

Nancy Klein Maguire

Regicide and Restoration

English tragicomedy,
1660-1671

Regicide And Restoration

Deborah C. Payne

Regicide And Restoration:

Regicide and Restoration Nancy Klein Maguire, 1992-12-10 Focusing on the directions taken by tragicomedy and the court masque this book accounts for the shift in genre during the decade following the return of Charles II *Heroic Mode and Political Crisis, 1660-1745* Elaine M. McGirr, 2009 This book explores a cultural language the heroic that remained consistently powerful through the social political and dynastic turbulence of the long eighteenth century The heroic provided an accessible and vivid shorthand for the ongoing ideological debates over the nature of authority and power the construction of an ideal masculinity and the shape of a new British rather than English national identity An analysis of this cultural language and its different valence over time not only unpacks the overlap between aesthetic and political debate in the late seventeenth and early eighteenth centuries but also firmly grounds the eighteenth century's revolution in taste and manners in the ongoing ideological debates about dynastic politics and the foundations of authority Specifically the book traces the making and breaking of the Stuart mythology through the development of and attacks on the heroic mode from the Restoration through the aftermath of the 1745 Jacobite uprising Elaine McGirr is a Senior Lecturer in the departments of drama and English at Royal Holloway University of London Performing Early Modern Trauma from Shakespeare to Milton Thomas P. Anderson, 2016-12-05 An examination of political and cultural acts of commemoration this study addresses the way personal and collective loss is registered in prose poetry and drama in early modern England It focuses on the connection of representation of violence in literary works to historical traumas such as royal death secularization and regicide The author contends that dramatic and poetic forms function as historical archives both in their commemoration of the past and in their reenactment of loss that is part of any effort to represent traumatic history Incorporating contemporary theories of memory and loss Thomas Anderson here analyzes works by Shakespeare Marlowe Webster Marvell and Milton Where other studies about violent loss in the period tend to privilege allegorical readings that equate the content of art to its historical analogue this study insists that artistic representations are performative as they commemorate the past By interrogating the difficulty in representing historical crises in poetry drama and political prose Anderson demonstrates how early modern English identity is the fragile product of an ambivalent desire to flee history This book's major contribution to Renaissance studies lies in the way it conceives the representations of violent loss secular and religious in early modern texts as moments of failed political and social memorialization It offers a fresh way to understand the development of historical and national identity in England during the Renaissance **Political Communication and Political Culture in England, 1558-1688** Barbara J. Shapiro, 2012-11-07 This book surveys the channels through which political ideas and knowledge were conveyed to the English people from the beginning of the reign of Elizabeth I to the Revolution of 1688 Shapiro argues that an assessment of English political culture requires an examination of all means by which this culture was expressed and communicated While the discussion focuses primarily on genres such as the sermon newsbook poetry and drama it also

considers the role of events and institutions Shapiro is the first to explore and elucidate the entire web of communication in early modern English political life **The Devil from Over the Sea** Sarah Covington,2022 Since his brutal conquest of Ireland Oliver Cromwell has attained the status of Ireland's national ogre This book uncovers the ways in which he was memorialised and sometimes conveniently forgotten from 1660 to 1900 exploring his diverse personae in history writing religious works literature political polemic folklore and the landscape **Twenty-Two Turbulent Years 1639 - 1661** David C. Wallace,2013 A Chronological History of the British Civil Wars in England Scotland and Ireland covering all of the battles and other events An easy to use interactive ready reference covering the turbulent period between 1639 1661 **Paradise Reframed** Tobias Gabel,2016-06-06 In 1677 John Dryden poet laureate to the restored Charles II published *The State of Innocence* Emphatically advertised on its title page as an opera Dryden's book was based on *Paradise Lost* John Milton's 1667 epic about the fall and eventual restoration of mankind In the heated political climate of the 1670s the publication of this libretto suggested the bold and cunning appropriation of an idiosyncratic text widely viewed even then as a mirror of its author's theological and political opposition to the Restoration establishment Focusing on the historical background to Dryden's reframing of *Paradise Lost* this study recovers the various and often surprising contexts in which both works were written ranging from Restoration foreign and domestic policy to the contemporary book market and early modern habits of interpretation As becomes clear the process of adaptation by which Dryden *Servant to His Majesty* reconfigures *Paradise Lost* as an affirmatively royalist text skillfully defuses the radical and subversive potential of Milton's original while at the same time substituting through prefaces and topical allusions a clear political message of Dryden's own Seen together in their shared cultural historical context the intertwined histories of both texts shed light on the deeply politicised nature of Restoration literary culture offering a fresh view of the early reception history of a disputed and pre canonical *Paradise Lost*

