

Promise Is To Keep

David Kleinberg-Levin

Promise Is To Keep:

Keeping Cole's Promise Cheryl Harper, 2016-10-01 It's time he lived up to his word Eleven years ago Cole Ferguson made the biggest mistake of his life but now he can finally get back on track The first step Nail the job at the local animal shelter and keep his head down But working at the shelter means spending time with Rebecca Lincoln Rebecca is beautiful and kind but she's also determined to save the world Cole isn't about to join her Helping Rebecca would mean breaking his promise running toward trouble instead of staying clear She doesn't need him anyway How could she ever see him as more than just another charity project **School Ideals** Herbert A. James, 1887 *Competence to Consent* Becky Cox White, 1994-09-16

Free and informed consent is one of the most widespread and morally important practices of modern health care competence to consent is its cornerstone In this book Becky Cox White provides a concise introduction to the key practical philosophical and moral issues involved in competence to consent The goals of informed consent respect for patient autonomy and provision of beneficent care cannot be met without a competent patient Thus determining a patient's competence is the critical first step to informed consent Determining competence depends on defining it yet surprisingly no widely accepted definition of competence exists White identifies nine capacities that patients must exhibit to be competent She approaches the problem from the task-oriented nature of decision making and focuses on the problems of defining competence within clinical practice Her proposed definition is based on understanding competence as occurring in a special rather than a general context as occurring in degrees rather than at a precise threshold as independent of consequential appeals and as incorporating affective as well as cognitive capacities Combining both an ethical overview and practical guidelines this book will be of value to health care professionals bioethicists and lawyers Action and Ethics in Aristotle and Hegel Gary Pendlebury, 2017-07-05 Pendlebury alleges that abstraction and rationalization have had a strong and malign influence on normative moral philosophy in the 20th century Criticizing writers such as Hare Rawls and Scanlon for pursuing a conception of moral philosophy that bears little resemblance to the way in which human beings actually think and conduct themselves Pendlebury instead suggests a Virtue Ethics inspired by Hegel's and Aristotle's accounts of action as a corrective to this trend showing that moral activity is historically and socially based and must address the formed character of individual agents This trend which began with the responses by Locke Hume and Kant to Descartes' Meditations rendered moral philosophy individualistic and psychologistic in contrast to Aristotle and Hegel's claim that man is essentially a social creature Pendlebury argues that this should be the starting point of any account and understanding of morality which roots the concept of will in the practical activity involved in being a member of an ethical community rather than an abstract metaphysical entity that is supposedly in the possession of individuals In providing a critique of modern moral philosophy from this perspective Pendlebury's line of enquiry lends much support to Virtue Ethics as exemplified in the work of Hursthouse and Slote while taking a more combative approach with those with whom he disputes In doing so he shows that

serious considerations of continental philosophy highlights the richness of moral activity absent from analytical tradition which for so long has been bent on marginalizing it The Oxford Handbook of Consequentialism Douglas W.

Portmore,2020-09-17 Consequentialism is a major moral theory in contemporary philosophy it is the view that the only thing that matters when making moral decisions is the outcome of those decisions Consequentialists hold that to morally assess an act we must first evaluate and rank the various ways that things could turn out depending on whether it or some alternative act is performed Whether we should perform that act thus depends on how its outcome ranks relative to those of its alternatives Consequentialism rivals deontology contractualism and virtue ethics but more importantly it has influenced contemporary moral philosophy such that the consequentialist non consequentialist distinction is one of the most central in normative ethics After all every plausible moral theory must concede that the goodness of an act s consequences is something that matters even if it s not the only thing that matters Thus all plausible moral theories will accept that both 1 an act s producing good consequences constitutes a moral reason to perform it and 2 the better its consequences the more of a moral reason there is to perform it In this way much of consequentialist ethical theory is important for normative ethics in general This Oxford Handbook contains thirty two previously unpublished contributions by top moral philosophers examining the current state of play in consequentialism and pointing to new directions for future research The volume is organized into four major sections foundational issues objections to consequentialism its forms and limits and consequentialism s implications for policy practice and social reform Promises and Agreements Hanoch Sheinman,2011-03-17 Comprising 16

