History of Early Childhood Education V. Celia Lascarides, Blythe F. Hinitz, 2013-05-13 History of Early Childhood Education presents a thorough and elegant description of the history of early childhood education in the United States This book of original research is a concise compendium of historical literature combining history with the prominent and influential theoretical background of the time Covering historical threads that reach from ancient Greece and Rome to the early childhood education programs of today this in depth and well written volume captures the deep tradition and the creative knowledge base of early care and education History of Early Childhood Education is an essential resource for every early childhood education scholar student and educator *Culture & History of Postrevolutionary China* Arif

Dirlik, 2011-11-24 The essays in this volume grew from a series of talks delivered in late 2010 as the Liang Qichao Memorial Lectures at the Academy of National Learning Guoxue yuan of Tsinghua University Beijing Offering critical perspectives on a number of ideological issues that have figured prominently in Chinese intellectual discourse since the beginning of the so-called reform and opening gaige kaifang in the late 1970s these essays range widely in subject matter from Marxist historiography to sociology and anthropology in China to guoxue national studies Together they are conceived as different windows into a basic problem the deployment of culture and history in postrevolutionary Chinese thought Dirlik touches on a number of themes including the repudiation of the revolutionary past after 1978 which has led to a rise of cultural nationalism He further places these developments within a global context ultimately making a case methodologically for worlding China bringing China into the world and the world into China China's Search for Modernity He Ping, 2002-06-18 Twenty years after a return from fundamentalism to economic reality China has become the world's tenth largest economy and an increasingly important global power Despite the rise of fundamentalism and post modernism the pursuit of modernity was an ongoing historical movement in late twentieth century China He Ping focuses on China's quest for and experience of modernity Implicitly comparative the author discusses broad aspects of both Chinese and western civilizations including their scientific traditions and socio economic structures with reference to modernization He seeks to enhance our understanding of the cultural changes behind China's phenomenal rise and provides a fresh case study for the global cultural discourse

Autobiographies by Americans of Color 1980-1994 Rebecca Stuhr, 1997 This bibliography provides extensive descriptive annotations of nearly 500 autobiographies published by Americans of color during the years 1980 and 1994 The authors of these narratives range from established writers such as Nikki Giovanni Maxine Hong Kingston and Richard Rodriguez to unknown writers compelled to relate their part in the civil rights movement recall their family history as sharecroppers recount experiences in the Japanese internment camps or in Indian boarding schools or describe their struggle to succeed and contribute despite immense hardship and difficulty Among these autobiographies the reader will also find those of sports celebrities actors explorers and entrepreneurs This bibliography brings together at one access point an important body of

work making it possible for the reader or researcher to identify and locate these books either through booksellers or through libraries This volume constitutes volume one of a two book series volume two is titled *Autobiographies by Americans of Color* 1995 2000

Lin Yutang and China's Search for Modern Rebirth Suoqiao Qian, 2017-10-20 This book provides a comprehensive examination of the socio cultural and political context of modern China in terms of its interaction with America and the West focusing on the influence of the well known Chinese writer and intellectual Lin Yutang 1895 1976 Offering a unique study of the life and works of Lin Yutang it highlights his intellectual legacy in modern China and considers how his cross cultural life and ideas embodied the modern Chinese cultural experience It notably focuses on Lin's reputation as an outspoken critic of the infringement of human rights during the rise of the Communist regime in China but also on his rediscovery of Chinese cultural resources At a time when China's cultural contributions are increasingly relevant worldwide this book contributes to ongoing critical reflections of Chinese modernity particularly in terms of its intellectual legacies but also to a renewed understanding of the cross cultural interactions between China and America and a re opening the dialogue and search for a new cultural understanding

Psychoanalysis and Psychotherapy in China David E. Scharff, 2018-05-08 This volume of *Psychoanalysis and Psychotherapy in China* continues the tradition we began last year of featuring cultural issues that confront analysts and therapists as they apply psychoanalytic thinking to their work with Chinese patients and students Therapy and work with institutions is embedded in the civilization in which we work so the issues facing China and its people confront us every day that we conduct therapy consultation and training there
