The Search for Anna Fisher Florence Fisher, 1973 *The Search* Titia Ellis PhD, 2010-11-15 A compelling story of an adopted woman's search for her truth and a mother lost found and lost again *The Search* is a poignant memoir of the reality of an adoptee's life I couldn't put it down **JOE SOLL LCSW PSYCHOTHERAPIST AUTHOR OF ADOPTION HEALING A PATH TO RECOVERY** _ Titia Ellis remembers the exact moment her life changed forever Her mother still in her dressing gown sat in the chair opposite five year old Titia and her older sister twisting a handkerchief between her hands while her father paced the floor behind her Titia's stomach rolled over as her mother announced Daddy and I want to tell you something important about when you were born As soon as she learns the story of her birth parents untimely deaths and her subsequent adoption Titia realizes that her adoption is to be kept a secret never to be discussed again out of fear of upsetting her mother Wanting to be loved and to fit in she obeys her parents wishes until a mid life crisis shatters her illusion of being the perfect daughter wife and mother As Titia chronicles her poignant journey to find her birth mother she details how she jeopardizes her relationship with her adoptive parents and threatens the privacy of unsuspecting strangers all without any guarantee of a happy outcome When Titia embarks on her quest to find her birth family she immerses herself deep into her past not knowing that what she discovers in the end will transform her entire life *New Essays on Life Writing and the Body* Christopher Stuart, Stephanie Todd, 2009-03-26 In light of materialist revisions of the Cartesian dual self and the increased recognition of memoir and autobiography as a crucial cultural index the physical body has emerged in the last twenty five years as an increasingly inescapable object of inquiry speculation and theory that intersects all of the various subgenres of life writing *New Essays on Life Writing and the Body* thus offers a timely original focused and yet appropriately interdisciplinary study of life writing This collection brings together new work by established authorities in autobiography such as Timothy Dow Adams G Thomas Couser Cynthia Huff and others along with essays by emerging scholars in the field Subjects range from new interpretations of well known autobiographies by Edith Wharton Gertrude Stein and Lucy Grealy as well as scholarly surveys of more recently defined subgenres such as the numerous New Woman autobiographies of the late 19th century adoption narratives and sibling memoirs of the mentally impaired Due to their wide interdisciplinary focus these essays will prove valuable not only to more traditional literary scholars interested in the classic literary autobiography but also to those in Women's Studies Ethnic and African American Studies as well as in emerging fields such as Disability Studies and Cognitive Studies *Family Matters* E. Wayne Carp, 1998 *Family Matters* cuts through the sealed records changing policies and conflicting agendas that have obscured the history of adoption in America and reveals how the practice and attitudes about it have evolved from colonial days to the present **A Sealed and Secret Kinship** Judith S. Modell, Judith Schachter, 2002 Adoption is a controversial subject in the United States particularly in the last 30 years Why that is and how public attention affects the decisions made by those who arrange legalise and experience adoption forms the subject of this book

Adoption Barbara A. Moe, 2007-03-29 This compilation of the best thinking about adoption by both historical and current authorities reveals a vital ever changing practice affecting the lives of millions of people around the globe The ancient practice of adoption has changed significantly through history In colonial America parents adopted out their unwanted children those who were rude stubborn and unruly to other families Today Americans go abroad looking for children to adopt and have adopted more than a quarter million internationally Adoption A Reference Handbook Second Edition not only traces the development of expert thinking about adoption it also looks at both sides of the latest controversial issues Should adoptions be open or closed Should the government regulate adoptions more closely or less This updated second edition offers an international perspective with a new chapter on how countries outside the United States provide adoption services This work is an indispensable resource for those thinking about adoption or researching its history

Jean Paton and the Struggle to Reform American Adoption E. Wayne Carp, 2014-02-10 Jean Paton 1908 2002 fought tirelessly to reform American adoption and to overcome prejudice against adult adoptees and women who give birth out of wedlock Paton wrote widely and passionately about the adoption experience corresponded with policymakers as well as individual adoptees promoted the psychological well being of adoptees and facilitated reunions between adoptees and their birth parents E Wayne Carp's masterful biography brings to light the accomplishments of this neglected civil rights pioneer who paved the way for the explosive emergence of the adoption reform movement in the 1970s Her unflagging efforts over five decades helped reverse harmful policies practices and laws concerning adoption and closed records struggles that continue to this day

