Seamen's Chaplain George Cooper,1992 Oceania and the Victorian Imagination Peter H. Hoffenberg,2016-05-23
Oceania or the South Pacific loomed large in the Victorian popular imagination It was a world that interested the Victorians for many reasons all of which suggested to them that everything was possible there This collection of essays focuses on Oceania s impact on Victorian culture most notably travel writing photography international exhibitions literature and the world of children Each of these had significant impact The literature discussed affected mainly the middle and upper classes while exhibitions and photography reached down into the working classes as did missionary presentations The experience of children was central to the Pacific s effects as youthful encounters at exhibitions chapel home or school formed lifelong impressions and experience It would be difficult to fully understand the Victorians as they understood themselves without considering their engagement with Oceania While the contributions of India and Africa to the nineteenth century imagination have been well documented examinations of the contributions of Oceania have remained on the periphery of Victorian studies Oceania and the Victorian Imagination contributes significantly to our discussion of the non peripheral place of Oceania in Victorian culture Titus Coan Phil Corr,2021-10-21 In this book Phil Corr provides a tour de force by writing for both the biography reader and the scholar In this hybrid work he vividly portrays the life of Titus Coan the pen painter while also filling gaps in the scholarship These gaps include the volume itself no full length published book has previously been written on Titus Coan and the following chapters Patagonia Peace and Other Religions Using the unpublished thesis by Margaret Ehlke and many other primary and secondary sources he significantly deepens the understanding of Coan in many areas This book is presented to the future reader for the purposes of edification and increasing the scholarship of this man who lived an incredible life during incredible times Hawaiian History Richard Lightner,2004-08-30 Hawaii has been referred to as the crossroads of the Pacific This book illustrates how many world cultures and customs meet in the Hawaiian Islands providing a chronological overview highlighted by extracts from important works that express Hawaii s unique history This work starts with chronological chapters on general and ancient Hawaiian history and continues through early Western contact the 19th century and Hawaii s annexation to the United States Topics include politics religion social issues business ethnic groups and race relations **Encyclopedia of Exploration, 1800 to 1850** Raymond John Howgego,2004 In 732 major articles Raymond Howgego s Encyclopedia of Exploration 1800 to 1850 attempts to detail every significant traveller voyager or expedition that set out during the period Its indexes provide the names of over 3000 travellers and 1000 ships while the bibliographies cite more than 10 000 works of reference Extensive biographical information is included for the travellers themselves placing every expedition thoroughly in its historical context The text is fully cross referenced between articles whilst every article is supplemented by a comprehensive bibliography of both primary and secondary sources The Sailor's Magazine, and Naval Journal ,1846 *The Sailor's Magazine* ,1847 Notes on the Shipping, Trade, Agriculture, Climate

Damon's Lincoln Sermon Samuel Chenery Damon,2018-11-26 Excerpt from Damon s Lincoln Sermon A Discourse Preached by Rev Samuel Chenery Damon in Honolulu Hawaii 14 May 1865 IN the administration of the affairs of this world God is ever doing and permitting things to be done the reasons for which cannot be seen by shortsighted mortals Such is God s method of proceeding that we are continually compelled to take many things on trust Faith in Him is the great lesson which He is ever teaching mankind He has drawn an impenetrable veil before our eyes shutting out the future from our view Ye know not what shall be on the morrow or what a day may bring forth How impressively these scriptural declarations and those of my text are illustrated by events which have recently transpired on the other side of the globe All the loyal people of that great country stretching from the shores of the Atlantic to the Pacific and from the Gulf to the Lakes were preparing for such a day of thanks giving and jubilee as never had been witnessed on the western continent The national feeling which during the four years of civil war had been repressed was rising and about to burst forth in such scenes and shouts of rejoicing as would have made the welkin ring The dove of peace which had during those four long years Been confined to the ark rocked and tossed upon the troubled waters of civil strife political contentions and cruel war Had now been released and with the olive branch in her mouth was winging her flight over mountains and valleys broad savannahs and boundless prairies The good news was ashed with lightning speed over the land and the world The dark clouds were rolling away and the sun of the nation s glory was beginning to shine and the rainbow of peace was distinctly seen Spanning a continent as in days of yore When 10 From the receding black clouds of secession treachery and slavery there darted forth a fiendish arm holding in its hand an assassin s dagger The whole scene is instantly changed For a moment the pulse and heart of the nation cease to beat but the next instant there follows a sigh of anguish and wail of sorrow Abraham Lincoln our beloved president is dead I do not believe since the creation of the world so many hearts in so short a space of time ever mourned over the

death of a single human being There is no disputing or gain saying the fact Abraham Lincoln had gradually been winning for himself a place in the hearts of the American people second only to that of Washington the father of his country But will not the people now call him the savior of the country when the life of the nation was threatened About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
