Religion [and] Aging Vicent John Fecher,1982 Religion & Aging Vincent John Fecher,1982 *Research on Religion and Aging* Harold G. Koenig,1995-03-18 This first systematic guide to the latest research about religion and aging focuses on the linkage between religion and health outcomes in people over 55 who will represent one third of America's population by the year 2025 A short introduction points to the rapidly growing literature since 1980 the conclusion offers a brief synthesis of the varied basic and applied studies on the subject and suggests a useful model to consider applying Nearly 300 entries with concise and comprehensive annotations are organized under four main subjects religious beliefs behaviors and experience relationships between religion and health practical applications of research findings and measuring religiosity and spirituality Arranged under numerous additional sub topics and with author and subject indexes the guide is accessible and designed for varied use by students teachers researchers policymakers practitioners and professionals in the fields of sociology and social work psychology and psychiatry and medicine and health Researchers educators and policymakers will find this book invaluable in identifying research and application studies and in evaluating their quality and methodology Arranged under additional subtopics by populations in many situations with varied problems in terms of concerns relating to mental and physical health and with applications in different fields and with author and subject indexes the guide is accessible and designed for varied use by students teachers practitioners and professionals in the fields of sociology and social work psychology and psychiatry and medicine and health **Religion and Aging** Southwestern Baptist Theological Seminary. School of Religious Education,1988 Methods in Religion, Spirituality & Aging James W. Ellor,2013-10-18 Since the 1971 White House Conference on Aging in the United States the need to move from religiosity into new areas such as Spiritual Assessment and Spirituality has emerged This movement has picked up momentum among scholars particularly in terms of research in the area of Spirituality While spirituality as a term is employed in many new studies this term continues to defy the quest for a single definition and method This book is divided into three sections In the first the authors reflect on the philosophical and theological issues presented by these terms from a variety of both cognate and practical methodological approaches The second section offers insights from the major professions of sociology psychology public health nursing and social work The final section offers insight and assistance to researchers and authors on specific religious traditions This book will be important for anyone working to develop such practical tools as spiritual assessment forms to those who engage in more formal scholarly investigation **The Encyclopedia of Aging** Linda S. Noelker, PhD,Kenneth Rockwood, MD, FRCPC,Richard L. Sprott, Ph.D.,2006-03-17 A COMPREHENSIVE RESOURCE ON GERONTOLOGY AND GERIATRICS Since its inception in 1987 The Encyclopedia of Aging has proven to be the definitive resource for scholars and students across the burgeoning and increasingly interdisciplinary fields of gerontology and geriatrics Like its three esteemed predecessors the fourth edition contains concise readable explorations of hundreds of

terms concepts and issues related to the lives of older adults as well as timely coverage of the many new programs and services for the elderly Updated under the distinguished stewardship of editor in chief Richard Schulz to reflect the infusion of new information across the scientific disciplines this new edition brings readers up to the moment significant advances in biology physiology genetics medicine psychology nursing social services sociology economics technology and political science While retaining the format and standard of excellence that marked the first three editions the fourth edition encompasses a wealth of new information from the social and health sciences It contains the most current bibliography of an expanding literature an exhaustive index and extensive cross references This much anticipated update of the field s most authoritative resource will take its place as an indispensable reference for specialists and non specialists across a broad range of disciplines that now comprise the field of aging **SPRINGER SERVING THE HEALTHCARE AND HELPING PROFESSIONS FOR MORE THAN 55 YEARS** The Role of the Church in Aging: Implications for policy and action Michael C.