original contributions this is the first collection of philosophical papers on promises and agreements topics which are enjoying a renaissance in social moral and legal philosophy Rationality and Moral Theory Diane Jeske,2008-08-18 This book provides answers to both normative and metaethical questions in a way that shows the interconnection of both types of questions and also shows how a complete theory of reasons can be developed by moving back and forth between the two types of questions It offers an account of the nature of intimate relationships and of the nature of the reasons that intimacy provides and then uses that account to defend a traditional intuitionist metaethics The book thus combines attention to the details of the lived moral life the context in which many of our most pressing moral questions arise how we deliberate and make moral decisions the complexities that plague our attempts to know what we ought to do with theoretical rigor in offering an account of the nature of reasons how we come to have moral knowledge and how we can adjudicate between competing positions Dictionary of Scripture and Ethics Joel B. Green,Jacqueline Lapsley,Rebekah Miles,Allen

Verhey,2011-11 Leading scholars from the fields of biblical studies and ethics provide a one stop reference book on the vital relationship between Scripture and ethics **The Basics of Bioethics** Laura K. Guidry-Grimes,Robert M.

Veatch,2019-10-18 The Basics of Bioethics Fourth Edition offers an easy to follow introduction to this dynamic field intended for healthcare professionals teachers students and anyone interested in bioethics Accessible and enjoyable for readers of all

backgrounds the book contains numerous cases including ones that recently have dominated international headlines to help anchor the broader discussion The text is suitable for use in short courses in schools of medicine nursing and other health professions continuing professional education various undergraduate departments and adult education Chapters are organized around common moral themes in order to help readers understand the values and other connections that tie together different positions in bioethics This fourth edition adds a new chapter on alternative frameworks in bioethics including narrative ethics and casuistry feminist approaches care ethics and virtue ethics Due to significant advances in genetics and reproductive possibilities this new edition devotes a full chapter to each The combined teaching research and clinical experience of the two authors helps make this edition current with the evolving field of bioethics while still embedding the major issues in a systematic framework that allows readers easily to navigate the larger field Key Changes to the Fourth Edition An added chapter on new and emerging approaches in bioethics including those based on virtue ethics casuistry and narrative ethics feminist ethics and care ethics Updates throughout the book based on developments in ethical theory and new medical research Revisions and updates to the Learning Objectives Key Terms Bibliographies and URLs The addition of multiple recent case studies including Jahi McMath an undocumented patient who needs a rule bent a pediatrician who turns away unvaccinated patients a minor eligible for pediatric bariatric surgery a daughter suing a hospital for non disclosure of her father s Huntington s diagnosis CRISPR edited newborn babies

Humean Moral Pluralism

Michael B. Gill, 2014-06-12 Michael B Gill offers an original account of Humean moral pluralism Moral pluralism is the view that there are different ultimate moral reasons for action that those different reasons can sometimes come into conflict with each other and that there exist no invariable ordering principles that tell us how to resolve such conflicts If moral pluralism is true we will at times have to act on moral decisions for which we can give no fully principled justification Humeanism is the view that our moral judgments are based on our sentiments that reason alone could not have given rise to our moral judgments and that there are no mind independent moral properties for our moral judgments to track In this book Gill shows that the combination of these two views produces a more accurate account of our moral experiences than the monistic rationalist and non naturalist alternatives He elucidates the historical origins of the Humean pluralist position in the works of David Hume Adam Smith and their eighteenth century contemporaries and explains how recent work in moral psychology has advanced this position And he argues for the position s superiority to the non naturalist pluralism of W D Ross and the monism of Kantianism and consequentialism The pluralist account of the content of morality has been traditionally perceived as belonging with non naturalist intuitionism The Humean sentimentalist account of morality has been traditionally perceived as not belonging with any view of morality s content at all Humean Moral Pluralism explodes both those perceptions It shows that pluralism and Humeanism belong together and that they make a philosophically powerful couple

