

"If there is one guiding principle in this book,
I think it had better be freedom. Not 'freedom' because the word sounds more
about this than about what it is. It is about responsibility, not just freedom.
I hope that you find it to be a good book to read."

—Jesse Jackson, President, NAACP

Teaching New Religious Movements David G. Bromley, 2007-05-25 Since its inception around 1970 the study of New Religious Movements NRMs has gradually evolved into an established multidisciplinary area of study At the same time both the movements and the scholars who study them have been the subjects of intense controversy In this volume a group of senior NRM scholars who have been instrumental in the development of the field offer essays that present the basics of NRM scholarship along with guidance for teachers on classroom use Using an interdisciplinary approach the volume provides comprehensive accessible information and perspectives on NRMs It is an invaluable guide for instructors navigating this scholarly minefield

Bearing False Witness? Douglas E. Cowan, 2003-05-30 From Hare Krishna to the Latter Day Saints and from Jehovah s Witnesses to the New Age religious pluralism in North America presents evangelical Protestantism with significant challenges Declaring newer religious groups cults aberrant sects and heretical religions the Christian countercult movement has warned that these

groups represent a threat to society In IBearing False Witness R Cowan considers the Christian countercult as a whole locating it in sociological perspective as an entity distinct from the secular anti cult Through his analysis the author argues that the primary purpose of the countercult movement is to reinforce and repair the Christian worldview when it appears threatened by the advent of alternative religious traditions This unique analysis of the Christian countercult helps explain why conservative Christian responses to competing religious movements have taken the form that they have in addition to how those responses are carried out Unlike the anti cult movement which is concerned with removing individuals from cults and returning them to their families the Christian countercult movement according to the author attempts not only to remove cultists from the negative influences of the cults to which they belong but also to insure that they will join the particular version of Christianity adhered to by the countercultists themselves Beginning with the countercult s early history the author provides an historical account of the movement and its present activities Since the rise of new religious movements the growing interest in religions imported from outside North America and the broadening of the religious marketplace continues to grow understanding the Christian countercult and its presence as a countervailing pressure to these increasingly socioreligious dynamics becomes ever more important

Freedom of Mind: Helping Loved Ones Leave Controlling People, Cults, and Beliefs Steven Hassan, PhD, 2022-06-22 In the post 911 world people are more susceptible than ever to charismatic figures who offer simple black v white us v them good v evil formulaic solutions The rise of the Internet increasingly sophisticated knowledge about how to influence and manipulate others and the growing vulnerabilities of people across the planet make for a dangerous potentially devastating combination Steven Hassan s new book Freedom of Mind provides the knowledge and awareness needed to help yourself and loved ones avoid or escape from such dangerous people and situations This must read volume is a significantly updated and revised edition of Hassan s groundbreaking Releasing the Bonds 2000 People who read and benefitted from that book and also his earlier book Combatting Cult Mind Control 1989 will want to read Hassan s latest It provides an up to the minute guide to the reality of undue influence the preferred term for mind control in the post 9 11 era Unstable Global Environment Enhances Dangers of Unethical Control The world has changed greatly in the last decade The rise of the Internet the emergence of global terrorism and of dangerous totalistic ideologies and the shifts in global markets these and other changes have created new opportunities for unscrupulous individuals groups and institutions to exert unethical control over others Freedom of Mind exposes the techniques and methods that individuals cults and institutions of all types religious business therapeutic educational governmental use to undo a person s capacity to think and act independently Individuals More Vulnerable than Ever The Internet is now the primary vehicle for recruitment and indoctrination It is also a means for spreading sophisticated information about social psychology hypnosis and other techniques of social control which are being used in ways both effective and dangerous by influence professionals Meanwhile people are becoming increasingly vulnerable Sleep deprived overweight and looking to