Hendrickson,1985 This informative volume examines the multidimensional nature of aging identifies key issues involved in meeting the needs of the growing numbers of older adults and suggests effective methods of mobilizing resources to better meet the needs of the aging population *Gerontology in Theological Education* Barbara P. Payne,1989 Gerontology in Theological Education provides a wealth of useful information to those interested in planning the introduction or improvement of gerontological materials in the curriculum of theological schools The need for including aging in the professional education of the clergy is clear yet it is a relatively unmet need In response to this general lack of gerontological training in theological education this landmark volume documents a model project planned and implemented at the Gerontology Center at Georgia State University and provides suggestions for its use elsewhere Administrators and faculty will find here the results of a national study of gerontology in theological education Detailed descriptions of eight innovative programs nationwide and an extensive bibliography will also provide guidance for administrators and faculty interested in locating materials that relate to their gerontological concerns **Annotated Bibliography on Religion and Aging**

Vincent Fecher,1982-06-01 **Sexuality and the Elderly** Bonnie L. Walker,1997-05-12 This literature review was undertaken in order to determine what caregivers needed to know about elderly sexuality to determine the needs of elderly people related to their sexuality and to determine how caregivers could best assist them in meeting those needs In selecting materials to be annotated for this book the first priority was given to empirical studies Also included were articles by prominent practitioners and researchers interested in elderly sexuality literature reviews and books written for the lay population which are often cited in the professional literature In addition to seeking knowledge about elderly sexuality and understanding attitudes about sexuality this literature review sought information about measurement issues and measurement instruments frequently used in research within elderly populations Also of interest were investigations of educational and training programs involving caregivers **Religion and the Social Sciences** Jeff Levin,2018-08-13 In

recent years researchers across the social sciences have made important contributions to the study of religion Thanks to their inquiry we have greatly improved our understanding of how religion influences the vital dimensions of our lives communities and institutions To give this research the attention it deserves editor Jeff Levin assembled a panel of preeminent social scientists and gave them a single directive write the ultimate statement on religion from within their respective social science discipline or field The result is this single volume state of the science compendium a first of its kind for the study of religion Composed of ten essays this book details the study of religion within nine basic and applied areas of social science Along with a critical introduction to this subject these essays include the expert contributions of Kenneth I Pargament Julie J Exline on psychology Anthony Gill on political science Charles M North on economics Barry Hankins on history Annette Mahoney on family studies Byron R Johnson on criminology Linda K George on gerontology William H Jeynes on education Jeff Levin on epidemiology Each essay features An introduction to the history of the discipline s or field s religious research as well as its most important people and published works A comprehensive overview of key research findings and theories A detailed research agenda to guide future scholars An annotated bibliography of seminal works for the reader s further consideration Broad in scope and essential in focus Religion and the Social Sciences is a significant addition to the field It will prove indispensable to both new and established scholars looking for a comprehensive treatment of the subject and seeking promising avenues to pursue in their own research

Aging Harry R. Moody, 2006-01-13 Welcome to the world s most unique and dynamic textbook on aging Widely praised and adopted in previous editions the Fifth Edition of Aging once again presents key issues in an engaging and accessible fashion Organized unlike any other traditional textbook author Harry R Moody presents basic concepts followed by controversies supported by carefully chosen adapted readings The result is the most captivating introduction to gerontology available today

Aging in the New Millennium Terry Tirrito, 2003 Due to advances in medical technology better health care and improvements in lifestyle habits the 21st century brings unprecedented changes in life expectancy and increased numbers of older adults globally As the elder population grows so does the knowledge of and interest in gerontology Gerontology constantly sees new developments in research the emergence of areas of study such as financial gerontology and elder ethics and the introduction of programmes and services for the aging This work explains the biology of aging along with the social and psychological implications of the process It looks at diseases and disorders affecting the aged as well as their treatment It reports on the demographics of older Americans the impact of changes in life expectancy worldwide theories regarding longevity and lifestyle attitudes of a younger population toward an aging one and public support programmes and services for older adults

Transforming Chaplaincy Steve Nolan, Annelieke Damen, 2021-10-28 Evidence based medicine has transformed contemporary medical practice For over twenty five years George Fitchett has been a pioneering advocate of the view that evidence based spiritual care can and should equally transform chaplaincy This book collects a key selection from his ground breaking research As models of good

research practice these papers demonstrate the real world value of research and introduce their readers to issues that have continuing importance to spiritual care and professional chaplaincy As such this collection offers an ideal introduction to spiritual care research The collection is complemented by three essays specially commissioned from observers well positioned to comment on future directions for both professional chaplaincy and spiritual care research **Jewish Visions**

for Aging Dayle A. Friedman, 2008 Developed from over two decades of eldercare experience this empowering sourcebook examines how to bring a new face to aging by creating an environment where elders can find joy and meaning It presents innovative ways to bring higher quality to elders lives from the inside out by empowering them as learners and teachers celebrants and worshippers participants with talents wisdom and resources to bring to their personal lives and the community **BOOK JACKET** Religion in the Lives of African Americans Robert Joseph Taylor, Linda M. Chatters, Jeffrey S.

