Film Politics examines the tangled relationship between politics and Hollywood which manifests itself in celebrity involvement in political campaigns and elections and in the overt and covert political messages conveyed by Hollywood films. The book's findings contradict the film industry's assertion that it is simply in the entertainment business and examines how while the majority of Hollywood films are strictly commercial ventures hundreds of movies ranging from *Birth of a Nation* to *Fahrenheit 9/11* do indeed contain political messages. *Here's Looking at You* serves as a basic text for political film courses and as a supplement in American government and film studies courses and will also appeal to film buffs and people in the film industry. **The New York Times Magazine**, 2003. **Encyclopedia of Sports Films** K Edgington, Thomas Erskine, James M.
