Regional Integrations In The New World Economic Environment:

Regional Integrations in the New World Economic Environment András Inotai,1986 The Economics of Regional Integration Sándor Gyula Nagy,2025-03-12 This book develops a new methodological framework for measuring the efficiency of regional integration and the integration profile of member states It includes rich case studies which offer a comparative analysis of ten integrations spanning four continents The Americas the European Union Africa and Asia The Economics of Regional Integration shows the importance of regional economic integration in the world economy based partially on descriptive analyses the authors new methodological framework and a new composite index integration profile It implements and quantifies relevant theories e g integration maturity competitiveness economic development convergence to one framework and a composite indicator This helps to arrive at a more precise measurement of these integrations resulting in useful feedback for decision makers and leading to policy recommendations for each organisation to improve efficiency or to include new members The text presents a comparative perspective of regional integration based on case studies by applying the same theoretical framework and a comprehensive methodology for assessing the economic readiness of membership seeking countries while also considering regional differences It investigates the impact of regional integration on income inequality and poverty reduction by examining how common development economic policies and social programs implemented by regional organizations affect the distribution of income and wealth among member states The comprehensive investigation of regional integration covering economic social and institutional factors makes the book highly relevant for advanced students researchers and scholars Additionally its potential policy context application makes it useful for policymakers and practitioners participating in regional integration programs Asia-Pacific in the New World Order Christopher Brook,Anthony McGrew,2013-11-05 Asia Pacific in the New World Order critically explores the notion that a distinctive regional power bloc is developing linking countries bordering the Pacific with East Asia at its core This student friendly volume sheds light on the complex interplay between global regional and national forces which have transformed the Asia Pacific area into one of the most vibrant and economically successful regions in the world Historical narratives alongside geopolitical and geoeconomic perspectives are deployed to examine the shifting pattern of power relations and security structures across the region set within a wider world context Key issues addressed include what are the primary security problems of the region and how are they being resolved does the dynamic growth of the region and particularly the rise of China pose a challenge to existing structures of world order The text has a strong interdisciplinary flavour drawing on analytical approaches from the international relations political economy and political geography literature Authors have been drawn from the Asia Pacific region and the UK and all are established scholars in their specialist fields **At the Crossroads of Development** Behar,Cuzán,2021-11-01 The 10 articles assembled in this volume examine old problems and new opportunities in development that are associated with trade communication population distribution and migration

culture and institutions They explore possibilities for and obstacles to technological and institutional transfers between developed and developing societies at a time when capitalism and democracy appear triumphant Points of convergence parallel processes and equivalences in social problems and potential solutions across levels of development are noted They point out that the hierarchy of the world economic system and indigenous cultures militate against the homogenization of the globe along Western lines

The Arab Maghreb Union Mr.Mohamad Ali Finaish,Eric Bell,1994-05-01 The Founding Treaty of the Arab Maghreb Union AMU signed in February 1989 calls for a strengthening of all ties among its member states Algeria Libya Mauritania Morocco and Tunisia including a gradual move toward free circulation of goods services and factors of production among them The paper provides an overview of the economic conditions in the AMU member countries describes the institutional arrangements under the AMU and assesses the progress made in attaining the economic objectives of the Treaty In so doing the paper identifies the main obstacles encountered in making progress toward the objectives of the Treaty and reviews actions that need to be taken to make further progress in the coming years In that context the paper also examines the relationship of the AMU countries with the European Union EU

Economic Cooperation and Integration Among Developing Countries ,1981 **ERS Staff Report** ,1991 *Japan and a New World Economic Order* Kyoshi Kojima,2010-11-01 President Nixon s new economic policy of August 1971 aggravated by the oil problem since October 1973 caused chaos and uncertainty in the international trade and currency system There were fears of another 1930s style depression In addition a world food shortage and strident claims by developing countries for perpetual sovereignty over resources added another set of difficulties This volume written from Japan s standpoint suggests a new direction for the world and regional economic order The book tackles two major issues in international economics Firstly traditional international trade theory aims only at static maximization in the use of world human and material resources but the author stresses more attention should be paid to such dynamic or developmental elements as population growth immigration natural resource development improvement in transfer of technology economies of scale direct foreign investment and economic integration in order to create development centres or sectors in the world economy Secondly the author discusses how to combine a global and regional approach to economic integration

Regional Integration in Europe and Latin America Pierre van der Haegen,2019-10-28 Originally published in 2004 This comprehensive collection provides an innovative analysis and a comparison between economic and financial integration in Europe and Latin America addressed from a global regional and country specific perspective It constitutes a valuable overview focusing on three topics regional integration and monetary cooperation in Europe and Latin America exchange rate strategies and financial sector structure The collection is the outcome of a Workshop and high level Seminar organized by the Banco de Espa a and the European Central Bank that brought together senior European and Latin American central bankers as well as senior representatives from international institutions The 31 contributors presented high quality papers allowing the reader to take