The Basics of Bioethics Robert M. Veatch, 2016-05-23 The third edition of *The Basics of Bioethics* continues to provide a balanced and

systematic ethical framework to help students analyze a wide range of controversial topics in medicine and consider ethical systems from various religious and secular traditions The Basics of Bioethics covers the Principalist approach and identifies principles that are believed to make behavior morally right or wrong It showcases alternative ethical approaches to health care decision making by presenting Hippocratic ethics as only one among many alternative ethical approaches to health care decision making The Basics of Bioethics offers case studies diagrams and other learning aids for an accessible presentation Plus it contains an all encompassing ethics chart that shows the major questions in ethics and all of the major answers to these questions

Handbook of the Economics of Giving, Altruism and Reciprocity Serge-Christophe Kolm, Jean Mercier Ythier, 2006-07-20 The Handbook on the Economics of Giving Reciprocity and Altruism provides a comprehensive set of reviews of literature on the economics of nonmarket voluntary transfers The foundations of the field are reviewed first with a sequence of chapters that present the hard core of the theoretical and empirical analyses of giving reciprocity and altruism in economics examining their relations with the viewpoints of moral philosophy psychology sociobiology sociology and economic anthropology Secondly a comprehensive set of applications are considered of all the aspects of society where nonmarket voluntary transfers are significant family and intergenerational transfers charity and charitable institutions the nonprofit economy interpersonal relations in the workplace the Welfare State and international aid Every volume contains contributions from leading researchers Each Handbook presents an accurate self contained survey of a particular topic The series provides comprehensive and accessible surveys

Encyclopedia of Business Ethics and Society Robert W. Kolb, 2008 This encyclopedia spans the relationships among business ethics and society with an emphasis on business ethics and the role of business in society

The Grace Message Andrew Farley, 2022-03-08 What Is God's Grace and What Does It Mean for You Grace It's a word we've heard since the very first step in our faith journey but do we really believe in God's grace Grace raises eyebrows It begs questions Grace turns everything upside down The Grace Message invites you to discover the best flavor of Christianity and celebrate the good news of the Gospel to the fullest Here you'll learn how to abandon rule based living and stop trying to measure up why your new identity in Jesus matters more than you can imagine how you can now enjoy God's New Covenant way of grace Bestselling author and radio host Andrew Farley's no nonsense straight talk will awaken you to a revolutionary perspective every healthy Christian should have Life is too short to miss out on God's best and what you don't know can hinder you from experiencing Jesus in every area of your life So if you've been weighed down by ruthless religion or you've been searching for that high octane version of the Gospel that you know must be out there somewhere here it is This thought provoking book will challenge you to dismiss the lies you've believed and to make up your own mind about how big God's grace really is Andrew Farley shows why the good news is actually great news This extraordinary battle tested message of hope and freedom has a proven track record of transforming lives The Grace Message is bursting with truth The love of God practically drips from its pages Read it and see for yourself Bart Millard