Revolution, Regicide and Restoration Robin H. Silcock,1994-01-01 Discusses events that lead up to the execution of Charles I and subsequent parliamentary reforms Suggested level senior secondary *Shakespeare's Rise to Cultural Prominence* Emma Depledge,2018-07-26 Shakespeare's rise to prominence was by no means inevitable While he was popular in his lifetime the number of new editions and revivals of his plays declined over the following decades Emma Depledge uses the methodologies of book and theatre history to provide a re assessment of the reputation and dissemination of Shakespeare during the Interregnum and Restoration She demonstrates the crucial role of the Exclusion Crisis 1678 1682 a political crisis over the royal succession as a foundational moment in Shakespeare's canonisation The period saw a sudden surge of theatrical alterations and a significantly increased rate of new editions and stage revivals In the wake of the Exclusion Crisis Shakespeare's plays were made available on a scale not witnessed since the early seventeenth century thus reversing what might otherwise have been a permanent disappearance of his drama from canonical familiarity and firmly establishing Shakespeare's work in the national cultural imagination **A History of the European Restorations** Michael

Broers, Ambrogio A. Caiani, 2019-11-14 Europe's Restorations were characterised by their evolving dialectics. The chapters in this first volume address the key questions and controversies of Napoleonic history from a national and international perspective. From the re-ordering of the European world through the tools of intervention, occupation and diplomacy to the creation of new constitutional monarchies across France, Scandinavia and Germany, the volume outlines the processes that realigned national priorities and the accompanying dynamics of social and political identity. In a structure that makes sense of what Luigi Mascilli Migliorini describes as the fiendishly complex process of reconstructing order in post-Napoleonic Europe, this collection of essays brings together experts in the field to set a new precedent for transnational research frameworks in the study of the European Restorations.

Ravishment of Reason Brandon Chua, 2014-09-11 Ravishment of Reason examines the heroic dramas written for the restored English theatres in the later seventeenth century, reading them as complex and sophisticated responses to a crisis of public life in the wake of the mid-century regicide and revolution. The unique form of the Restoration heroic play, with its scenes of imperial conquest peopled by hesitating and indecisive heroes, interrogates traditional oppositions of agency and passivity, autonomy and servility that structure conventional narratives of political service and public virtue, exploring in the process new and often unsettling models of order and governance. Situating the dramas of Dryden, Behn, Boyle, Lee and Crowne in their historical and intellectual context of civil war and the destabilizing theories of government that came in its wake, Brandon Chua offers an account of a culture's attempts to reconcile civic purpose with political stability after an age of revolutionary change.

The King's Trial David P. Jordan, 1979 A great read about an important incident in French history: the trial and execution of the last king of France.

The Name and Nature of Tragicomedy Verna A. Foster, 2017-03-02 Focusing on European tragicomedy from the early modern period to the theatre of the absurd, Verna Foster here argues for the independence of tragicomedy as a genre that perceives and communicates human experience differently from the various forms of tragedy, comedy and the drame, serious drama that is neither comic nor tragic. Foster posits that in the sense of the dramaturgical and emotional fusion of tragic and comic elements to create a distinguishable new genre, tragicomedy has emerged only twice in the history of drama. She argues that tragicomedy first emerged and was controversial in the Renaissance and that it has in modern times replaced tragedy itself as the most serious and moving of all dramatic genres. In the first section of the book, the author analyzes the name tragicomedy and the genre's problems of identity; then she goes on to explore early modern tragicomedies by Shakespeare, Beaumont and Fletcher, and Massinger. A transitional chapter addresses cognate genres. The final section of the book focuses on modern tragicomedies by Ibsen, Chekhov, Synge, O'Casey, Williams, Ionesco, Beckett, and Pinter. By exploring dramaturgical similarities between early modern and modern tragicomedies, Foster demonstrates the persistence of tragicomedy's generic markers and provides a more precise conceptual framework for the genre than has so far been available.

The Early Modern Medea K. Heavey, 2015-02-24 This is the first book-length study of early modern English approaches to Medea, the

classical witch and infanticide who exercised a powerful sway over literary and cultural imagination in the period 1558-1688. It encompasses poetry, prose and drama and translation, tragedy, comedy and political writing. **Revisiting Shakespeare's Lost Play** Deborah C. Payne, 2017-02-02. This collection of essays centres on Double Falsehood, Lewis Theobald's 1727 adaptation of the lost play of Cardenio, possibly co-authored by John Fletcher and William Shakespeare. In a departure from most scholarship to date, the contributors fold Double Falsehood back into the milieu for which it was created, rather than searching for traces of Shakespeare in the text. Robert D. Hume's knowledge of theatre history permits a fresh take on the forgery question, as well as the Shakespeare authorship controversy. Diana Solomon's understanding of eighteenth-century rape culture and Jean I. Marsden's command of contemporary adaptation practices both emphasise the play's immediate social and theatrical contexts. And finally, Deborah C. Payne's familiarity with the eighteenth-century stage allows for a reconsideration of Double Falsehood as integral to a debate between Theobald, Alexander Pope and John Gay over the future of the English drama.

