Reginald Johnston Chinese Mandarin:

Reginald Johnston Shiona Airlie,2000 **Reginald Johnston** Shiona Airlie,2001 The colonial officer and scholar known for his role as tutor and advisor to the last Emperor of China Reginald Johnston had travelled throughout China before taking up his post in the imperial court This is a story of conflicting cultures and changing societies in the early 20th century

Scottish Mandarin Shiona Airlie,2012-10-01 Colonial administrator writer explorer Buddhist and friend to China s last emperor Sir Reginald Johnston 1874 1938 was a distinguished sinologist with a tangled love and family life that he kept secret even from his closest friends Born and educated in Edinburgh he began his career in the colony of Hong Kong and eventually became Commissioner of the remote British leased territory of Weihai in northern China He travelled widely and during a break from colonial service served as tutor and advisor to Puyi the deposed emperor As the only foreigner allowed to work in the Forbidden City he wrote the classic account of the last days of the Qing Dynasty Twilight in the Forbidden City Granted unique access to Johnston s extensive personal papers once thought to be lost Shiona Airlie tells the life of a complex and sensitive character whose career made a deep impression on 20th century China **Thistle and Bamboo** Shiona

Airlie,2010-10-01 Colonial civil servant Confucian scholar and collector of Chinese art Sir James Stewart Lockhart spent more than forty years in Hong Kong and Weihaiwei the former British leased territory in northern China His career reflects tension and upheaval in the emerging colony of Hong Kong and in a China rapidly giving way to civil war In her vivid biography of Stewart Lockhart Shiona Airlie presents a portrait of an imperial official who fought against racism strove to preserve the Chinese way of life and was treated by Chinese mandarins as one of their own Sir James Stewart Lockhart 1858 1937 was a Scot who served for more than 40 years as a colonial official in Hong Kong and Weihaiwei Britain s leased territory in northern China In Hong Kong 1879 1902 he rose to the highest levels and brought a refreshingly different approach to colonial rule He immersed himself in Chinese culture made friends with local leaders strengthened Chinese institutions and fought against racism When the colony was extended in 1898 he was given the important task of delineating the boundaries of the New Territories and organising its administration As Britain s first Civil Commissioner 1902 21 in remote Weihaiwei he brought a unique approach to administration a combination of Scottish laird and Confucian mandarin and maintained peace and order during troubled times A fine Chinese scholar he amassed a large collection of Chinese coins art and artefacts Shiona Airlie s lively account of Stewart Lockhart s life and times makes use of his private papers and extensive archival research This classic study provides valuable insight into the character career and friends of an imperial official of rare talent and achievement **1919 - The Year That Changed China** Elisabeth Forster,2018-03-05 The year 1919 changed Chinese

culture radically but in a way that completely took contemporaries by surprise At the beginning of the year even well informed intellectuals did not anticipate that for instance baihua a precursor of the modern Chinese language communism Hu Shi and Chen Duxiu would become important and famous all of which was very obvious to them at the end of the year

Elisabeth Forster traces the precise mechanisms behind this transformation on the basis of a rich variety of sources including newspapers personal letters student essays advertisements textbooks and diaries She proposes a new model for cultural change which puts intellectual marketing at its core This book retells the story of the New Culture Movement in light of the diversified and decentered picture of Republican China developed in recent scholarship It is a lively and ironic narrative about cultural change through academic infighting rumors and conspiracy theories newspaper stories and intellectuals hell bent on selling agendas through powerful buzzwords Borrowed Gods and Foreign Bodies Eric Reinders,2004-11-15 To the Victorians the Chinese were invariably inscrutable The meaning and provenance of this impression and most importantly its workings in nineteenth century Protestant missionary encounters with Chinese religion are at the center of Eric Reinders's Borrowed Gods and Foreign Bodies an enlightening look at how missionaries religious identity experience and physical foreignness produced certain representations of China between 1807 and 1937 Reinders first introduces the imaginative world of Victorian missionaries and outlines their application of mind body dualism to the dualism of self and other He then explores Western views of the Chinese language especially ritual language and Chinese ritual particularly the kow tow His work offers surprising and valuable insight into the visceral nature of the Victorian response to the Chinese and more generally into the nineteenth century Western representation of China China Bound Robert Bickers,2020-03-05 From its origins in Liverpool in 1816 one unusual British firm has threaded a way through two centuries that have seen tumultuous events and epochal transformations in technologies and societies John Swire Sons a small trading company that began by importing dyes cotton and apples from the Americas now directs a highly diversified group of interests operating across the globe but with a core focus on Asia From 1866 its fate was intertwined with developments in China with the story of steam and later of flight and with the movements of people and of goods that made the modern world China Bound charts the story of the firm its family owners and staff its operations its successes and its disasters as it endured wars uprisings and revolutions the rise and fall of empires China's Britain's Japan's and the twists and turns of the global economy This is the story of a business that reshaped Hong Kong developed Cathay Pacific Airways dominated China's pre Second World War shipping industry and helped pioneer containerization Robert Bickers remarkable new book is the history of a business and of its worlds of modern China Britain and of the globalization that entangled them of compradors ship owners and seamen sugar travellers tea tasters and stuff merchants revolutionaries pirates and Taipans Essential reading for anyone with an interest in global commerce China Bound provides an intimate history that helps explain the shape of Asia today

