:

Americans Remember Their Civil War Barbara A. Gannon, 2017-07-07 This book provides readers with an overview of how Americans have commemorated and remembered the Civil War Most Americans are aware of statues or other outdoor art dedicated to the memory of the Civil War Indeed the erection of Civil War monuments permanently changed the landscape of U S public parks and cemeteries by the turn of the century But monuments are only one way that the Civil War is memorialized This book describes the different ways in which Americans have publicly remembered their Civil War from the immediate postwar era to the early 21st century Each chapter covers a specific historical period Within each chapter the author highlights important individuals groups and social factors helping readers to understand the process of memory The author further notes the conflicting tensions between disparate groups as they sought to commemorate their war A final chapter examines the present day memory of the war and current debates and controversies *The American Civil War and the Hollywood War Film* John Trafton, 2016-04-29 Throughout film history war films have been in constant dialogue with both previous depictions of war and contemporary debates and technology War films remember older war film cycles and draw upon the resources of the present day to say something new about the nature of war The American Civil War was viscerally documented through large scale panorama paintings still photography and soldier testimonials leaving behind representational principles that would later inform the development of the war film genre from the silent era up to the present This book explores how each of these representational modes cemented different formulas for providing war stories with emotional content *The Documentary Film Book* Brian Winston, 2019-07-25 Powerfully posing questions of ethics ideology authorship and form documentary film has never been more popular than it is today Edited by one of the leading British authorities in the field The Documentary Film Book is an essential guide to current thinking on documentary film In a series of fascinating essays key international experts discuss the theory of documentary outline current understandings of its history from pre Flaherty to the post Griersonian world of digital i Docs survey documentary production from Africa to Europe and from the Americas to Asia consider documentaries by marginalised minority communities and assess its contribution to other disciplines and arts Brought together here in one volume these scholars offer compelling evidence as to why over the last few decades documentary has come to the centre of screen studies **A Day in the Life of a Chaplain** Rick Rood, 2022-02-11 How can I minister to people in the hospital How can I bring grace and hope to people in pain What is a Christian view of death and dying Of grief and loss Will I see my baby in heaven Does God promise always to heal in answer to our prayers How do we respond in the face of suffering and seemingly unanswered prayer How does God use life s most difficult experiences These are just some of the questions that Chaplain Rick Rood addresses in this book Weaving together stories from his twenty three years as a hospital chaplain and insights from Scripture Rick provides help to those who want to minister effectively to hospital patients and their loved ones As you read this book you will walk with him through the various

units of a hospital and encounter situations typically experienced in each one Rick's prayer is that the Lord might use this book to help its readers become more compassionate and more effective agents of God's grace in the lives of people in pain
