## Reign Of Mary I 2nd Edition:

**The Reign of Mary I** Robert Tittler, Judith Richards, 2014-07-22 Until recently the reign of Mary Tudor was generally seen as a sterile interlude in the Tudor century with Mary herself dismissed as Bloody Mary Extensive research in the past several decades has overturned these assumptions in almost every respect In this succinct and up to date introduction to Mary s reign Tittler and Richards provide new insight into the circumstances of Mary s accession and go on to show that her reign was a lot more stable and her regime much more competent and innovative than once believed This fully revised third edition includes a diverse range of primary sources and sheds new light on a variety of topics such as The complexities of Mary s relations with Philip of Spain The restoration of Catholicism The use of visual as well as literary means to legitimize and support Mary s rule The context for the war with France This concise and thought provoking introduction is ideal for students and interested readers at all levels

**The Birth of a Queen** Sarah Duncan, Valerie Schutte, 2016-08-29 Marking the 500th year anniversary of the birth of Queen Mary I in 1516 this book both commemorates her rule and rehabilitates and redefines her image and reign as England s first queen regnant In this broad collection of essays leading historians of queenship or monarchy explore aspects of Mary s life from birth to reign to death and cultural afterlife giving consideration to the struggles she faced both before and after her accession and celebrating Mary as a queen in her own right

Mary I (Penguin Monarchs) John Edwards, 2016-10-27 The elder daughter of Henry VIII Mary I 1553 58 became England s ruler on the unexpected death of her brother Edward VI Her short reign is one of the great potential turning points in the country s history As a convinced Catholic and the wife of Philip II king of Spain and the most powerful of all European monarchs Mary could have completely changed her country s orbit making it a province of the Habsburg Empire and obedient again to Rome These extraordinary possibilities are fully dramatized in John Edward s superb short biography The real Mary I has almost disappeared under the great mass of Protestant propaganda that buried her reputation during her younger sister Elizabeth I s reign But what if she had succeeded
