*The Secret Gospel of Mark Unveiled* Peter Jeffery, 2007-01-01 In 1958 Bible scholar Morton Smith announced the discovery of a sensational manuscript a second century letter written by St Clement of Alexandria who quotes an unknown longer version of the Gospel of Mark When Smith published the letter in 1973 he set off a firestorm of controversy that has raged ever since Is the text authentic or a hoax Is Smith s interpretation correct Did Jesus really practice magic or homosexuality And if the letter is a forgery why Through close examination of the discovered manuscript s text Peter Jeffery unravels the answers to the mystery and tells the tragic tale of an estranged Episcopalian priest who forged an ancient gospel and fooled many of the best biblical scholars of his time Jeffery shows convincingly that Smith s Secret Gospel is steeped in anachronisms and that its construction was influenced by Oscar Wilde s Salom twentieth century misunderstandings of early Christian liturgy and Smith s personal struggles with Christian sexual morality Harvard's

 What does a re vision of the Charismatic Pentecostal Spirit empowered movement look like in the coming years of this millennium The first century of this revival seems to attest that the Lord raised up the holiness and Pentecostal movements not only to be custodians of these distinctive truths but the perpetuators of them as well If any generation ceases to accentuate this emphasis the movement likely will forfeit the right to be recognized as such When the Pentecostal message is preached published and proclaimed through triumphant song an atmosphere is sustained for people to experience anew and again the reality of salvation holiness charismata wholeness and hope Such a revival will be biblically based rationally sound traditionally accurate and experientially real Spirit Empowered Christianity in the 21st Century is an authoritative compilation of the presentations from thirty leaders in the Charismatic Pentecostal movement given at the Empowered 21 Conference in Tulsa OK in April 2010 These chapters share emerging insights on how the next generation will handle the profound issues facing Christians within the Charismatic Pentecostal movement in the 21st century For example one portion covers the topic of the 21st century renewal while another discusses how we can protect our Charismatic distinctive Another portion will highlight Charismatic adaptations for reaching this present age discussing issues of social and economic justice prosperity and suffering challenges to urban ministry the future of the next generation Oneness Pentecostalism and missiological aims in North America      **Science and the Search for God** Gary A. Kowalski, 2003 Harvard educated theologian Gary Kowalski argues that many of the ills of the modern world from the rise of fundamentalist intolerance to secular society's endless and empty search for thrills stem from the mistaken view that science and faith are antagonists rather than natural allies Both science and faith the author suggests compel us now to move beyond materialism toward an understanding of the world that includes the realities of consciousness and spirit In the twenty first century human beings have less reason than before to feel they hold a privileged or special position in the cosmos but more cause than ever to feel connected and akin to all that is Christians and Jews skeptics and seekers alike will find that this brief persuasively written volume sheds new light on the old questions Who are we Where do we figure in the larger scheme of things And what can we honestly believe      **Index to Jewish Periodicals**, 1992 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests      **God's Country** Samuel Goldman, 2018-02-02 The United States is Israel's closest ally in the world The fact is undeniable and undeniably controversial not least because it so often inspires conspiracy theorizing among those who refuse to believe that the special relationship serves America's strategic interests or places the United States on the right side of Israel's enduring conflict with the Palestinians Some point to the nefarious influence of a powerful Israel lobby within the halls of Congress Others detect the hand of evangelical Protestants who fervently support Israel for their own theological reasons The underlying assumption of all such accounts is that America's support for Israel must flow from a mixture of collusion manipulation and ideologically driven foolishness Samuel Goldman proposes another
