that everyone both the righteous and the wicked would be subjected to eschatological judgment by fire and that the righteous would experience this judgment as a fiery ordeal through which they would be tested and in some cases ultimately purified

Beacon Fire and Shooting Star Xiaofei Tian,2020-10-26 The Liang dynasty 502-557 is one of the most brilliant and creative periods in Chinese history and one of the most underestimated and misunderstood Under the Liang literary activities such as writing editing anthologizing and cataloguing were pursued on an unprecedented scale yet the works of this era are often dismissed as decadent and no more than a shallow prelude to the glories of the Tang This book is devoted to

contextualizing the literary culture of this era not only the literary works themselves but also the physical process of literary production such as the copying and transmitting of texts activities such as book collecting anthologizing cataloguing and various forms of literary scholarship and the intricate interaction of religion particularly Buddhism and literature Its aim is to explore the impact of social and political structure on the literary world

The Consuming Fire, Hebrew Edition Liane M. Feldman, 2024-05-07 Embedded within the Bible lies a largely unknown story of the founding of early Israel and its religion interwoven with tales documenting the creation of the Torah Known as the Priestly Source the complete text has not appeared on its own in either Hebrew or English until now This edition contains for the first time the full biblical Hebrew along with a new translation annotated to guide readers through the text This translation by Liane M Feldman an authority on the text reveals the mythical foundation for the practice of sacrifice in ancient Israelite and Jewish religion Beginning with the creation of the world and ending at the edge of the Promised Land the Priestly Source offers a distinctive account from over two thousand years ago of the origins of the people of Israel and a unique perspective on their relationship with their god Yahweh one in stark contrast to what is found when we read the Bible now

Jesus Under Fire Zondervan, 2010-12-21 Who is Jesus What did he do What did he say Are the traditional answer to these questions still to be trusted Did the early church and tradition Christianize Jesus Was

Christianity built on clever conceptions of the church or on the character and actions of an actual person. These and similar questions have come under scrutiny by a forum of biblical scholars called the Jesus Seminar. Their conclusions have been widely publicized in magazines such as Time and Newsweek. Jesus Under Fire challenges the methodology and findings of the Jesus Seminar which generally clash with the biblical records. It examines the authenticity of the words, actions, miracles, and resurrection of Jesus and presents compelling evidence for the traditional biblical teachings. Combining accessibility with scholarly depth, Jesus Under Fire helps readers judge for themselves whether the Jesus of the Bible is the Jesus of history and whether the gospels' claim is valid that he is the only way to God.

Chapters in the Formative History of Judaism Jacob Neusner, 2010-07-15. This collection of eight essays draws on a half year of work the second six months of 2009. Neusner takes up three problems in the history of Religions: four essays on fundamental issues in form, history, and the documentary hypothesis of the Rabbinic canon and one theological essay. The reason Neusner periodically collects and publishes essays and reviews is to give them a second life after they have served as lectures or as summaries of monographs or as free standing articles or as expositions of Judaism in collections of comparative religions. This re presentation serves a readership to whom the initial presentation in lectures or specialized journals or short run monographs is inaccessible. Some of the essays furthermore provide a pr cis for colleagues in kindred fields of fully worked out monographs: the comparative Midrash exercise for example.
