Reincarnation Joel Bjorling, 2013-08-21 First Published in 1996 You may have lived before As a matter of fact you may have experienced countless lifetimes This statement constitutes the basic premise of reincarnation which is also called transmigration and metempsychosis This volume explores the origins and development of the belief of reincarnation

Through Time Into Healing Brian L. Weiss, 2012-05-08 The book that sheds new light on reincarnation and the extraordinary healing potential of past life and hypnotic regression therapy from the New York Times bestselling author of *Many Lives Many Masters* Brian Weiss made headlines with his groundbreaking research on past life therapy in *Many Lives Many Masters* Now based on his extensive clinical experience he builds on time tested techniques of psychotherapy revealing how regression to past lifetimes provides the necessary breakthrough to healing mind body and soul Using vivid past life case studies Dr Weiss shows how regression therapy can heal grief create more loving relationships uncover hidden talents and ultimately shows how near death and out of body experiences help confirm the existence of past lives Dr Weiss includes his own professional hypnosis dream recall meditation and journaling techniques for safe past life recall at home Compelling and provocative *Through Time Into Healing* shows us how to help ourselves lead healthy productive lives secure in the knowledge that death is not the final word and that the doorways to healing and wholeness are inside us **Are We Immortal?** Dr.

Dharmdeo N. Singh, 2015-07-06 The answer is yes Am I body or soul When we say it is my body it is my hand it is my car or it is my house etc it means that I own these things including my body So I cannot be these things So I am soul when the soul gets out of the body at the time of death although all its parts are present but nonfunctional Whole body is either cremated or buried which eventually disintegrates Some of us believe in reincarnation or rebirth Dr Ian Stevenson of the Department of Psychology and Neurology University of Virginia has studied three thousand cases as of 1987 from all parts of the world Each one of them said I remember my previous life and verified by Dr Stevenson and published Refer it in my chapter *Rebirth Chapter Characteristics of soul* It is self exemplified and other quotations from Hindu scriptures The soul to begin with was pure as 24 carat gold But after when it gets in the body of living beings and especially human body it becomes impure due to good and bad actions karma Then it needs to be pure again in order to be immortal For this it needs Gods grace prayer meditation and other means to mingle with God as water of Rivers merge with water of sea and become salty water as of the sea

Reincarnation Are these sorts of things Jewish With a blend of candor personal questioning and sharp eyed scholarship Rabbi Elie Kaplan Spitz relates his own observations and the firsthand accounts shared with him by others experiences that helped propel his journey from skeptic to believer that there is life after life From near death experiences to reincarnation past life memory to the work of mediums Rabbi Spitz explores what we are really able to know about the afterlife and draws on Jewish texts to share that belief in these concepts so often approached with reluctance is in fact true to Jewish tradition The increasing interest and faith in survival of the soul may grow into a cultural wave that is as potentially transformative for society as the civil rights movement and feminism A renewed faith in the soul s journeys will call for a reassessment of our priorities and will enable traditional religions to renew and transform their adherents from the Introduction *Death Unmasked* Rick Sulik,2019-06-14 *Death Unmasked* written by a thirty nine year veteran cop is a suspenseful mystery police thriller spanning lifetimes using karma psychic ability remote viewing and out of body experience to out wit an evil incarnated entity stalking women in Houston Texas With each murder the madman quotes an excerpt from the Oscar Wilde poem *The Ballad of Reading Gaol* A huge smokestack belching smoke a ragged flea market double breasted wool coat and an old antique picture frame bring the distant past back to haunt Houston Homicide Detective Sean Jamison With those catalysts Jamison knows who he was in a past life and that he lost the only woman he could ever love Searching for his reincarnated mate becomes Jamison s raison d tre as he and fellow detectives scour Houston for a brutal serial killer The memory of timeless love drives Jamison s dogged search for a serial killer determined to finish what he started decades earlier Each clue brings Jamison closer to unmasking his old nemesis Tenacious police work lessons learned in the past and intuition may be the only weapons he has in preventing history from repeating itself A Novel of Past Lives Retribution

The Division of Consciousness Peter Novak,1997-05-01 Drawing on mythology psychology religion and science as well as past life regression and near death experiences Peter Novak explores the nuances of what really happens to the soul after death Eastern and Western philosophies have disagreed on this point for centuries After ten years of intensive investigation his conclusions are a ground breaking blend of east and west explaining how this division may have arisen and how it is likely to be resolved **The Revelation (New Revised Edition)** Bodo Balsys,2022-09-06 This book presents basic postulates concerning many esoteric concepts These include the concept of God what constitutes evil the nature and function of karma the manifestation of energy from the subtle planes of perception the nature of manifest Divinity as veiled by the concept of the Christ in the Bible and the mysteries of Being The analysis moves from my earlier Buddhist writings to focus upon the information in the Bible especially in relation to the nature of the reappearance of the Christ which here is equated with the externalisation process of the Hierarchy of Enlightened Being This doctrine concerns the mode of the evolution of transcendent perception by humanity The awakening of higher spiritual perceptions via the enlightenment path and the understanding of the psychic constitution of the n s and chakras are also explained A syncretic approach is therefore

espoused through the comparison between Eastern doctrines and the presented esoteric Christianity In doing so many of the veiled hidden mysteries in the Gospel story and the book of Genesis are revealed The text shows how these religions are but aspects of one fundamental religious evolution of the historical development of what is known in the East as the dharma and in the Western tradition as the Law of God **Awakening the Soul** Bill Missett,2008-05-21 Awakening The Soul The Trilogy includes ATS Book One Proof of Our Spiritual Nature which itemizes more than 80 characteristics of our spiritual nature many very familiar and explains 10 of them in depth ATS Book 2 Our Suppressed Spiritual Nature which explains why we are so out of touch with our spiritual nature primarily through suppression of those traits by religions primarily Christianity and ATS Book 3 Restoring Your Spiritual Nature contains detailed channeled instructions to restore immediate awareness of your spiritual nature which has proven highly successful in doing just that
