*Country Life* , 1912      **British Sport: Biographical studies of British sportsmen, sportswomen, and animals** Richard William Cox, 2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian      *Raising The Dragon* Huw Richards, Robert Jones, 2011-07-31 Rugby has held a central role in Welsh life over the past century In the words of historian Gareth Williams the game has been a pre eminent expression of Welsh consciousness a signifier of Welsh nationhood Less than 25 years ago touring teams from the southern hemisphere knew that their hardest games would be in Wales the Welsh national team was consistently the strongest in Britain That s all changed Wales is now one of the game s also rans With only one Home Championship in the

past 20 years and little success in the World Cup Welsh rugby despite some consolidation under Graham Henry is badly in need of fresh thinking and ideas Who better to provide them than the man who was widely regarded as one of the best scrum halves of his era yet whose playing career coincided with that period of Welsh decline In this thought provoking and frequently controversial book Welsh rugby icon Robert Jones provides a sharply realistic assessment of the Welsh game from the roots to the national stadium drawing heavily on lessons learned and observations made during his own illustrious career Raising the Dragon is a persona manifesto for change from a player whose commitment to Wales never wavered *Country Life Illustrated* ,1920 *The Aeroplane* ,1928 **The Biggar Picture** Dan Biggar,2024-09-26 After fifteen years at the very pinnacle of test rugby leading the most successful squad in Welsh history Dan Biggar tells his story Dan Biggar has never fitted the mould Throughout his long and decorated career he has had to confront the critics and silence the cynics His playing style has been described as brash aggressive and forthright and has earned him a reputation that he has never been able to shake But to anyone who knows him off the pitch he is a grounded ambassadors for the game Offering a rare insight into his personal and professional life Dan talks candidly of his place within rugby from the Premiership playing with the Ospreys and the Northampton Saints through to the Lions and of the power dynamics within Wales s most successful squad ever He also opens the changing room doors and explores his relationships with past teammates coaches and managers from Warren Gatland and Shaun Edwards to Alun Wyn Jones and Wayne Pivac The Biggar Picture is the story of a man who has through joy despair and graft become one of the sport s most compelling figures and Wales s most capped fly half **Yesu's Baboon** Gerhard Venter,2022-01-01 The judgment of Koyati a poor herdboys from a remote village in Tanzania is often clouded as if he were a crocodile lurking under muddy waters He would rather be quick and clear eyed like Rabbit He goes to the city and soon lands in prison A parole officer calls him a baboon Insulted to the core Koyati starts incorporating a baboon in his woodcarving On death row he discovers that he has world class talent Can his strange art save him **Mother Country** Jeremy Harding,2020-05-05 When Jeremy Harding was a child his mother Maureen told him he was adopted She described his natural parents as a Scandinavian sailor and a little Irish girl who worked in a grocery It was only later as Harding set out to look for traces of his birth mother that he began to understand who his adoptive mother really was and the benign make believe world she built for herself and her little boy Evoking a magical childhood spent in transit between west London and a decrepit houseboat on the banks of the River Thames Mother Country is both a detective quest as Harding searches through the public records for clues about his natural mother and a rich social history of a lost London from the 1950s Mother Country is a powerful true story about a man looking for the mother he had never known and finding out how little he understood the one he had grown up with *Everything Happens for a Reason* Danny Care,2024-11-07 An honest end of career autobiography from widely adored Harlequins and England rugby star Danny Care They say everything happens for a reason and I think my life is proof of that There have been a series of moments some of them tough setbacks

that have proved over time to be pivotal to the person and player I am today There was the time when my dreams of a football career came to an abrupt end but opened the door for rugby in my life the ill judged sledging outing that may have cost me the opportunity to go on a Lions tour the times when my name made the headlines for the wrong reasons the choice I made to miss an England tour which led to meeting the love of my life on a party island halfway across the world and the devastating moment when Eddie Jones dropped me from the England squad and I thought my international career was over I sometimes wondered if it was meant to be but I kept on smiling and I worked hard as I kept my focus on playing the game that I love that I owe everything to And now a little older and a little wiser and with over 100 England caps three Six Nations championships and two Premiership titles to my name I want to tell you my story The highs and lows the good and the bad and everything in between
