Sean Scully Paintings Works On Paper 1982 1988

Monique Beudert

Sean Scully Paintings Works On Paper 1982 1988:

Sean Scully Sean Scully, Carter Ratcliff, 1989 Sean Scully: Paintings & Works on Paper, 1982-88 Whitechapel Art Gallery, 1989 **SEAN SCULLY**, 1989 *Sean Scully, the Catherine Paintings* Sean Scully, Carter Ratcliff, Arthur C. Danto, Steven Henry Madoff, 1993 **Printmaking in America** Trudy V. Hansen, Jane Voorhees Zimmerli Art Museum, 1995-09 The years from 1960 to 1990 witnessed an extraordinary outburst of creative activity among American printmakers A number of important new workshops were founded from such influential studios as Universal Limited Art Editions as Long Island and the Tamarind Lithography Workshop in Los Angeles to small presses throughout the country In contrast to traditional European ateliers where professional printers reproduced artists designs for commercial edition printing the new American workshops stressed collaboration and emphasized radical experimentation with medium and process The work produced in these studios often owed as much to the imaginative gifts of the printer as the conception of the artist The Aesthete in the City: The Philosophy and Practice of American Abstract Painting in the 1980s, 1994

High Art David Carrier, 2010-11-01 The great poet Charles Baudelaire 1821 1867 was also an extremely influential art critic High Art relates the philosophical issues posed by Baudelaire's art writing to the theory and practice of modernist and postmodernist painting Baudelaire wrote in an age of transition David Carrier argues an era divided by the Revolution of 1848 the historical break that played for him a role now taken within modernism by the political revolts of 1968 Moving from the grand tradition of Delacroix to the images of modern life made by Constantin Guys this movement from high to low from the unified world of correspondences to the fragmented images of contemporary city life motivates Baudelaire's equivalent to the post 1968 turn away from formalist art criticism Viewed from the perspective of the 1990s Carrier argues the issues raised by Baudelaire's criticism and creative writing provide a way of understanding the situation of art writing in our own time *Sean Scully* Sean Scully, Danilo Eccher, 2007 A complete retrospective of Sean Scully's work in all media from the early 1970s to the present published to accompany a European exhibition tour If there is such a thing as an advance in transcendental abstraction then Scully's paintings simultaneously gestural and geometrical are that advance They breathe new spiritual life and subtlety into transcendental abstraction showing that it not only remains possible and viable but that it is necessary in these spiritually dark art times Donald Kuspit Over more than thirty years Sean Scully has produced a vibrant compelling and constantly inventive body of work that is widely collected and internationally exhibited His familiar signature style of lines or bands of color alluding to architectural elements such as portals windows and walls is instantly recognizable His recent Walls of Light exhibition at the Metropolitan Museum of Art drew almost 100 000 visitors and received widespread critical acclaim Published to accompany a major European exhibition tour Sean Scully includes work in all media painting photographs prints drawings and watercolors from the early 1970s to the present the only book to cover his entire career to date Texts by respected curators Maris Llu sa Borr s Danilo Eccher Lorand Hegyi and award winning American

