Dorothy Day Terrence Wright, 2018-03-22 In this introduction to the life and thought of Dorothy Day one of the most important lay Catholics of the twentieth century Terrence Wright presents her radical response to God's mercy After a period of darkness and sin which included an abortion and a suicide attempt Day had a profound awakening to God's unlimited love and mercy through the birth of her daughter After her conversion Day answered the calling to bring God's mercy to others With Peter Maurin she founded the Catholic Worker Movement in 1933 Dedicated to both the spiritual and the corporal works of mercy they established Houses of Hospitality Catholic Worker Farms and the Catholic Worker newspaper Drawing heavily from Day's own writings this book reveals her love for Scripture the sacraments and the magisterial teaching of the Church The author explores her philosophy and spirituality including her devotion to Saints Francis Benedict and Thérèse He also shows how her understanding of the Mystical Body of Christ led to some of her more controversial positions such as pacifism Since her death in 1980 Day continues to serve as a model of Christian love and commitment She recognized Christ in the less fortunate and understood that to be a servant of these least among us is to be a servant of God

Dorothy Day Patrick Jordan, 2015-12-14 By any measure Dorothy Day lived a fascinating life She was a journalist activist single mother convert Catholic laywoman and co-founder of the Catholic Worker Movement A lifelong radical who took the gospels at their word Dorothy Day lived among the poor as one of them challenging both church and state to build a better world for all people Steeped in prayer the liturgy and the spiritual life she was jailed repeatedly for protesting poverty injustice and war Through it all she created a sense of community and remained down to earth and humanly approachable To have known Dorothy Day was to have experienced not only her charm and humanity but the purposefulness of her life In *Dorothy Day Love in Action* Patrick Jordan who knew her personally conveys some of the hallmarks of Day's fascinating life and the spirit

Dorothy Day John Loughery, Blythe Randolph, 2020-03-03 Magisterial and glorious Pittsburgh Post Gazette the first full authoritative biography of Dorothy Day American icon radical pacifist Catholic convert and advocate for the homeless is a vivid account of her political and religious development Karen Armstrong The New York Times After growing up in a conservative middle class Republican household and working several years as a left wing journalist Dorothy Day converted to Catholicism and became an anomaly in American life for the next fifty years As an orthodox Catholic political radical and a rebel who courted controversy she attracted three generations of admirers A believer in civil disobedience Day went to jail several times protesting the nuclear arms race She was critical of capitalism and US foreign policy and as skeptical of modern liberalism as political conservatism Her protests began in 1917 leading to her arrest during the suffrage demonstration outside President Wilson's White House In 1940 she spoke in Congress against the draft and urged young men not to register She told audiences in 1962 that the US was as much to blame for the Cuban missile crisis as Cuba and the USSR She refused to hear any criticism of the pope though she sparred with American bishops and priests who lived in well appointed rectories while tolerating racial segregation in their parishes Dorothy Day is the exceptional biography of a dedicated modern day pacifist an outspoken advocate for the poor and a lifelong anarchist This definitive and insightful account is a monumental exploration of the life legacy and spirituality of the Catholic activist Spirituality Practice

The Catholic Worker Movement Mark Zwick, Louise Zwick, 2005 This book is essential reading for understanding the legacy behind the Catholic Worker Movement The founders of the movement Dorothy Day and Peter Maurin met during the Great Depression in 1932 Their collaboration sparked something in the Church that has been both an inspiration and a reproach to American Catholicism Dorothy Day is already a cultural icon Once maligned she is now being considered for sainthood From a bohemian circle that included Eugene O Neil to her controversial labor politics to the founding of the Catholic Worker Movement she lived out a civil rights pacifism with a spirituality that took radical message of the Gospel to heart Peter Maurin has been less celebrated but was equally important to the movement that embraced and uplifted the poor among us Dorothy Day said he was a genius a saint an agitator a writer a lecturer a poor man and a shabby tramp Mark and Louise Zwick's thorough research into the Catholic Worker Movement reveals who influenced Peter Maurin and Dorothy Day and how the influence materialized into much more than good ideas Dostoevsky Catherine of Siena Teresa of Avila Francis of Assisi Therese of Lisieux Jacques and Raissa Maritain and many others contributed to fire in the minds of two people that sought to blow the dynamite of the Church in 20th century America This fascinating and detailed work will be meaningful to

Bodies of Peace Myles Werntz,2014 Bodies of Peace argues that Christian nonviolence is both formed by and forms ecclesial life creating an inextricable relationship between church commitment and resistance to war In this volume Myles Werntz examines the work of John Howard Yoder Dorothy Day William Stringfellow and Robert McAfee Brown demonstrating how each thinker s advocacy for nonviolent resistance depends deeply upon the ecclesiology out of which it comes The volume argues that any account of an ecclesially informed resistance to war must be open to a multitude of approaches not as pragmatic concessions but as a foretaste of ecumenical unity