improve themselves overloaded with often frightening images and information anxious about the current economic decline climate change and government corruption on all levels People are more susceptible than ever to charismatic figures who offer simple black v white us v them good v evil formulaic solutions These factors the rise of the Internet increasingly sophisticated knowledge about how to influence and manipulate others and the growing vulnerabilities of people across the planet make for a dangerous potentially devastating combination Freedom of Mind Provides Help for Yourself a Loved One or a Friend Hassan s new book Freedom of Mind aims to fill the gap It identifies and explains how to identify and evaluate potentially dangerous groups and individuals Hassan details his groundbreaking approach the Strategic Interactive Approach which can be used to help a loved one leave such a situation Step by step Hassan shows you how to evaluate the situation interact with dual identities develop communication strategies using phone calls letter writing and visits understand and utilize cult beliefs and tactics use reality testing and other techniques to promote freedom of mind He emphasizes the value of meeting with trained consultants to be effectively guided and coached and also to plan and implement effective interventions The best way to protect yourself and your loved ones is knowledge and awareness Combating Cult Mind Control: The #1 Best-selling Guide to Protection, Rescue, and Recovery from Destructive Cults Steven Hassan, PhD, 2015-03-28 This 2018 30th anniversary edition honors the 40th anniversary of the tragedy in Jonestown Guyana On November 18th 1978 over 900 people including a U S congressman Leo Ryan died because of Cult Leader Jim Jones Over 300 were children forced to drink cyanide laced Kool Aid by their parents who believed they were doing God s will The techniques of undue influence have evolved dramatically and continue to do so Today a vast array of methods exist to deceive manipulate and indoctrinate people into closed systems of obedience and dependency If you are reading this updated book for the first time please know that you have found a safe respectful compassionate place This book can help you protect or regain your sanity freedom and health It can also help you protect others from the use of mind control techniques In this 30th anniversary volume you will find New stories of people who fell under the sway of cults and other forms of undue influence but who were able to break free New information on the many sophisticated ways that social media are now used for mind control Updates on the many types of organizations that use mind control Information on the neuroscience behind mind control A look at what legislators courts mental health professionals and ordinary citizens can do to resist mind control and make our world a safer place Sadly the essential information in this book is still not widely known or understood People around the world remain largely unprepared for the new realities of mind control But you are far from helpless There is a great deal you can do to stay safe sane and whole and to help the people you care about to do the same And if someone you love is already part of a mind control group there is much you can do to help them break free and rebuild their life This book will give you the tools you need As you read this book you will learn to develop use and trust your critical thinking skills your intuition your bodily and emotional awareness your ability to ask the right questions and your skill at doing quick useful

research You will also learn to create a healthy balance of openness and skepticism As you will see the entire process begins and ends with discernment Age of Propaganda Anthony R. Pratkanis, Elliot Aronson, 2001-03-14 Examines the patterns motives and effects of mass persuasion discussing the history of propaganda how the message of propaganda is delivered and counteracting the tactics of mass persuasion Changing Minds with Clinical Hypnosis Laurence Sugarman, Julie Linden, Lee Warner Brooks, 2020-05-07 This book is a scientifically current integrative and practical guide for understanding clinical hypnosis and its place within a new health care paradigm Blending four original short stories with a treatise it alternates narrative prose with health science discourse to create a framework for embracing systemic emotional and relational elements that lie beyond diagnosis medication surgery and psychotherapy Following the stories of four characters the authors establish an empirically grounded conceptualization of the mind then demonstrate how practical applications of therapeutic hypnosis can help readers use individual and family resources in health and healing Clinicians will learn to improve their care by embracing emotional relational and narrative elements that powerfully affect health beyond diagnosis medication surgery and psychotherapy Further health care educators and policy makers will find inspiration that enriches professional training **Quest for Sovereignty** Anab Whitehouse, 2018-11-06 The present volume critically examines the notion of sovereignty against a backdrop of various events drawn primarily but not exclusively from American history Among the topics discussed are Charter of the Forests republicanism sovereignty democracy the rule of law the Philadelphia Convention of 1787 the process of ratification the Supreme Court corporations the Federal Reserve the military industrial complex the CIA and some of the decisions of modern American presidents ranging from Eisenhower to Obama A central theme of the foregoing book concerns the manner in which all three branches of government have consistently failed to comply with the guarantee promised in Article IV Section 4 of the Constitution involving a republican form of government in the service of the purposes contained in the Preamble By failing to operate in accordance with the requirements of Article IV Section 4 America has had a very different history than might have occurred if the central promise of the Constitution had been honored *Understanding Religious Abuse and Recovery* Patrick J. Knapp, 2021-04-21 Currently there are at least four major identifiable perspectives on how people best understand and recover from religious abuse Both secular and faith based Christian adherents can be variously identified in each of these approaches This book examines these viewpoints and evaluates their various strengths and limitations It concludes that each perspective is helpful to the extent possible given the limitations of its respective philosophic or theological assumptions This book summarizes each viewpoint and suggests a larger contextual perspective helpful to better understand involvement in and recovery from religiously abusive environments The conclusion is an integration of the various conceptual frameworks and a different model SECURE is described that includes essential principles and practical strategies necessary for recovery from religious abuse Suggestions are made for future research and study both for academics with interest in the cultic studies and counseling fields and for

