## Sean O'Casey's I Knock At The Door:

*Sean O'Casey's I Knock at the Door*, 1966      **Essays on Sean O'Casey's Autobiographies** Robert G. Lowery, 1981-06-18      **Ritual Remembering**, 2021-11-15 Most of the essays in *Ritual Remembering* History Myth and Politics in Anglo Irish Drama in part or in whole frequently allude or directly concern themselves with the dramatic representation of the opposition or the collusion of myth and history and the uses and abuses of both Equally they celebrate and critically analyse the politics of the social conscience and social consciousness which pervades Irish drama in its rituals of forgetfulness and memory Perhaps myth is above all to be understood as the conscience and consciousness of history and politics is the projection of that myth into present social action on the hustings nowadays more frequently the television hustings at the ballot box in writing and on the stage Most of the articles in this volume revolve around these gravely portentous and ambivalent themes which nobody who is as much concerned with Anglo Irish relations as with Anglo Irish literature can disregard or evade      **O'Casey Annual No. 2** Robert G. Lowery, 1983-06-18      **Sean O'Casey** Christopher Murray, 2004-11-08 Se O Casey was the quintessential Dublin playwright In critical works that include his Dublin Trilogy *The Shadow of a Gunman* *Juno and the Paycock* and *The Plough and the Stars* he portrayed the traumatic birth of a nation and delved into the Irish national character Christopher Murray's *Se O Casey Writer at Work* takes a fresh look at the last of the great writers of the Irish literary revival      *Sean O'Casey* R. Ayling, M.J. Durkan, 1978-06-17      *The Canadian Journal of Irish Studies*, 1980      Portraying the Self Michael Kenneally, 1988-01-01 Irish Literary Studies Series No 26      The Theatre of Sean O'Casey James Moran, 2013-09-26 This Critical Companion to the work of one of Ireland's most famous and controversial playwrights Sean O'Casey is the first major study of the playwright's work to consider his oeuvre and the archival material that has appeared during the last decade Published ahead of the centenary of the 1916 Easter Rising in Ireland with which O'Casey's most famous plays are associated it provides a clear and detailed study of the work in context and performance James Moran shows that O'Casey not only remains the most performed playwright at Ireland's national theatre but that the playwright was also one of the most controversial and divisive literary figures whose work caused riots and who alienated many of his supporters Since the start of the Troubles in the North of Ireland his work has been associated with Irish historical revisionism and has become the subject of debate about Irish nationalism and revolutionary history Moran's admirably clear study considers the writer's plays autobiographical writings and essays paying special attention to the Dublin trilogy *The Shadow of a Gunman* *Juno and the Paycock* and *The Plough and the Stars* It considers the work produced in exile during the war and the late plays *The Companion* also features a number of interviews and essays by other leading scholars and practitioners including Garry Hynes Victor Merriman and Paul Murphy which provide further critical perspectives on the work      **Sean O'Casey** Brooks Atkinson, 1982-06-18      **Sean O'Casey** Bernard Benstock, 1971 Despite brevity the analysis of O'Casey's personal and professional career is penetrating and affords a contemporary study of his

plays as well as a careful reading of his autobiographical writings The plots characters and action of his major plays are examined as are the playwright's distinctive use of settings and stage directions *National Union Catalog*, 1956 Includes entries for maps and atlases **A Survey of Sean O'Casey's Role in the Post-war Abbey Theatre** Richard Miles Guthridge, 1954 **The Irish Celebrating** Marie-Claire Considère-Charon, Philippe Laplace, Michel Savaric, 2009-03-26 The Irish Celebrating is a collection of essays which focuses on the complex dynamics of celebrating its significance and its scope through Ireland's past and present experience This book studies the dual aspects of celebrating the festive and the tragic which while not necessarily functioning as a binary opposition have long proved mutually constitutive of the Irish experience Many different occasions and ways of celebrating are explored be they associated with feasts festivals commemorations re-enactments or mere merry making Irish literature abounds with motifs symbols allusions and devices that stand as ample testimony to the essential part played by celebration in the creative process Both the treatment of mythical themes and figures and the perception of contrasted realities and moods all linked in some way or another with celebrating are examined in the works of Irish novelists poets and playwrights If celebrations undeniably had a crucial role to play throughout Ireland's troubled past they continue to shape Irish society today part and parcel of the deep social economic and cultural changes it is currently experiencing New representations of Irish identity as they are expressed through new forms of celebrating are explored in such varied contexts as emigration and immigration alcohol addiction church allegiance and European membership The way the nationalist and unionist communities have been celebrating their past in Northern Ireland often complacently and ostentatiously is a theme dealt with in the final section of this collection Irish English French Spanish Italian and American scholars apply a broad range of interdisciplinary expertise to original and illuminating essays which will undoubtedly provoke a new insight into the interplay between current trends and issues and the long established patterns that thread through the volume **A Study Guide for Sean O'Casey's "Red Roses for Me"** Gale, Cengage Learning, 2016 A Study Guide for Sean O'Casey's Red Roses for Me excerpted from Gale's acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs **Guide to O'Casey's Plays** John O'Riordan, 1984-06-18 **O'Casey Annual No. 1** Robert G. Lowery, 1982-06-18 **The Sean O'Casey Review**, 1978 **Sean O'Casey: the Man and His Work** David Krause, 1975 **Modern Irish Writers** Alexander G. Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world's greatest authors The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote

short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Friel Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O Casey J M Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author s career a discussion of major works and themes an overview of the author s critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume
