

PROTECTING CHILDREN FROM ABUSE:

MULTI-PROFESSIONALISM AND THE CHILDREN ACT 1989

edited by Tricia David

Protecting Children From Abuse Multiprofessionalism And The Children Act 1989

Eunice Lumsden

Protecting Children From Abuse Multiprofessionalism And The Children Act 1989:

Protecting Children from Abuse Tricia David, 1994 The themes of this book are child protection in the light of the Children Act 1989 and the need to address multi professionalism so fostering mutual understanding among the different agency workers involved Chapters cover issues such as anti racist child protection living with uncertainty developing sensitive research methods and teacher education in child protection **Child Protection in England, 1960-2000**

Jennifer Crane, 2018-09-25 This book is open access under a CC BY 4.0 license This open access book explores how children parents and survivors reshaped the politics of child protection in late twentieth century England Activism by these groups often manifested in small voluntary organisations drew upon and constructed an expertise grounded in experience and emotion that supported challenged and subverted medical social work legal and political authority New forms of experiential and emotional expertise were manifested in politics through consultation voting and lobbying but also in the reshaping of everyday life and in new partnerships formed between voluntary spokespeople and media While becoming subjects of and agents in child protection politics over the late twentieth century children parents and survivors also faced barriers to enacting change and the book traces how long standing structural hierarchies particularly around gender and age mediated and inhibited the realisation of experiential and emotional expertise **The Child Protection Handbook** Kate

Wilson, Adrian L. James, 2007-04-26 This title is directed primarily towards health care professionals outside of the United States The new edition of this popular handbook gives an authoritative informative and accessible account of key areas of child protection practice Covering research policy and practice it is relevant to all professionals working in child care No other book on child protection offers such comprehensive coverage of policy and practice It provides research findings in all areas of child abuse latest policies and indications of good practice plus specialist chapters for different professionals Chapters have been contributed by known experts in the field both distinguished academics and practitioners By combining the latest factual information with sophisticated analysis it is the ideal course text for child protection programmes as well as meeting the needs of more experienced practitioners academics and trainers Practical Examines the issues grounded in reality and therefore gives the reader confidence in practice coupled with an understanding of the responsibilities of colleagues in other professions Comprehensive Covers a broad review of what constitutes child abuse and characteristics of the abused and the abusers medical social and legal management of the process of protection the actions involved in intervention and training and new directions for research and practice Authoritative Contributors are senior professionals known nationally and internationally for their specific expertise in this area Research based All books should be but amongst the professionals most closely involved in child protection the heavy workload often means there is little time to catch up on and assimilate up to date research fully This book offers a through guide to what research and policy initiatives can give to the practice of the reader new chapters addressing issues of culture and parenting each chapter contains key messages for

practitioners key websites have been listed a website on Evolve with supplementary material

Helping Troubled Pupils Chris Kyriacou, 2003 Addressing the new standards for newly qualified teachers in the area of helping troubled pupils this book explores the circumstances behind pupils problems and the role that schools can play in meeting their needs

Social Work Competences Antony A Vass, 1996-01-28 This original textbook provides an invaluable introduction to the required core knowledge values and skills in social work today Within the context of critical debate about knowledge values and skills a highly respected team of contributors focus their attention on three key areas social work with children and families community care and social work with adults and probation and social work with offenders One of the most important and innovative features of the text is that it offers a practical tool for readers to identify and monitor competences Knowledge values and skills are integrated to produce a set of competences the main components of which are then shown in practice as problem solving devices against wh

Child Protection in the Early Years Eunice Lumsden, 2018-03-21 Since the risk of abuse is highest in the early years it s vital that those working with young children understand how to support children who have encountered abuse This is a straightforward practical guide to creating safe environments for these children including exercises case studies and tips on working individually and in teams