Keeping Democracy at Bay Suzanne Pepper,2008 This thoroughly researched study provides an invaluable account of Hong Kong's political evolution from its founding as a British colony to the present Exploring the interplay between colonial capitalist communist and democratic forces in shaping Hong Kong's political institutions and culture Suzanne Pepper offers a fresh perspective on the territory's development and a gripping account of the transition from British to Chinese rule The

author carries her narrative forward through the lives of significant figures capturing the personalities and issues central to understanding Hong Kong's political history Bringing a balanced view to her often contentious subject she places Hong Kong's current partisan debates between democrats and their opponents within the context of China's ongoing search for a viable political form The book considers Beijing's increasing intervention in local affairs and focuses on the challenge for Hong Kong's democratic reformers in an environment where ultimate political power resides with the communist led mainland government and its appointees

Inside the World of the Eunuch Melissa S. Dale, 2018-11-01 The history of Qing palace eunuchs is defined by a tension between the role eunuchs were meant to play and the life they intended to live This study tells the story of how a complicated and much maligned group of people struggled to insert a degree of agency into their lives Rulers of the Qing dynasty were determined to ensure the eunuchs subservience and to limit their influence by imposing a management style based upon strict rules corporal punishment and collective responsibility Few eunuchs wielded significant political power or lived in a lavish style during the Qing dynasty Emasculation and employment in the palace placed eunuchs at the center of the empire yet also subjected them to servile status and marginalization by society Seeking more control over their lives eunuchs serving the Qing repeatedly tested the boundaries of subservience to the emperor and the imperial court This portrait of eunuch society reveals that Qing palace eunuchs operated within two parallel realms one revolving around the emperor and the court by day and another among the eunuchs themselves by night where they recreated the social bonds through drinking gambling and opium smoking denied them by their palace service Far from being the ideal servants eunuchs proved to be a constant source of anxiety and labor challenges for the Qing court For a long time eunuchs have simply been cast as villains in Chinese history Inside the World of the Eunuch goes beyond this misleadingly one dimensional depiction to show how eunuchs actually lived during the Qing dynasty This book is a thorough and responsible account of eunuch life during the Qing dynasty which takes us deep inside the Forbidden City and introduces the often underclass families who provided servants to the Qing monarchs R Kent Guy University of Washington This is a unique study of Chinese eunuchs in which Melissa Dale proves that they were a necessary and vital presence in the palace of the last dynasty in China She explores all aspects of their life to the end of their existence while avoiding the temptation to sensationalize them Keith McMahon University of Kansas

Portugal, China and the Macau Negotiations, 1986-1999 Carmen Amado Mendes, 2013-05-01 On December 20 1999 the city of Macau became a Special Administrative Region of China after nearly four hundred and fifty years of Portuguese administration Drawing extensively on Portuguese and other sources and on interviews with key participants this book examines the strategies and policies adopted by the Portuguese government during the negotiations The study sets these events within the larger context of Portugal's retreat from empire the British experience with Hong Kong and changing social and political conditions within Macau A weak player on the international stage Portugal was still able to obtain concessions during the negotiations notably in the timing of the retrocession and

continuing Portuguese nationality arrangements for some Macau citizens Yet the tendency of Portuguese leaders to use the Macau question as a tool in their domestic political agendas hampered their ability to develop an effective strategy and left China with the freedom to control the process of negotiation War and Revolution in South China Edward J. M.

Rhoads,2021-09-10 In War and Revolution in South China Edward Rhoads recounts his childhood and early teenage years during the Sino Japanese War and the early postwar years Rhoads came from a biracial family His father was an American professor while his Chinese mother was a typist and stenographer In the late 1930s and the 1940s the Rhoads family lived through the turbulent years in southern China and Hong Kong The book follows Rhoads childhood in Guangzhou his family s evacuation to Hong Kong his father s internment and repatriation to the United States and his and his mother s flight to Free China He recalls his reunion with family members in northern Guangdong Province in 1943 their retreat to China s wartime capital of Chongqing where his father worked for the American government and how they returned to Guangzhou after the war The Rhoads family then witnessed the socioeconomic recovery in the city and the regime change in 1949 The book ends with their departure from China to the United States in 1951 a year and a half after the Communist revolution The book fills an important gap in the scholarship by examining the impact of the Sino Japanese War in southern China from the perspective of one family Rhoads reveals that the war in this region while often neglected by scholars was in fact no less turbulent than it was in northern and central China He combines autobiography with serious historical research to reconstruct the lives of his family consulting a large number of archival documents private correspondence and scholarly literature to produce a rare study that is both scholarly and accessible This book is a very timely reminder that one should look at the experience of China during the Second Sino Japanese War and the Second World War from a regional perspective in order to understand the diverse historical experience of the people from different geographical ethnic cultural and social backgrounds Chi man Kwong Hong Kong Baptist University A pleasure to read and of compelling interest Edward Rhoads book explores the more benign side of the foreign influence in modern China the introduction of modern educational institutions The intriguing lens through which we look is his biracial family their multiple flights across southern China as refugees escaping war and their eventual expulsion from China Stephen Davies The University of Hong Kong **One Man**

