## EDUCATION FOR ALL-ENCOMPASSING DEVELOPMENT

Rosary College of Commerce and Arts owes its humble beginning to the noble initiative of the late Rev. Can. Jose Roberto Vaz, who was then the Parish Priest of Rosary Church, Navelim. The College was established in June 1990 by the Archdiocese of Goa and Daman and is managed by the Diocesan Society of Education.

The College is located in the suburbs of the city of Margao. The College is a Co-ed institution, with almost two-thirds of the students being girls and many students being first-generation learners.

Guided by the vision and mission, the Management, Principals, and Teachers, over the years, have worked tirelessly to mold the lives of young students and have helped them realize their potential, develop a good character, and an all-round personality through multi-pronged thrusts spearheaded by the Institution.

***Intellectual Development and Critical Thinking:*** The teaching-learning process is undertaken with state-of-the-art ICT /infrastructure facilities and modern pedagogies. The College emphasizes the use of student-centric/participatory teaching methodologies to help students develop their critical and creative thinking and develop problem-solving skills. Students are provided a diverse array of opportunities to enhance their knowledge beyond academics through organizing and participating in national and international conferences/seminars/webinars, guest lectures by eminent personalities, value-added certificate/diploma courses, hands-on training and workshops, field projects, and internships.

***Psychological and Emotional Wellbeing:*** At the beginning of the academic year, approximately 23 students are assigned a mentor to help the students adapt to college life and develop a healthy relationship with their teachers. The mentor ensures the successful academic performance of students, builds their confidence, inculcates in them human values, and helps them gain insight into their problems. They also interact with the parents/guardians of every student during the open house. Students have access to two professional counselors on campus. Additionally, through the weekly Value Education sessions, an array of topics promoting the all-around development of the students are addressed.

***Discipline and Character:*** One of the hallmarks of Rosary College, making it the most preferred College in South Goa, is the high standard of discipline that is observed on campus. The College strives to build a community of disciplined individuals through the Discipline Committee and various other policies. During the admissions, the Principal personally interacts with every student and their parent/ guardian and orients them towards the Institution's core values. Throughout the academic year, strong emphasis is placed on students' conduct, punctuality, dress code, and wearing of Id cards. The students' SMS portal updates parents on their ward's monthly

*The Overlooked Pillar* Alisa V. Moldavanova,2024-08-01 Offering an original perspective on the sustainable development discourse by emphasizing the importance of culture and cultural institutions in facilitating societal sustainability goals The Overlooked Pillar conceptualizes sustainability as an institutional logic that develops in organizations and is enacted by managers of such organizations who make decisions and engage in sustainable thinking on a daily basis leading them to reconcile current organizational realities and the need to adapt to those realities with considerations of the needs of future generations Drawing on more than five years of research conducted on a variety of organizations within the domain of the arts and humanities Alisa V Moldavanova provides a framework for organizational sustainability based on the dynamic interplay of two narratives institutional resilience and institutional distinctiveness and identifies mechanisms and strategies adopted by managers of cultural organizations that maintain and enhance

intergenerational sustainability The broader intellectual implication of the insights offered here encompasses the critical notion that genuine long term sustainability the kind that secures the rights of future generations requires sustainable stewardship today     Students Search for Meaning James Edward Doty,1971     **Catholic Women's Colleges in America** Tracy Schier,Cynthia Russett,2003-05-22 More than 150 colleges in the United States were founded by nuns and over time they have served many constituencies setting some educational trends while reflecting others In Catholic Women s Colleges in America Tracy Schier Cynthia Russett and their coauthors provide a comprehensive history of these institutions and how they met the challenges of broader educational change The authors explore how and for whom the colleges were founded and the role of Catholic nuns in their founding and development They examine the roots of the founders spirituality and education they discuss curricula administration and student life And they describe the changes prompted by both the church and society beginning in the 1960s when decreasing enrollments led some colleges to opt for coeducation while others restructured their curricula partnered with other Catholic colleges developed specialized programs or sought to broaden their base of funding Contributors Dorothy M Brown Georgetown University David R Contosta Chestnut Hill College Jill Ker Conway Massachusetts Institute of Technology Carol Hurd Green Boston College Monika K Hellwig Association of Catholic Colleges and Universities Karen Kennelly president emerita of Mount Saint Mary s College Los Angeles Jeanne Knoerle president emerita of Saint Mary of the Woods College Thomas M Landy College of the Holy Cross Kathleen A Mahoney Humanitas Foundation Melanie M Morey Leadership and Legacy Associates Boston Mary J Oates Regis College Jane C Redmont Graduate Theological Union in Berkeley Cynthia Russett Yale University Tracy Schier Boston College     **A College of Character** Warren Bryan Martin,1982 This book assesses the current plight and future prospects of the four year liberal arts college and its university counterpart the college of arts and sciences The author describes what these colleges must do to survive not in terms of enrollments and finances but as distinctive purposeful institutions of higher education Publisher description     **Bibliographic Guide to Education** ,1989