various people negatively affected by religious abuse and in need of recovery **Heartbreak and Rage** Gordon Neufeld, 2002 Mass weddings Matching ceremonies where people meet their future spouses for the first time Desperate flower sellers approaching bar customers late at night Isolated farms where young men and women are rapidly transformed into fanatical devotees of the Reverend Sun Myung Moon All these are well known aspects of life in the Unification Church often called the Moonies In Heartbreak and Rage Ten Years Under Sun Myung Moon a Cult Survivor s Memoir K Gordon Neufeld recalls his own participation in all of these events in a powerful and engrossing and occasionally wistful and tender memoir Neufeld recounts his own rise in the ranks of the Unification Church to the position of a leader in training at the Unification Theological Seminary a promotion that indirectly led to his growing disillusionment Yet even when he found himself rejected by the woman Moon had chosen for his bride and by the church to which he had been unwaveringly dedicated he refused to give up but carried on until there was absolutely no way to continue At last demonstrating great courage Neufeld broke free from his state of mental transfixion without the aid of deprogrammers This is an unforgettable story of persistence devotion love and loss **The Cult Next Door** Judith L. Carlone, Elizabeth R. Burchard,

LSW, 2017-03-18 During Thanksgiving vacation of her freshman year at Swarthmore College 1977 Elizabeth at her mother s insistence attended a stress reduction session with a biofeedback technician on staff at a Manhattan psychologist s office During that first visit this man filled her ears with prophetic visions of a glorious future the inheritance of those fortunate few who might choose to accompany him His confidence and charisma entranced her and she soon recruited two of her college roommates When the psychologist fired his assistant two years later Elizabeth and her mother followed Over the next decade this man a malevolent genius and master of manipulating metaphysical concepts to benefit a self serving agenda organized a small dedicated band of followers The Group evolved into an incestuous family a cult Their brainwashed minds became fused with a distinctive New Age doctrine A coterie of spiritual Navy Seals they scrambled in terror training to survive the inevitable cataclysm one man s divine vision of Armageddon Subsequent to a momentous event in August 1994 with the guru as high priest The Black Dog Religion was born Elizabeth sank into a pit of despair darker than she ever could have imagined was possible From the adolescent gullibility which seduced her astray to the enlightenment which led her to freedom you will travel an incredible journey For anyone who has ever been trapped by a person who would not let them go within this book lies a message of hope **Paranormal Claims** Bryan Farha, 2007 This academic text features articles regarding paranormal extraordinary or fringe science claims It logically examines the claims of astrology psychic ability alternative medicine and health claims after death communication cryptozoology and faith healing all from a skeptical perspective Paranormal Claims is a compilation of some of the most eye opening articles about pseudoscience and extraordinary claims that often reveal logical scientific explanations or an outright scam These articles steeped in skepticism teach critical thinking when

approaching courses in psychology sociology philosophy education or science **Researching New Religious Movements**

Elisabeth Arweck, 2006 This cutting edge analysis of American and European new religious movements explores the controversies between religious groups and the majority interests which oppose them It asks how modern societies can best respond to new religious movements *Understanding Terror Networks* Marc Sageman, 2004 An international authority on the social psychology of terrorist groups examines the psychological profiles of 172 known terrorists to understand the specific social circumstances that lead individuals to enter terror networks **The Christian Countercult Movement** Douglas E. Cowan, 2023-08-24 Many seemingly strange questions on yoga salvation religious pluralism and so forth have been actively debated among members of a small but influential group of evangelical apologists known as the Christian countercult movement This Element explores the history of this movement from its origins in the anti heresy writings of the early church to its modern development as a reaction to religious pluralism in North America It contrasts the apologetic Christian countercult movement with its secular anticult counterpart and explains how faith based opposition both to new religious movements and to non Christian religions will only deepen as religious pluralism increases It provides a concise understanding of the two principal goals of Christian countercult apologetics support for the evangelization of non Christian believers and maintenance for the perceived superiority of the evangelical Christian worldview