Remapping Early Modern England Kevin M. Sharpe, 2000-05. A collection of new and previously published essays on the culture of the English Renaissance state.

Stuart Women Playwrights, 1613-1713 Pilar Cuder-Domínguez, 2016-04-01. In the field of seventeenth-century English drama, women participated not only as spectators or readers but more and more as patronesses, as playwrights and later on as actresses and even as managers. This study examines English women writers' tragedies and tragicomedies in the seventeenth century, specifically between 1613 and 1713, which represent the publication dates of the first original tragedy, Elizabeth Cary's *The Tragedy of Mariam*, and the last one, Anne Finch's *Aristomenes*, written by a Stuart woman playwright. Through this one hundred-year period, major changes in dramatic form and ideology are traced in women's tragedies and tragicomedies. In examining the whole of the century from a gender perspective, this project breaks away from conventional approaches to the subject which tend to establish an unbridgeable gap between the early Stuart period and the Restoration. All in all, this study represents a major overhaul of current theories of the evolution of English drama, as well as offering an unprecedented reconstruction of the genealogy of seventeenth-century English women playwrights.

The Ottoman Turks in English Heroic Plays Işıl Şahin Güler, 2019-12-02. Contesting the argument that Restoration period drama referred almost exclusively to domestic social and political issues, this text interrogates the extent to which seventeenth-century heroic plays justify and perpetuate stereotypical representations of the Ottoman Turks in Western discourse. It provides a comprehensive account of representation of the Other based on difference. Joining historical discussions ranging from the Ottoman Empire's rise as a world power to the development of British imperial ideology, the book asserts that dramatic texts and production provide a rich and unexamined archive in which the issues of representation, difference and cultural stereotyping are attendant on the emergence of imperial figure largely. This account not only deciphers representation of the Ottoman Turks based on simplification and stereotyping in dramatic representations but also throws light on the most pressing political issues of

seventeenth century England including revolution regicide and restoration dramatized in the guise of the Ottoman Turks and Ottoman history The book s attention to the Ottoman related themes of a number of plays decisively redraws the map of Restoration drama *The Deaths of Louis XVI* Susan Dunn,2021-02-09 The public beheading of Louis XVI was a unique and troubling event that scarred French collective memory for two centuries To Jacobins the king s decapitation was the people s coronation To royalists it was deicide Nineteenth century historians considered it an alarming miscalculation a symbol of the Terror and the moral bankruptcy of the Revolution By the twentieth century Camus judged that the killing stood at the crux of our contemporary history In this book Susan Dunn investigates the regicide s pivotal role in French intellectual history and political mythology She examines how thinkers on the right and left repudiated regicide and terror while articulating a compassionate humanitarian vision which became the moral basis for the modern French nation Their credo of fraternity and unity however strangely depoliticized this supremely political act of regicide Using theoretical insights from Tocqueville Arendt Rawls Walzer and others Dunn explores the transformation of violent regicidal politics into an apolitical cult of ethical purity and an antidemocratic nationalist religion Her book focuses on the fluidity of political myths The figure of Louis XVI was transmuted into a Joan of Arc and a deified nation and the notion of his sacrifice contributed to the disquieting myth of a mystical community of self sacrificing citizens *The Regicides and the Execution of Charles 1* J. Peacey,2001-10-02 The events surrounding the trial of Charles I have been remarkably understudied by historians despite a wealth of information regarding both the proceedings and personalities involved and contemporary responses and reactions These essays submit one of the most momentous events in English history to rigorous scholarship contextualise it in the light of recent historiography not least regarding relations between the three kingdoms of Britain

Regicide And Restoration: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. Regicide And Restoration : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Regicide And Restoration : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Regicide And Restoration : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Regicide And Restoration Introduction

In today's digital age, the availability of Regicide And Restoration books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Regicide And Restoration books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Regicide And Restoration books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for

educational or professional purposes. By accessing Regicide And Restoration versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Regicide And Restoration books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Regicide And Restoration books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Regicide And Restoration books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Regicide And Restoration books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Regicide And Restoration books and manuals for download and embark on your journey of knowledge?

FAQs About Regicide And Restoration Books

What is a Regicide And Restoration PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Regicide And Restoration PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Regicide And Restoration PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Regicide And Restoration PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Regicide And Restoration PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