Levin, 2004 Religion in the Lives of African Americans Social Psychological and Health Perspectives examines many broad issues including the structure and sociodemographic patterns of religious involvement the relationship between religion and physical and mental health and well being the impact of church support and the use of ministers for personal issues and the role of religion within specific subgroups of the African American population such as women and the elderly Authors Robert Joseph Taylor Linda M Chatters and Jeff Levin reflect upon current empirical research and derive conclusions from several wide ranging national surveys as well as a focus group study of religion and coping Recommended for students taking courses in racial and ethnic studies multicultural and minority studies black studies religious studies psychology sociology human development and family studies gerontology social work public health and nursing **Biblical Perspectives on**

Aging J. Gordon Harris, 2013-04-03 As the population of older Americans grows meaningful perspectives on aging are needed by both the young and the old Biblical Perspectives on Aging God and the Elderly takes a detailed look at the views of aging presented in the Old and New Testaments This wide ranging and insightful survey encompasses not only the entire Bible but also interpretations of sacred Middle Eastern and Judaic documents This new expanded edition of the original classic text adds thorough discussions of the wisdom of the Bible and Jewish literature with ways to interpret these readings and what they teach about spirituality and growing older Approaches to aging issues have changed in recent years With the average American lifespan increasing the view of old age as a solitary time of waiting has been pushed aside So too has the assumption that the elderly simply want to remember the good old days This updated edition of Biblical Perspectives on Aging God and the Elderly has expanded its scope to incorporate and address the effects of these changing views This sweeping study of the Bible s positive treatment of aging and elderly figures sheds new light on contemporary society s negative view of the elderly and what can be done about it Clear examples from both Scripture and literature provide a wealth of understanding comfort and wisdom to everyone interested in aging and the Bible In addition this new edition explores the changing relationships that exist among aging hermeneutics mentoring and spirituality The new insights

revealed here reinvigorate the challenge against ageism and traditional pictures of old age as a time of withdrawal and living in the past Among the issues explored in Biblical Perspectives on Aging God and the Elderly are aging experiences and the Bible biblical theology and its role in social support for the elderly hermeneutics and old age spirituality and its relationship to aging cross generational relationships and mentoring and a detailed index of Old and New Testament Scripture references Accessible and concise with compelling arguments and numerous examples Biblical Perspectives on Aging God and the Elderly is an ideal resource for pastors seminary students professionals and leaders of programs for the elderly It shows both young and old that while aging may not be easy Biblical theology can ease some of its mystery **A Journey Called Aging** James C. Fisher, Henry C. Simmons, 2012-11-12 A Journey Called Aging presents an insightful exploration of the years between the entry into older adulthood and death This text examines the significant changes and major landmarks of older persons between 60 and 90 Grounded by a developmental framework based on empirical research this book presents a new way of looking at older adulthood describing the older adult years in intensely human terms through both anecdotes and research based findings to engage the reader as both guide and traveler Using a series of sequential stages as a framework A Journey Called Aging discusses the experiences of older adults addressing the challenges and opportunities presented at each stage This clear analysis can be used as a guide to help persons plan their own odyssey through the older years Topics in A Journey Called Aging include research and results of the study entering older adulthood the long stable stage of Extended Middle Age Early Transition Older Adult Lifestyle Later Transition the stable stage near the end of life the final transition A Journey Called Aging is crucial reading for professionals who work with older adults including pastors attorneys facilities managers and program directors gerontology educators and students and older adults themselves their families and those who care for and about them **Christian Perspectives on Sexuality and Gender** Elizabeth Stuart, Adrian Thatcher, 1996 This collection of articles present a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family Aging , 1961
