The Handbook reveals a wide variety of practices across Europe in this regard Local financial systems also reveal a great variety Finally each chapter examines the challenges facing subnational democracy but also the opportunities available to them to enhance their democratic systems Among the challenges identified are Europeanization globalization but also citizens disaffection and switch off from politics Some countries have confronted these challenges more successfully than others but all countries face them An important aspect of the Handbook is the inclusion of all the countries of East and Central Europe plus Cyprus and Malta who joined the EU in 2004 and 2007 This is the first time they have been examined alongside the countries of Western Europe from the angle of subnational democracy

The Making of Modern Romanian Culture Alex Drace-Francis, 2005-11-23 How do literacy and the development of literary culture promote the development of a national identity This well researched and readable book explores the rise of Romanian language literary educational and printing institutions in the eighteenth and nineteenth centuries bringing out a story that has not been fully explored in English In twenty concise yet scholarly chapters Alex Drace Francis builds on and engages with current knowledge about print culture modernization national identity and state formation to make an original contribution to ongoing debates in these areas
