Reinventing Sunday Breakthrough Ideas For Transforming Worship:

Reinventing Sunday Brad Berglund, 2001 Explores the purposes and possibilities of the worship experience in ways that inspire people to make worship at their church all that it can be **The Living Church**, 2001-07 Better Sundays Begin on Monday David W. Manner, 2020-09-15 Reviewing game film is a discipline that sports teams often incorporate after each game Teams watch game videos to identify mistakes make adjustments consider radical changes and highlight successes The goal of this analysis is to facilitate individual and team improvements that will positively affect subsequent games The fundamental reason why a team needs adjustments is not always evident in the middle of the game But evaluating important elements after a game gives coaches and players the opportunity to review individual plays and players in a more relaxed setting away from the time constraints and pressures of the game So why aren't pastors and worship teams incorporating similar evaluative practices Implementing a collaborative process of analyzing worship services or planning for upcoming services requires a deep level of humility trust and shared accountability It also requires selfless leaders who are willing to sacrifice their own ideas and interests for the greater worshiping good of the congregation *Better Sundays Begin on Mondays* offers foundational worship considerations to help leadership teams ask questions evaluatively rather than defensively These weekly reflections encourage worship leaders and their teams to think beyond style to biblical and theological worship content **The Younger Evangelicals** Robert E. Webber, 2002-10-01 Robert E. Webber has led worship workshops in every major city in the United States and Canada Through his conversations and contacts with a network of emerging church leaders he calls the younger evangelicals Webber sees how this new generation and their style of leadership is bringing change and renewal to the evangelical church These leaders who include those young in spirit as well as young in age have important insights to offer all generations faced with doing church in a rapidly changing postmodern culture *The Younger Evangelicals* explores the characteristics of these emerging leaders and provides an outlet for their stories Beginning with a brief overview of twentieth century evangelicalism Webber examines what is different about the twenty first century younger evangelicals way of thinking about faith and practicing church He allows them Ph D s and laypeople to speak in their own words on issues such as communication theology apologetics pastoral leadership evangelism worship and spiritual formation Thought provoking energizing and timely *The Younger Evangelicals* is a landmark book for pastors and church leaders culture watchers ministry students and worship leaders who want to prepare for and respond to the new evangelical awakening brought on by our changing cultural context *Waiting to Go!* James Abbingtion, Linda H.