American Baby Gabrielle Glaser, 2022-01-25 A

New York Times Notable Book The shocking truth about postwar adoption in America told through the bittersweet story of one teenager the son she was forced to relinquish and their search to find each other T his book about the past might foreshadow a coming shift in the future I don t think any legislators in those states who are anti abortion are actually thinking Oh great these single women are gonna raise more children No their hope is that those children will be placed for adoption But is that the reality I doubt it says Glaser Mother Jones During the Baby Boom in 1960s America women were encouraged to stay home and raise large families but sex and childbirth were taboo subjects Premarital sex was common but birth control was hard to get and abortion was illegal In 1961 sixteen year old Margaret Erle fell in love and became pregnant Her enraged family sent her to a maternity home where social workers threatened her with jail until she signed away her parental rights Her son vanished his whereabouts and new identity known only to an adoption agency that would never share the slightest detail about his fate The adoption business was founded on secrecy and lies American Baby lays out how a lucrative and exploitative industry removed children from their birth mothers and placed them with hopeful families fabricating stories about infants origins and destinations then closing the door firmly between the parties forever Adoption agencies and other organizations that purported to help pregnant women struck unethical deals with doctors and researchers for pseudoscientific assessments and shamed millions of women into surrendering their children The identities of many who were adopted or who surrendered a child in the postwar decades are still locked in sealed files Gabrielle Glaser dramatically illustrates in Margaret and David s tale one they share with millions of Americans a story of loss love and the search for identity *The Girls Who Went Away* Ann Fessler, 2007-06-26 The astonishing untold history of the million and a half women who surrendered children for adoption due to enormous family and social pressure in the decades before Roe v Wade It would take a heart of stone not to be moved by the oral histories of these women and by the courage and candor with which they express themselves The Washington Post A remarkably well researched and accomplished book The New York Times Book Review A wrenching riveting book Chicago Tribune In this deeply moving and myth shattering work Ann Fessler brings out into the open for the first time the hidden social history of adoption before Roe v Wade and its lasting legacy An adoptee who was herself surrendered during those years and recently made contact with her mother Ann Fessler brilliantly brings to life the voices of more than a hundred women as well as the spirit of those times allowing the women to tell their stories in gripping and intimate detail **The Psychology of Adoption** David M. Brodzinsky Associate Professor of Developmental and Clinical Psychology Rutgers University, Marshall D. Schechter Professor of Child and Adolescent Psychiatry University of Pennsylvania School of Medicine (Emeritus), 1990-04-12 In this volume David Brodzinsky who has conducted one of the nation s largest studies of adopted children and Marshall Schechter a noted child psychiatrist who has been involved with adoption related issues for over forty years have brought together a group of leading researchers from various disciplines to explore the complex interdisciplinary subject of adoption While recent empirical work has shown that

adopted children are more vulnerable to a host of psychological and school related problems compared to their nonadopted peers and that the rate of referral of adopted children to mental health facilities is far above what would be expected given their representation in the general population our understanding of the basis for these problems remains unclear In this book theoretical empirical clinical and social policy issues offer new insights into the problems facing parents of adopted children and especially the children themselves A comprehensive study *The Psychology of Adoption* will be of interest to child psychiatrists developmental and clinical psychologists social workers social service providers and adoptive parents

Adoption, Identity, and Kinship Katarina Wegar, 2008-10-01 Sociologist Katarina Wegar offers a new perspective on adoption and the search debate placing them within a social context She argues that Americans who are embroiled in adoption controversies have failed to understand how much the debate adoption research and the experience of adoption itself are affected by persistent social beliefs that adopted children are different from and somehow inferior to children reared by their biological families Wegar begins by considering the historical and legal development of adoption and of sealed records policies showing how kinship ideology the helping professions and gender issues intersect to frame adoption policies and the ongoing debate Drawing on articles in social work and mental health journals activist newsletters and autobiographies by search activists as well as on popular images of adoption portrayed in talk shows and other media she analyzes the rhetoric to reveal the unconscious biases that exist She concludes with a discussion of ways in which adoption reformers can avoid perpetuating harmful and confining images of those who participate in adoption
