Learning Science Through Drama Debra McGregor,Dayle Anderson,2023-01-01 This book presents a wide range of international perspectives that explore the different ways the diverse forms of drama supports learning in science It illustrates how learning science by adopting and adapting theatrical techniques can offer more inclusive ways for students to relate to scientific ideas and concepts The theatrical processes by which subject matter can be introduced thought about discussed transformed enacted and disseminated are shown to be endless The first section of the book considers different ways of theorising and applying drama in classrooms The second section provides a range of case studies illustrating how role play performance embodiment and enquiry approaches can be utilised for learning in primary secondary and tertiary education contexts The third section demonstrates how different research methods from questionnaires particular kinds of tests and even the theatrical conventions themselves can provide rich data that informs how drama impacts on learning science

Youth and Performance: Perceptions of the Contemporary Child Geesche Wartemann,Tülin Sağlam,Mary McAvoy,2015-04-30 This publication is the outcome of the third International Theatre for Young Audiences Research ITYARN conference in conjunction with an ASSITEJ World Congress and Festival held in Warsaw Poland in 2014 The ITYARN conferences themes always give a very broad frame to invite researchers from different countries and with diverse Theatre for Young Audiences TYA traditions as well as diverse academic cultures to contribute to an international exchange about TYA While exiting this exchange is always a challenge How to talk about aesthetic experiences and concepts of childhood in an intercultural dialogue This is not just a question of translation but also of culturally determined concepts of TYA Last but not least are the academic attitudes and modes of critical discussion themselves which are culturally informed and shaped by individual experiences With this publication ITYARN once again takes up this most interesting task of developing intercultural exchange about TYA It offers space for a diversity of author contributions and it invites readers with academic and or artistic backgrounds to look for new inspirations for his or her reflections on TYA Rehearsing the Band, Volume 3 John Zarco,2017-11-01 Meredith Music Resource Directors included in this publication represent the very best of the best

with years of experience conducting and teaching They freely share their ideas techniques and philosophies that are sure to enrich anyone who reads this book Includes chapters by Harvey Benstein Richard Clary Steve Davis Rodney Dorsey Amanda Drinkwater Patrick Dunnigan Richard Floyd Robert Halseth Robert Ponto Robert Taylor and Frank Wickes with a foreword by Craig Kirchhoff **Education In Drama** David Hornbrook,2012-11-12 Hornbrook referring to current legislation argues the case for an organized curricular framework for drama in the 1990s which develops in children the activities of designing directing acting writing and evaluating all within the range of the historic context of dramatic work He asserts that recent drama teaching in Britain has been child centred and psychological and viewed as a learning medium rather than as an aesthetic study in itself This he believes has had the effect of cutting children off from the variegated world of the theatre and in the broader sense from any collective aesthetic or historical dimension This book is intended mainly for the use of primary and secondary school teachers **Encyclopedia of Teacher Education** Michael A. Peters,2022-08-26 This encyclopaedia is a dynamic and living reference that student teachers teacher educators researchers and professionals in the field of education with an accent on all aspects of teacher education including teaching practice initial teacher education teacher induction teacher development professional learning teacher education policies quality assurance professional knowledge standards and organisations teacher ethics and research on teacher education among other issues The Encyclopedia is an authoritative work by a collective of leading world scholars representing different cultures and traditions the global policy convergence and counter practices relating to the teacher education profession The accent will be equally on teaching practice and practitioner knowledge skills and understanding as well as current research models and approaches to teacher education Developing Drama Skills 11-14 Joss Bennathan,2000 Offers a framework for developing a Key Stage 3 Drama curriculum which ensures key skills and concepts are taught in a coherent and structured way Back cover

Teaching Postdramatic Theatre Glenn D'Cruz,2018-04-06 This book explores the concept and vocabulary of postdramatic theatre from a pedagogical perspective It identifies some of the major anxieties and paradoxes generated by teaching postdramatic theatre through practice with reference to the aesthetic cultural and institutional pressures that shape teaching practices It also presents a series of case studies that identify the pedagogical fault lines that expose the power relations inherent in teaching with a focus on the higher education sector as opposed to actor training institutions It uses auto ethnography performance analysis and critical theory to assist university teachers involved in directing theatre productions to deepen their understanding of the concept of postdramatic theatre Drama Research Methods: Provocations of Practice ,2018-11-26 At a time when universities demand immediate and quantifiable impacts of scholarship the voices of research participants become secondary to impact factors and the volume of research produced Moreover what counts as research within the academy constrains practices and methods that may more authentically articulate the phenomena being studied When external forces limit methodological practices research innovation slows and homogenizes This book aims to address

the methodological interpretive ethical procedural challenges and tensions within theatre based research with a goal of elevating our field's research practice and inquiry Each chapter embraces various methodologies positionalities and examples of mediation by inviting two or more leading researchers to interrogated each other's work and in so doing highlighted current debates and practices in theatre based research Topics include ethics method audience purpose mediation form aesthetics voice data generation and research participants Each chapter frames a critical dialogue between researchers that take multiple forms dialogic interlude research conversation dramatic narrative duologue poetic exchange etc

Language Testing and Assessment: Practices and Challenges in the 21st Century Dr. Henry Hartono, Despite the fact that language assessment has become one of the most crucial aspects of language teaching there have been many challenges faced by teachers and language test designers New challenges include online language classroom assessment and language assessment for class teachers who use English as the medium of instruction EMI The time of covid 19 pandemic will not stop the increased need for language assessment Therefore issues in language testing and assessment are worth to be well documented through academic articles

Bibliographic Guide to Theatre Arts New York Public Library. Research Libraries, 1988 **Bibliographic Index**, 1991 The Oxford Handbook of Shakespeare and Performance James C. Bulman, 2017-11-16 The Oxford Handbooks to Shakespeare are designed to record past and present investigations and renewed and revised judgments by both familiar and younger Shakespeare specialists Each of these volumes is edited by one or more internationally distinguished Shakespeareans together they comprehensively survey the entire field Shakespearean performance criticism has firmly established itself as a discipline accessible to scholars and general readers alike And just as performances of the plays expand audiences understanding of how Shakespeare speaks to them so performance criticism is continually shifting the contours of the discipline The 36 contributions in this volume represent the most current approaches to Shakespeare in performance They are divided into four parts Part I explores how experimental modes of performance ensure Shakespeare's contemporaneity Part II tackles the burgeoning field of reception how and why audiences respond to performances as they do Part III addresses the ways in which technology has revolutionized our access to Shakespeare both through the mediums of film and sound recording and through digitalization Part IV grapples with global Shakespeare considering matters of cultural appropriation in productions played for international audiences Together these ground breaking essays attest to the richness and diversity of Shakespearean performance criticism as it is practiced today
