War at the End of the World James P. Duffy, 2023-12-05

A harrowing account of an epic yet nearly forgotten battle of World War II General Douglas MacArthur's four year assault on the Pacific War's most hostile battleground the mountainous jungle cloaked island of New Guinea A meaty engrossing narrative history This will likely stand as the definitive account of the New Guinea campaign The Christian Science Monitor One American soldier called it a green hell on earth Monsoon soaked wilderness debilitating heat impassable mountains torrential rivers and disease infested swamps New Guinea was a battleground far more deadly than the most fanatical of enemy troops Japanese forces numbering some 600 000 men began landing in January 1942 determined to seize the island as a cornerstone of the Empire's strategy to knock Australia out of the war Allied Commander in Chief General Douglas MacArthur committed 340 000 Americans as well as tens of thousands of Australian Dutch and New Guinea troops to retake New Guinea at all costs What followed was a four year campaign that involved some of the most horrific warfare in history At first emboldened by easy victories throughout the Pacific the Japanese soon encountered in New Guinea a roadblock akin to the Germans disastrous attempt to take Moscow a catastrophic setback to their war machine For the Americans victory in New Guinea was the first essential step in the long march towards the Japanese home islands and the ultimate destruction of Hirohito's empire Winning the war in New Guinea was of critical importance to MacArthur His avowed I shall return to the Philippines could only be accomplished after taking the island In this gripping narrative historian James P Duffy chronicles the most ruthless combat of the Pacific War a fight complicated by rampant tropical disease violent rainstorms and unforgiving terrain that punished both Axis and Allied forces alike Drawing on primary sources *War at the End of the World* fills in a crucial gap in the history of World War II while offering readers a narrative of the first rank

MacArthur's Jungle War Stephen R. Taaffe, 1998 His book tells not only how victory was gained through a combination of technology tactics and army navy cooperation but also how the New Guinea campaign exemplified the strategic differences that plagued the Pacific War since many high ranking officers considered it a diversionary tactic rather than a key offensive

War at the End of the World James P. Duffy, 2016-01-05 Japan was determined to seize New Guinea as a cornerstone of the Empire's strategy Allied Commander in Chief General Douglas MacArthur committed 340 000 Americans as well as tens of thousands of Australian Dutch and New Guinea troops to defend New Guinea at all costs Historian James P Duffy chronicles the four year campaign involving some of the most horrific warfare in history complicated by tropical disease violent rainstorms and unforgiving terrain that punished both sides filling a crucial gap in the history of World War II
