individual agency conditions and governs girls educational participation in Nepal      Simultaneous Identities Uma Pradhan,2020-12-03 The recent socio political changes in Nepal have brought assimilationist notions of Nepali nationalism under a tight scrutiny and drawn attention to more plural inclusive and diverse notions of Nepaliness However both assimilationist and pluralist visions continue to remain normative in their approach and often posit ethnic and national identity in opposition to each other Drawing on the everyday practices in the two schools this book illustrates that social actors in minority language education did not necessarily select between minority identity and national identity but instead made simultaneous claims to more than one social identity by discursively positioning ethnic identity as national identity It builds on the notion of simultaneity to illustrate that it is through the unresolved co presences of apparently contradictory ways that people maintain their multi layered identities By arguing for an analytical necessity to adopt relational approach it aims to complicate the neat compartmentalisation of identities      China's India War Bertil Lintner,2018-01-25 The Sino Indian War of 1962 delivered a crushing defeat to India not only did the country suffer a loss of lives and a heavy blow to its pride the world began to see India as the provocateur of the war with China merely defending its territory This perception that China was largely the innocent victim of Nehru s hostile policies was put forth by journalist Neville Maxwell in his book India s China War which found readers in many opinion makers including Henry Kissinger and Richard Nixon For far too long Maxwell s narrative which sees India as the aggressor and China as the victim has held court Nearly 50 years after Maxwell s book Bertil Lintner s China s India War puts the border dispute into its rightful perspective Lintner argues that China began planning the war as early as 1959 and proposes that it was merely a small move in the larger strategic game that China was playing to become a world player one that it continues to play even today      *Landlordism, Tenants and the Groundwater Sector* Fraser Sugden,2015-06-16      *Animal Sacrifice, Religion and Law in South Asia* Daniela Berti,Anthony Good,2023-07-13 This book presents original research on the controversies surrounding animal sacrifice in South Asia through the lens of court cases It focuses on the parties involved in these cases on their discourses motivations and contrasting points of view Through an examination of judicial files court decisions and newspaper articles and interviews with protagonists the book explores how the question of animal sacrifice is dealt with through administrative legislative and judicial practice It outlines how although animal sacrifice has over the ages been contested by various religious reform movements the practice has remained widespread at all levels of society especially in certain regions It reveals that far from merely being a religious and ritual question animal sacrifice has become a focus of broader public debate and it discusses how the controversies highlight the contrast between traditional and reformist understandings of Hinduism the conflict between the core legal and moral principles of religious freedom and social progress and the growing concern with environmental issues and animal rights The Introduction Chapter 1 Chapter 2 and Chapter 7 of this book are available for free in PDF format as Open Access from the individual product page at [www.taylorfrancis.com](http://www.taylorfrancis.com) It has been made available
