

A promotional image for the Netflix series 'The Witcher'. It features Geralt of Rivia, a white-haired man in dark, detailed armor, holding his sword, the Silver Wolf, high above his head with his right hand. He has a serious, intense expression. The background is a misty, grey landscape with some distant structures. The overall tone is dramatic and epic.

Seasons of a Dean's Life Walter H. Gmelch, Dee Hopkins, Sandra Damico, 2023-07-03 What are the demands of being a dean What leadership development do deans need as they progress through their academic careers How are their responsibilities changing What are institutions looking for in applicants This book identifies the range of leadership skills required and illuminates the process of building leadership capacity by drawing on interviews with over 50 sitting deans both women and men on the insights derived from conducting professional development seminars for several hundred deans and on the authors 48 years of collective experience in eight different deanships The abundant examples and accounts of individual deans leadership successes and

failures and the competences they developed along their career paths give the reader a taste of what the deanship is really like and how the role changes over time. In the process of gathering their data and tracing their own and others' administrative journeys, the authors found similarities in how deans progress as leaders in the common rites of passage they encounter and in the evolution of their role. They describe the stages or seasons of the deanship ranging from getting started the first three years of deanship (springtime) to hitting your stride (years four to seven of deanship, summer) and keeping the fire alive (eight years and beyond of deanship, fall) through to planning to step down and leaving the role (winter). What also emerged from the authors' research is that most deans come to their positions without leadership training, without prior executive experience, without a clear understanding of the ambiguity of their new role or its responsibilities. This book fills a void by offering guidance on applying for a deanship, preparing for the role, and purposefully building the needed skills and knowledge. For anyone considering taking on a deanship, this book offers a unique window into the role. For sitting deans, it offers a compass for shaping the trajectory of their careers.

Sea of Storms Stuart B. Schwartz, 2016-07-26. A panoramic social history of hurricanes in the Caribbean. The diverse cultures of the Caribbean have been shaped as much by hurricanes as they have by diplomacy, commerce, or the legacy of colonial rule. In this panoramic work of social history, Stuart Schwartz examines how Caribbean societies have responded to the dangers of hurricanes and how these destructive storms have influenced the region's history from the rise of plantations to slavery and its abolition, to migrations, racial conflict, and war. Taking readers from the voyages of Columbus to the devastation of Hurricane Katrina, Schwartz looks at the ethical, political, and economic challenges that hurricanes posed to the Caribbean's indigenous populations and the different European peoples who ventured to the New World to exploit its riches. He describes how the United States provided the model for responding to environmental threats when it emerged as a major power and began to exert its influence over the Caribbean in the nineteenth century and how the region's governments came to assume greater responsibilities for prevention and relief efforts that by the end of the twentieth century were being questioned by free market neoliberals. Schwartz sheds light on catastrophes like Katrina by framing them within a long and contentious history of human interaction with the natural world. Spanning more than five centuries and drawing on extensive archival research in Europe and the Americas, *Sea of Storms* emphasizes the continuing role of race, social inequality, and economic ideology in the shaping of our responses to natural disaster.

Season of Sowing in Excellence

Reverend Larry L. Camper, 2019-03-25 Season of Sowing in Excellence takes you on a journey with the author as he navigates his way from living life in a mediocre way to living life to the fullest and in excellence according to God's Word. See through his poems, meditations and Story of the Season how God blessed him to understand just how much of a difference he can make using the gifts God has blessed him with. Larry opens up for you how you too have been gifted by God to be a great blessing and to be blessed at the same time. Read his book as he shares with you what God was sharing with him. Each poem and matching meditation also has a short easy to remember Consider This that summarizes the poem and meditation so that one will be able to easily recall the helpful encouraging message within. Of course each of the twenty entries also has an associated scripture from the Word of God.

Season of Storms Susanna Kearsley, 2014-09-02 I've loved every one of Susanna's books. She has bedrock research and a butterfly's delicate touch with characters sure recipe for historical fiction that sucks you in and won't let go. DIANA GABALDON 1 New York Times bestselling author of *Outlander*. Master of intricate paranormal historical fiction. Susanna Kearsley illuminates a multi-generational Italian romance where the theatre only scratches the surface of the drama and the danger. In 1921 infamous Italian poet Galeazzo D'Ascanio wrote his last and greatest play inspired by his romance with his muse actress Celia Sands. But on the eve of the premiere Celia vanished and the play was never performed. Two generations later Alessandro D'Ascanio plans to stage his grandfather's masterpiece and has offered the lead to a promising young English actress also named Celia Sands at the whim of her actress mother or so she thought. When Celia arrives at D'Ascanio's magnificent isolated Italian villa she is drawn to the mystery of her namesake's disappearance and to the compelling enigmatic Alessandro. But the closer Celia gets to learning the fate of her predecessor the more she is drawn into a web of murder passion and the obsession of genius. Though she knows she should let go of the past in the dark in her dreams it comes back. Hints of the paranormal and the passion of the Italian stage will draw readers of Diana Gabaldon, Kate Morton and Kate Mosse into the romance of Susanna Kearsley's lush historical fiction. Also by Susanna Kearsley: *The Winter Sea*, *The Firebird*, *A Desperate Fortune*, *The Rose Garden*, *The Shadowy Horses*, *The Splendour Falls*, *Named of the Dragon*, Mariana Bellewether.