Talking: Selected Essays of Shao Xunmei, 1929-1939 Paul Bevan,Susan Daruvala,2023-07-19 Shao Xunmei poet essayist publisher and printer played a significant role in the publication and dissemination of journals and pictorial magazines in Shanghai during the 1920s and 1930s His poetry has been translated by several prominent scholars through the years but remarkably few of his essays have received the same attention and this is the first collection of his prose writings to be published in English Shao has been described by a phalanx of scholars as the most seriously underestimated modern cultural Chinese figure This collection of his writings joins several recent publications that aim to raise Shao s literary and historical profile It will appeal to a broad swathe of readers interested in the transnational and transcultural dimensions of twentieth

century experience that have become so important for contemporary scholarship The essays in this book some of which were selected by the writer's daughter Shao Xiaohong include long essays such as One Man Talking and A Year in Shanghai as well as several shorter essays on subjects as diverse as the caricatures of Miguel Covarrubias woodblock printing and pictorial magazines all of which were published in Shao's own magazines Although his essays may be less well known than those of other writers of the same period without his unique and valuable contribution the literary artistic and poetic worlds of twentieth century Shanghai would have been very different indeed "A Truthful Impression of the Country" Nicholas J. Clifford, 2001 An examination of the writings of travelers to China in the late nineteenth and early twentieth centuries

Mark Of The Scots - Cl Duncan A. Bruce, 2014-06-16 Here is the first ever celebration of all things and all people of Scottish descent While relatively few in number the Scots have certainly made their mark on the world More the seventy five percent of all American presidents have had Scottish ancestors although fewer than five percent of the American population is of Scottish descent Almost eleven percent of all the Nobel Prizes ever awarded have involved Scots and their descendants even though fewer than one half percent of the people of the world can claim Scottish ancestry At least five of the twelve astronauts who have walked on the moon were descended from Scots Today there are almost 28 million people of Scottish ancestry in the world over 12 million of whom reside in the United States about 4 million in Canada and about 5 million in Scotland Scottish accomplishments throughout history in every field of endeavor from science to the arts to politics and exploration rival those of even the largest ethnic groups Scots have been significant in most of the major inventions of the past three centuries including the steam engine the telegraph the telephone radio television the computer transistor and the motion picture People as diverse as Sir Isaac Newton Charles de Gaulle Katharine Hepburn Winston Churchill Elizabeth Taylor Immanuel Kant Sir Laurence Olivier Elvis Presley Edvard Grieg John D Rockefeller and Ty Cobb could claim Scottish ancestry Warsaw Madrid La Paz and Stockholm have all had mayors of Scottish Descent The Mark of the Scots contains thousands of facts and is fully annotated It is a comprehensive and readable book that deserves a place on the shelf of every genealogist Scottish American and history buff Scotland and China , 2025-02-20 This volume written by young and established scholars surveys the role of China in Scottish literature and the translation and reception of Scottish literature in China Part 1 considers how the image of China has been constructed by Scottish writers Topics include the translation of classical and contemporary Chinese literature into both Scots and English and orientalist tropes in Scottish fiction Part 2 discusses how Chinese translators over a turbulent century have rendered into Chinese the work of writers from Robert Burns to David Greig It also shows how commercial success in today's China can shape a writer's career *The Mark of the Scots* Duncan A. Bruce, 1998 Celebrates the accomplishments of Scots and people of Scottish descent from Immanuel Kant to Elvis Presley *The Best China* John Minford, 2021-01-15 The Best China an expression traditionally used to refer to the finest crockery brought out when one is entertaining special guests has been adapted here to mean the Best Chinese

Tradition of free thinking discursive prose This anthology of essays from Hong Kong and the diaspora ranging across the past hundred and seventy years records the intellectual ferment that has always characterised the city since its founding in 1842 sometimes restless and questioning sometimes meditative and lyrical always civilised and buoyed by an all pervasive and indomitable spirit of freedom **Buddhist China, by Reginald Fleming Johnson** Sir Reginald Fleming Johnston, 1913

Twilight in the Forbidden City Reginald F. Johnston, 2011-06-30 Johnson's account of the last years of the Chinese Qing dynasty provides a unique Western perspective on this historic period **New York Times Saturday Review of Books and Art**, 1934
