Sea Beneath My Window Green Integer 93:

The Sea Below My Window Ole Sarvig, 2003 A woman awakens in a strange room with the sea roaring below She has no idea where she is and even worse who she is As she slowly gains consciousness and tries to piece things together she does not get far She does not understand the language of the country she is in or its currency She knows only that something is terribly wrong and that she is in mortal fear of something she cannot identify Is the eerie quality of everything about her only an illusion Danish writer Sarvig serves up a metaphysical tale of mystery in the vein of Graham Greene **Demonology** Kelly Stuart, 2003 A fantastic and yet credible play on gender The Exterminating Angel Luis Buñuel, Luis Alcoriza, 2003 An aristocrat called Nobile invites several society friends to his house after the opera But even as the dinner preparations are underway servants feel compelled to leave Despite threats of dismissal the footman also leaves and as other guests arrive other servants escape Dinner is served and hours pass but the guests do not leave Finally each refusing to be the first to leave the party distrust sets in and the guests turn on their host blaming him for their self induced captivity One of Bunuel's most sardonically humorous and visually stunning works The Peripheral Space of Photography Murat Nemet-Nejat, 2003 This profound short essay by Turkish born poet and translator Murat Nemet Nejat explores what separates photography from other artistic media He argues that photographic seeing is not a plastic experience but a meditative one built around a relationship between image and words Through a critique of photographs in the Metropolitan Museum of Art exhibition of 1993 he shows repeatedly how the focal points in photographs are often their mistakes blurs over or under exposure etc and spatially exists in their peripheries Radio Dialogs Arno Schmidt, 1999 Don Carlos and Giovanni Thorvald Steen, 2004 Translated from the Norwegian by James Anderson In the months of September and October 1833 a young Englishman known as Don Carlos finds himself in Buenos Aires There he meets a casual labourer Giovanni Graciani from Genoa Italy These two short penetrating novels recount Giovanni's abandonment of faith the political upheavals and bloody events of Argentine history and his encounter with the man he calls Don Carlos who in reality is Charles Robert Darwin on a voyage that will change forever the way man perceives his world **Duke, the Dog Priest** José Domicio Coutinho, 2009 Let the reader be warned this tale will challenge even the most sophisticated with its dazzling mix of priests brothers nuns students church workers parishioners city luminaries and yes a dog named Duke From the very first pages readers will be thrown into a debate underlying the wonderful absurdity of Coutinho's premise for his novel fabulously purports to be the tale of a dog who desires to become a priest or at least learn Latin Originally published in Brazil in 1998 the story of Duke is a contemporary masterwork **Metropolis Vienna** Peter Rosei, 2009 Originally published in 2005 Metropolis Vienna like Heimito von Doderer's great novel *The Demons* Sun Moon Books 1993 before it follows several individuals in Vienna as their stories interlink with each other But unlike von Doderer's work which focuses on the events leading up to WWII Rosei's novel concerns the beautiful Austrian city in the second half of the 20th century A profound and moving novel that introduces one

of the great Austrian writers to an English speaking audience *From the Lightning* Gonzalo Rojas,2008 A major collection
 of the poetry of Chilean writer Gonzalo Rojas *1001 Great Stories* Douglas Messerli,2005 The first volume of Green
 Integer s ongoing series of 1001 Great Stories of all time *Colonel Zoo* Olivier Cadiot,2006 Is he a madman or the best
 butler ever Cadiot s zany first novel takes the British weekend house paradigm and keeps shifting its terms At this book s
 centre is the enigmatic I a butler headed for perfection or insanity or perhaps both With the impending Second World War as
 a background the story often funny and at times sinister interweaves themes of servitude espionage escape and ultimately
 victory in an unsuspected quarter Translated from the French by Cole Swensen **Charlie P** Richard Kalich,2005 In Charlie
 P author Richard Kalich offers us a singularly unique comic and outlandish Everyman A looney tune figure of the American
 manchild the kind of eternally adolescent men one sees on any American street corner who in his episodic adventures
 through life loses his penis is completely dismembered suffocated starved and cut in half yet continues to come back for more
 At age three when his father dies he decides to overcome mortality by becoming immortal By not living his life he will live
 forever Whether he s persuing the girl of his dreams or a pot of gold at the end of the rainbow Charlie P ends up with no
 more than a peck on the cheek or robbed blind Even when dead and called to Heaven for an accounting he remains the
 eternal optimist Now that he s dead and gone he finally has a real chance at achieving his ends He can start over Having
 never lived his life his life has not yet hardly begun Akin to other great American icons such as Sinclair Lewis s Babbitt Ring
 Lardner s Al and Forrest Gump Charlie P plumbs the relation between fantasy and reality to offer us a character both asocial
 and alienated and at the same time at the heart of the American Dream BOOK JACKET **Forthcoming Books** Rose
 Arny,2001-06 The Compact Edition of the Oxford English Dictionary Sir James Augustus Henry Murray,1971
 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933 **The Oxford English**
Dictionary ,1989 **The Sea Beneath the House** John Unland,2004
