work he saw to press before he died Robert D Arner introduces and annotates two unpublished poems by the Samuel Pepys of eighteenth century Virginia Robert Bolling Robert D Habich explores Franklin s rhetorical method as rooted in contemporary empirical science Cheryl Z Oreovicz shows how Mercy Warren s tragedies contained stern messages for the post Revolutionary Lost generation Jayne K Kribbs looks at the popular novelist John Davis as a candidate for recanonization and Paul Sorrentino shows that Mason Lock Weems s so called children s classic The Life of Washington is a complex artistic work for adults BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Emergence of the African-American Artist* Joseph D. Ketner,1993 Duncanson persevered With no professional training he taught himself to paint by copying prints and portraits and sketching from nature He began his career as a house painter and decorator eventually graduating to the work that would make him famous in his time landscape painting Clearing the Coastline Matthew McKenzie,2011-01-11 A social and ecological history of the rise and demise of Cape Cod s coastal fisheries in the nineteenth century *Ravished by Beauty* Belden C. Lane,2011-04-21 In this novel exploration of Reformed spirituality Belden C Lane uncovers a green theology that celebrates a community of jubilant creatures of all languages and species Lane reveals an ecologically sensitive Calvin who spoke of himself as ravished by the earth s beauty He speaks of Puritans who fostered a lusty spirituality in which Christ figured as a lover who encouraged meditation on the wonders of creation He presents a Jonathan Edwards who urged a sensuous enjoyment of God s beauty as the only real way of knowing God Lane argues for the double irony of Reformed spirituality showing that Calvinists who often seem prudish and proper are in fact a people of passionate desire Similarly Reformed Christians who appear totally focused on divine transcendence turn out at times to be closet nature mystics exulting in God s glory everywhere Lane also demonstrates however that a spirituality of desire can be derailed ending in sexual excess and pantheism Ecologically holy longing can be redirected from a contemplation of God s splendor in the earth s beauty to a craving for land itself resulting in disastrous misuse of its resources Between the major chapters of the book are engaging personal essays drawn from the author s own love of nature as a Reformed Christian and providing a thoughtful discussion of contemporary issues of species diversity and the honoring of an earth community **A Concise History Of American Painting And Sculpture** Matthew Baigell,2018-02-23 This clear thorough and reliable survey of American painting and sculpture from colonial times to the present day covers all the major artists and their works outlines the social and cultural backgrounds of each period and includes 409 illustrations integrated with the text Although some determining factors in American art are considered Matthew Baigell views the rich and diverse achievements of American art as the result of the efforts and talents of a pluralistic society rather than as fitting into a particular mold This edition includes corrections and revisions to the text an updated bibliography and 13 new illustrations *The Power of Objects in Eighteenth-Century British America* Jennifer Van Horn,2017-02-23 Over the course of the eighteenth century Anglo Americans purchased an unprecedented number and array of goods The Power of Objects in

Eighteenth Century British America investigates these diverse artifacts from portraits and city views to gravestones dressing furniture and prosthetic devices to explore how elite American consumers assembled objects to form a new civil society on the margins of the British Empire In this interdisciplinary transatlantic study artifacts emerge as key players in the formation of Anglo American communities and eventually of American citizenship Deftly interweaving analysis of images with furniture architecture clothing and literary works Van Horn reconstructs the networks of goods that bound together consumers in Boston New York Philadelphia and Charleston Moving beyond emulation and the desire for social status as the primary motivators for consumption Van Horn shows that Anglo Americans material choices were intimately bound up with their efforts to distance themselves from Native Americans and African Americans She also traces women s contested place in forging provincial culture As encountered through a woman s application of makeup at her dressing table or an amputee s donning of a wooden leg after the Revolutionary War material artifacts were far from passive markers of rank or political identification They made Anglo American society

Britain and the Sea Glen O'Hara, 2010-06-30 O Hara presents the first general history of Britons relationship with the surrounding oceans from 1600 to the present day This all encompassing account covers individual seafarers ship borne migration warfare and the maritime economy as well as the British people s maritime ideas and self perception throughout the centuries

The Atlantic World D'Maris Coffman, Adrian Leonard, William O'Reilly, 2014-12-05 As the meeting point between Europe colonial America and Africa the history of the Atlantic world is a constantly shifting arena but one which has been a focus of huge and vibrant debate for many years In over thirty chapters all written by experts in the field *The Atlantic World* takes up these debates and gathers together key original scholarship to provide an authoritative survey of this increasingly popular area of world history The book takes a thematic approach to topics including exploration migration and cultural encounters In the first chapters scholars examine the interactions between groups which converged in the Atlantic world such as slaves European migrants and Native Americans The volume then considers questions such as finance money and commerce in the Atlantic world as well as warfare government and religion The collection closes with chapters examining how ideas circulated across and around the Atlantic and beyond It presents the Atlantic as a shared space in which commodities and ideas were exchanged and traded and examines the impact that these exchanges had on both people and places Including an introductory essay from the editors which defines the field and lavishly illustrated with paintings drawings and maps this accessible volume is invaluable reading for all students and scholars of this broad sweep of world history
