Management Of Ovarian Cancer:

Advances in Diagnosis and Management of Ovarian Cancer Samir A. Farghaly, 2022-10-11 This new edition features updated information on all aspects of the diagnosis and management of ovarian cancer Embracing knowledge from around the world this multidisciplinary book discusses current approaches to ovarian cancer that have helped stabilize the rate of both incidences and fatality for the disease The chapters focus on genetic screening and advances in management including the optimization of chemotherapeutic agents gene therapy and the latest laparoscopic and robotic surgical techniques Further chapters address psychosocial and quality of life issues as well The book is a must have resource for wide range of practitioners who care for patients with ovarian cancer and researchers who study the disease **Ovarian Cancers** Eric Pujade-Lauraine, Isabelle Ray-Coquard, Fabrice Lécure, 2016-10-17 This book provides an overview of the latest developments in the concepts and management of ovarian cancer The new data presented throughout opens the way to radically different therapeutic approaches Surgery remains the core of ovarian cancer treatment but its ultimate goal and the standard surgical procedure have evolved giving rise to the question of how to label expert centers for debulking surgery Neo adjuvant chemotherapy is becoming more popular and is also a new field for testing novel drug combinations Over recent years ovarian cancer management has embraced molecular biology It is now more correct to talk about cancers of the ovary rather than ovarian cancer since it is not a unique disease but several entities with different molecular drivers The significant advances in drugs targeting the microenvironment or the tumor cell DNA repair mechanisms are presented in detail together with exciting future perspectives All these advances would not have been possible without collaborative groups such as the GINECO group in France and their integration in wider clinical research networks at the European ENGOT and international GCIG level **Management of Ovarian Cancer** George Blackledge, K. K. Chan, 1986 **Ovarian Cancer** National Institute for Health and Clinical Excellence (Great Britain), National Collaborating Centre for Cancer (Great Britain), 2011