A Question of Being Karin Holsinger Sherman, 2007-07-20 James Douglass's writings have been recognized as among the most challenging and inspiring explorations of nonviolence and Christian discipleship in the last century Throughout his career Douglass has argued forcefully for the integration of contemplation and resistance theology and cultural critique spirituality and prophetic involvement His work has inspired many of the key figures in recent debates regarding just war Christian nonviolence and radical discipleship and continues to be highly relevant in our contemporary situation In A Question of Being the first book length treatment published on Douglass's writings Karin Holsinger Sherman provides an introduction to and engagement with this important body of work through an exploration into its contextual history influences and main themes Moreover the author argues that these themes work together to create an ontology of nonviolence an ontology that integrates the forces of resistance and contemplation so important to Douglass The book begins by examining Douglass's biography and three broad historical trajectories that give context to his thought the fusion of Christianity and American nationalism in the early Cold War period the emergence of cultural critique in the late fifties and early sixties and the Catholic pacifist tradition and the post 1972 period of disillusionment Holsinger Sherman then considers the lives and thought of Dorothy Day Mahatma Gandhi

and Thomas Merton as well as their unique intellectual and exemplary influence on Douglass's ideas. After explicating the themes of the cross and the kingdom as they developed chronologically in Douglass's writing career, this book draws together Douglass's thought to reveal an ontology of nonviolence. In her conclusion, Holsinger Sherman argues that this ontology of nonviolence is the key to understanding Douglass's integral theology of contemplation and resistance. **Benedict in the World** Linda Kulzer, Roberta C. Bondi, 2002. *Benedict in the World* presents biographical sketches of nineteen men and women who were oblates of the Order of St. Benedict, that is, members of the Benedictine family of a given monastery who lived in the world observing the Rule of St. Benedict as they raised families and pursued professions and careers. Dorothy Day, Rumer Godden, Jacques and Raissa Maritain, Walker Percy, H. A. Reinhold, and Elena Cornaro are among the oblate subjects of this book. Church on the Way Nell Becker Sweeden, 2015-07-17. The practice of Christian hospitality reaches back to the early centuries of Christian life as well as deep into Jewish history, life, and Scripture. This practice is alive today in Christian churches and in parachurch organizations within the United States, but new contextual realities in particular twenty-first century global migration patterns have altered the conditions under which hospitality is practiced. The reality of migration and its effect on human lives disrupts static conceptions of hospitality and challenges ecclesial communities toward contextual appropriation of hospitality practice. This volume explores Christian hospitality practice in light of twenty-first century U.S. Latino migration and it develops the notion of a journeying hospitality of accompaniment with and among persons migrating, which fosters deeper relationships and formation. The shifting identities of persons on the move challenge assumptions about what it means to welcome another in hospitality and ultimately what it means to be church from within these new relationships. In turn, the new conceptions and expressions of hospitality offered in this book press how the nature and mission of the church will be oriented toward new ecclesial patterns and alternative forms of residing on earth.

Graceful Exits Debra Campbell, 2003-11-27. The personal narratives of nine 20th-century Catholic female authors—Monica Baldwin, Antonia White, Mary McCarthy, Mary Gordon, Mary Daly, Barbara Ferraro, Patricia Hussey, Karen Armstrong, and Patricia Hampl—speak eloquently about the process of departure from the church and its institutions. This study explores each author's breaking of the taboo associated with women leaving their proper place. It locates five themes at the heart of all of their narratives: reversal, boundary crossing, diaspora, renaming, and recycling. Debra Campbell grapples with the spirituality of departure depicted by all nine women, for whom the very process of leaving Catholic institutions is a Catholic enterprise. These narratives support the popular maxim that no one ever really leaves the church. In the final chapter, Campbell examines narratives of return, confirming the book's overarching theme that neither departure nor return is ever finished. *Paul Hanly Furfey* Nicholas K. Rademacher, 2017-09-19. Nicholas Rademacher's book is meticulously researched and clearly written, shedding new light on Monsignor Paul Hanly Furfey's life by drawing on Furfey's copious published material and substantial archival deposit. Paul Hanly Furfey (1896–1992) is one of U.S. Catholicism's greatest champions of peace and social

justice He and his colleagues at The Catholic University of America offered a revolutionary view of the university as a center for social transformation not only in training students to be agents for social change but also in establishing structures which would empower and transform the communities that surrounded the university In part a response to the Great Depression their social settlement model drew on the latest social scientific research and technique while at the same time incorporating principles they learned from radical Catholics like Dorothy Day and Catherine de Hueck Doherty Likewise through his academic scholarship and popular writings Furfey offered an alternative vision of the social order and identified concrete steps to achieve that vision Indeed Furfey remains a compelling exemplar for anyone who pursues truth beauty and justice especially within the context of higher education and the academy Leaving behind an important legacy for Catholic sociology Furfey demonstrated how to balance liberal radical and revolutionary social thought and practice to elicit new approaches to social reform
