Sea Stories Of The Inside Passage:

Sea Stories of the Inside Passage, 1997 Stretching from Puget Sound in the south to Alaska's Glacier Bay in the north is the waterway known as the Inside Passage. This scenic stretch of water highway is home to Iain Lawrence and within the pages of this book he captures the unique flavour of this region. Sail along with him and Kristin Miller and share their adventures as they rescue a tiny orphaned seal, sail along a porpoise, cheer for salmon as they struggle to reach their natal waters and meet the people who live along the Inside Passage.

Sea Stories Tom McCarthy, 2021-10-21 Sea stories are plainly and simply wonderful springboards for vicarious adventure. There is nothing like a sea story to entertain, thrill, move, shock or inspire a reader, and this collection will do just that. What is it about the sea that lends itself to so many indelibly classic stories? The sea is a wonderful stage on which to unroll a dramatic narrative or introduce a heroic character. It's no wonder so many masterpieces are set on the seas of the world. From sublime moments gunkholing with Erskine Childers in *An Introduction to Informality* to sheer terror with the ill-fated men among sharks in Raymond B. Lech's *The Loss of the Indianapolis* to astounding respect for the endurance of Ernest Shackleton and his storm-tossed men in *Escape from the Ice*, there is simply nothing that can compare to what awaits in this collection of twenty-eight thrilling stories. Many having withstood the test of time and the vagaries of popular culture are classics. Classic or not, the stories in this collection are good reading, breathtaking, entertaining and offering myriad unexpected pleasures.

Astounding Sea Stories Tom McCarthy, 2017-08-08 Stories that will entertain inform and inspire Few people would want to test their mettle in an ice encrusted boat with Ernest Shackleton or search for the Northwest Passage with Franklin's doomed crew or watch their mates being beheaded by angry pirates like Daniel Collins But it's quite another thing to read these true accounts while settled into a favorite chair Here are stoic and hardy sailors who persevered in the face of travails that would have given even Job pause Their vivid accounts are stronger and more dramatic for their total lack of affectation their frankness and their lack of ego Their gripping stories are custom made for the imaginative reader who seeks adventure in a more controlled environment safe warm and well fed Civilized readers with their armchairs anchored firmly to the living room floor This eclectic collection will not disappoint Some are classics that have endured through time and continue to excite new readers Others are hidden gems about to see the light of a reading lamp for the first time in one hundred years
