Sea Salt Sweat:

Sauna Culture, Sweat and Spirituality Kaarina Kailo, 2025-06-27 This book explores spiritual and sacred practices in Finnish saunas and Native North American sweat lodges through a comparative study. It also sheds light on ancient traditions from Ireland and Galicia tracing their evolution and shared spiritual features. The book further analyzes gendered rituals, woman-centered lifeways and cyclical worldviews rooted in rebirth and regeneration. This book shows how these practices reflect a deep cross-cultural matrix of symbols celebrating Heaven and Earth. It presents the Delaware Sweat Lodge and Big House as prototypes of sacred structures for world renewal and their connections to sauna cultures worldwide. By defining key concepts from patriarchal feminist and Indigenous perspectives, this book challenges normative unquestioned notions of the sacred and the divine. The book's interdisciplinary approach will appeal to students, scholars, and researchers of gender studies, Indigenous studies, cultural studies, religious studies, philosophy, and anthropology interested in a better understanding of how ancient rituals hold ecological significance for addressing today's planetary crises and social imbalances, revealing like-mindedness across diverse faith traditions.

Calbom, 2014-02-04 From the bestselling author and health and diet guru Cherie Calbom, a holistic guide for detoxification for total well-being, now updated and revised. More than a simple collection of recipes, this book guides readers toward a lifestyle that promotes alkaline balance by juicing, eating well, and cleansing the body and soul. While most juicing books focus too much on fruit juice, which disrupts the body's pH balance with too much natural sugar, this book primarily focuses on juices, smoothies, and soups made from vegetables. Now completely revised and updated, it also offers a guide to the food richest in nutrients, from Vitamin A to zinc, and includes over 20 new juice recipes as well as new versions of various cleanses to benefit the colon, liver, gall bladder, and kidney, lymphatics, and more. Beyond the body, the Calboms explain the heavy toll emotional, mental, and spiritual unrest can take on the body and sometimes even encourage disease, and share unique, effective methods for cleansing the body of such toxicity.