critic and art historian Donald Kuspit position the artist in his rightful place within the traditions of twentieth century abstraction while discussing the spiritual emotional and very human nature of his art 158 illustrations 133 in color *Sean Scully* Kirsten Claudia Voigt, Tanja Pirsig-Marshall, Staatliche Kunsthalle Karlsruhe, LWL-Museum für Kunst und Kultur, 2018 Sean Scully one of the most important abstract artists of our time allows conflict to be carried out in his works conflict between structure and emotion body and spirit impulsivity and reflection The Irish American painter has been reinterpreting abstract art since the 1960s not as a purely formal exploration of color form planes structure body and light but as a medium whose means of expression is tied to external and internal moods literary influences and physical experiences Scully has articulated this attitude in many lectures interviews and texts which comprise the starting point for the exhibition Vita Duplex With more than one hundred illustrations the eponymous catalogue provides a comprehensive look at the artist's visual oeuvre as well as his world of ideas and defines its place in the history of abstract painting 00Exhibition Staatliche Kunsthalle Karlsruhe Germany 24 03 05 08 2018 LWL Museum für Kunst und Kultur Münster Germany Spring 2019 Art Journal , 1960 *The PaineWebber Art Collection* Monique Beudert, 1995 The PaineWebber art collection housed in the PaineWebber offices in Manhattan is home to one of the greatest private collections of contemporary art Never before publicly exhibited or published this private collection offers a remarkable survey of international art of the past forty five years The collection is strikingly avant garde and represents work in all media including paintings drawings prints photographs and sculpture While the collection includes a number of works by such well established artists as Georg Baselitz Louise Bourgeois Jasper Johns Anselm Kiefer and Cy Twombly there is also a strong focus on the artists of the 1980s Cindy Sherman David Salle and Francesco Clemente as well as on younger emerging artists such as Gunther Forg Guillermo Kuitca Lorna Simpson and Kiki Smith While many corporate collections avoid controversial emotional or political art the selection guided by Donald B Marron the businessman who pioneered the establishment of this museum quality collection for PaineWebber is remarkably free of such self censorship with a daring vitality in the choice of works This volume encompasses more than 350 works of art many never before published Each work is augmented by a companion text that serves to contextualize and explicate the work and the artist In addition there are several special commissions included by artists including Susan Rothenberg and Frank Stella Photographs by noted artist Louise Lawler depict the installation of the art works as viewed every day by PaineWebber employees PaineWebber's collection is in part founded on the idea that art should be as accessible as possible in everyday circumstances The experience of working next to a Roy Lichtenstein painting or an Andy Warhol print is different from a brief museum visit and in his essay art critic Jack Flam analyzes how the lives of PaineWebber employees are affected by the regular close proximity of the great art of the twentieth century The PaineWebber Art Collection brings together this unprecedented collection into a distinguished catalogue of work accessible to the public for the very first time The 1980s Ruth Fine, Charles M. Ritchie, Thomas Coolson, 1989 **Art International**

,1989 Sean Scully: The Albee Barn, Montauk Mónica Ramírez-Montagut, Kaitlin Halloran, 2025-04-30 This richly illustrated catalogue brings together over 70 works created by Sean Scully between 1981 and 2024 focusing on the artist's transformative encounter with the natural landscape of Montauk Long Island. During a residency at the Edward F Albee Foundation in 1982 Scully found profound inspiration in the region's quiet expanses and coastal light. His palette shifted dramatically: earthy tones, whites and organic rhythms entered his work, marking a key development in his visual language and laying the foundation for his distinctive approach to abstraction. Sean Scully: The Albee Barn, Montauk not only presents a visual journey through four decades but also highlights the crucial role landscape played in his evolving artistic expression.

Key Features of the Book: Comprehensive overview of 40 years of work by a major figure in contemporary abstraction. New insights into the artist's transformative Montauk period. Published on the occasion of the exhibition at the Parrish Art Museum, NY. A must-have for collectors, scholars and all those who follow the legacy of abstraction in painting. Discover the powerful dialogue between landscape and geometry in Scully's iconic works.

SEAN SCULLY 1945 Dublin is one of the world's most acclaimed contemporary artists. The oeuvre of the Irish-born artist who grew up in London and moved to New York in 1975 is characterized by an intense confrontation with Abstract Expressionism, Action Painting and Minimalism, matched by intellectually engaging writings and lectures. Scully lives and works in New York, Aix-en-Provence and Bavaria. The Artist, 1989 *Sean Scully. Catalogo della mostra (Bologna, 1996). Ediz. italiana e inglese* Sean Scully, Danilo Eccher, 1996

Photographs by Sean Scully Edited by Danilo Eccher **The Illustrated London News**, 1989 *People of Today*, 2002

Contemporanea International Art Magazine, 1989 *Bibliographie D'histoire de L'art*, 1993