singer songwriter for MercyMe **Fairness versus Welfare** Louis Kaplow, Steven Shavell, 2009-07-01 Fairness versus Welfare poses a bold challenge to contemporary moral philosophy by showing that most moral principles conflict more sharply with welfare than is generally recognized It has profound implications for the theory and practice of policy analysis and has already generated considerable debate in academia *Beckett's Words* David Kleinberg-Levin, 2015-07-30 At stake in this book is a struggle with language in a time when our old faith in the redeeming of the word and the word's power to redeem has almost been destroyed Drawing on Benjamin's political theology his interpretation of the German Baroque mourning play and Adorno's critical aesthetic theory but also on the thought of poets and many other philosophers especially Hegel's phenomenology of spirit Nietzsche's analysis of nihilism and Derrida's writings on language Kleinberg Levin shows how because of its communicative and revelatory powers language bears the utopian promise of happiness the idea of a secular redemption of humanity at the very heart of which must be the achievement of universal justice In an original reading of Beckett's plays novels and short stories Kleinberg Levin shows how despite inheriting a language damaged corrupted and commodified Beckett redeems dead or dying words and wrests from this language new possibilities for the expression of meaning Without denying Beckett's nihilism his picture of a radically disenchanted world Kleinberg Levin calls attention to moments when his words suddenly ignite and break free of their despair and pain taking shape in the beauty of an austere yet joyous lyricism suggesting that after all meaning is still possible **A New Approach to Utilitarianism** C.L. Sheng, 2012-12-06 1 1 Utilitarian Theories This book is a monograph on moral philosophy and social philosophy particularly the part of the philosophy of economics that is related to the general distribution problem It presents a comprehensive ethical theory together with an application of the theory to distributive justice The viewpoint of this theory is utilitarian However this theory is different in some crucial points as well as in minor details from all existing forms of utilitarianism Moral philosophy deals essentially with the moral judgment of actions i.e. whether a moral action is right or wrong good or bad The judgment is usually based on a line of logical reasoning which can be traced to a final reason called the justification or ultimate principle An ethical theory is a self-consistent system built upon a basic or ultimate principle An ultimate principle can never be rigorously proven and is not unique Different philosophers establish different ethical theories upon different principles Therefore in the history of development of moral philosophy there have been a large number of ethical theories and schools Even within the same school having the same ultimate principle different philosophers may have different versions of the theory because of small variations in the interpretation of the ultimate principle or in the elaboration of the details **Case Studies in Nursing Ethics** Sara T. Fry, Robert M. Veatch, 2000 Rev. ed of Case studies in nursing ethics Robert M. Veatch Sara T. Fry 1987 *The Principle of Fairness and Political Obligation* George Klosko, 2004 In *The Principle of Fairness and Political Obligation* George Klosko presents the first book-length treatment of political obligation grounded in the premises of liberal political theory In this now classic work he clearly and systematically formulates what

others thought impossible a principle of fairness that specifies a set of conditions which grounds existing political obligations and bridges the gap between the abstract accounts of political principles and the actual beliefs of political actors Brought up to date with a new introduction this new edition will be of great interest to all interested in political thought **Practical Reason in Law and Morality** Neil MacCormick, 2011-04-28 The concept of practical reason is central to contemporary thought on ethics and the philosophy of law acting well means acting for good reasons Explaining this requires several stages How do reasons relate to actions at all as incentives and in explanations What are values how do they relate to human nature and how do they enter practical reasoning How do the concepts of right and wrong fit in and in what way do they involve questions of mutual trust among human beings How does our moral freedom our freedom to form our own moral commitments relate to our responsibilities to each other How is this final question transposed into law and legal commitments This book explores these questions vital to understanding the nature of law and morality It presents a clear account of practical reason valuable to students of moral philosophy and jurisprudence at undergraduate or postgraduate levels For more advanced scholars it also offers a reinterpretation of Kant's views on moral autonomy and Smith's on self command marrying Smith's moral sentiments to Kant's categorical imperative in a novel way The book concludes and underpins the author's Law State and Practical Reason series Taken together the books offer an overarching theory of the nature of law and legal reason the role of the State and the nature of moral reason and judgement

Promise Is To Keep Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Promise Is To Keep**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve to the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Promise Is To Keep eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Promise Is To Keep full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Promise Is To Keep eBooks, including some popular titles.

FAQs About Promise Is To Keep Books

What is a Promise Is To Keep PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Promise Is To Keep PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Promise Is To Keep PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Promise Is To Keep PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Promise Is To Keep PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file?

You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
