Charisma with Character Patrice Montgomery, 2007 Healing the Dysfunctional Church Family: When Destructive Family Patterns Infiltrate the Body of Christ David Mains, 2014-10-18 Christians don t check their dysfunctional habits at the church door Coiffed and buttoned down on the outside inside we still bring our compulsions and addictions our urges to criticize compare and deny Try as we might to cover up we often behave in church just like we do at home It s time to stop pretending No church is perfect just as no family is perfect This book calls us to accept the church s humanness the fact that we tend to make messes of our lives as it explores eight common dysfunctions But it also calls us to reaffirm that each local congregation in the body of Christ ought to be a place where we can come and feel loved helped forgiven and given hope to go out and do better next time After all God created the church to be the best family in the whole world Small group discussion questions and helpful excerpts from other books are included with each chapter **Tough Stuff** Wendy Coy, 2003 Such desperately cheery responses from your students don t fool you you ve been in youth ministry long enough to sense when they re up to their ears in life s tough stuff You know it better than most adults There s just a lot of brokenness out there families splitting up and recombining abuse of all kinds physical psychological sexual substance rampant sexual pressures violence isolation the list seems endless So let Tough Stuff be your guide through these deep and painful issues It s a 12 session curriculum that not only familiarizes you with the complex roots and symptoms of these major hurts but also informs and inspires your high schoolers on dealing with them from the inside out Tough Stuff can start the healing process in the areas of Denial escaping denial and admitting our pain Parents God is the perfect parent not Mom or Dad Masks removing the facades and living confidently as the real you Abuse healing the hurts of abuse from the inside out Forgiveness how forgiveness sets us free Temptation resisting temptation and breaking addictions Boundaries how boundaries affect

the potential to turn toxic Toxic shame can wreak havoc on the psychological development and well being of the individual But this author also purports that toxic shame can equally disrupt and damage the spiritual nature of the human experience When Demons Rush In is a two pronged approach both psychological and spiritual to understanding what this author believes is a devastating reality besieging the individual of our day Specifically looking at the father son relationship the author focuses on this masculine relationship his own relationship with his father in a way to bring awareness and credibility to the author s insights into what plagues the fathers the sons and the men of our present day societies By focusing on shame turned toxic its roots its causes its consequences the author is seeking to draw attention to what he feels is a monumental threat to the fate of humankind With special emphasis and focus on the spiritual the author is challenging the reader to open their minds and hearts to a reality that remains unnoticed and unrecognized As a first time author I have selected a subject to write about that reflects both my professional and personal experiences My own personal story is one of shame turned toxic and as a licensed clinical psychologist I have witnessed the devastating effects of toxic shame on the individual their families and on their communities

The Theory of Christian Psychology Eva Klostreich, 2008-07-17 The Theory of Christian Psychology comes from the worldview that sees humanity as the object of a love relationship with Jesus Christ Parallel to Buddhist forms of Psychology The Theory of Christian Psychology meets the worldwide Christian population need for its own Psychology The Theory of Christian Psychology presents a flexible foundation addressing personality with full humanity dimension integrating principles of clinical psychology found in Psychoanalytic Psychodynamic Psychology Soundly Biblical and non-denominational it focuses on key precepts that bind Christianity together The Theory of Christian Psychology bridges clinical psychology and theology in an intersection of power accessibility Psychology has been culture alien to Christianity I have been asked to leave churches who only need God when they discovered I was a psychologist and criticized by others who only need psychology

Sound psychological principles are inherent throughout the Bible There is no dichotomy necessary We just need to speak the same language to clearly see the intersection Issues addressed in The Theory of Christian Psychology carry relevancy for law and education Her first book Dr Klostreich plans to continue to write and speak She is initiating The Institute for Christian Psychology to offer seminars training certification and ongoing research *My Therapy Journal* Micah Mason,2018-09-11 It all started when an innocent little Brownie walked to a neighbor's house to sell Girl Scout calendars It seemed like an overdone slobbery kiss as Micah Mason left but at age seven she wasn't really sure That moment instigated four years of hiding or being caught and molested and a chronic state of hypervigilance As the events led Micah into therapy a counselor suggested she journal as homework In a collection of raw unfiltered poems penned in a therapy journal over several decades Micah invites others to witness her heartbreaking journey through childhood trauma and therapy into adulthood as she faced life altering abuse witnessed its affects on her life and eventually learned healthy coping skills and self awareness Her poems illustrate the ups and downs of life while healing trust issues with those who failed her and the power of her faith as it carried her through the most challenging of times My Therapy Journal shares a moving compilation of poems that convey the myriad of emotions that accompanied one woman's journey through childhood trauma broken trust issues and eventual healing **Get Thin, Stay Thin** Arthur Halliday,Judy Wardell Halliday,2008 The Hallidays go beyond trendy short term weight control plans and urge readers to allow God to satisfy their deepest hungers and to get beyond the guilt and the ups and downs of yo yo dieting **From Stress to Well-Being** Craig Ellison,2003-06-17 **Multi-ethnic Recovery Ministries in the Inner City** David Anthony Yáñez,1995
