

The book cover features a scenic photograph of a mountain range. In the background, rugged peaks are partially covered in snow under a blue sky with wispy clouds. A calm lake in the middle ground reflects the mountains and sky. In the foreground, a large, smooth, reddish-brown rock sits on a grassy bank, with some green grass visible around its base.

Growing up in the Rockies Janice N. Richards,2011-07-05 My heart drifts back to the Rocky Mountains as I sit and look out the window I see the snow that once brought such joy to my heart I remember the days when I would have been known as a snow bunny I think of my poor mother and how difficult it was for her to keep me indoors for I was a mountain girl I climbed the mountains I chased the animals I found all of Gods creatures beautiful I was my fathers child He roamed the wilderness and I learned from him I loved to live life and I was very very happy It makes me very sad when I think of children who have not experienced such happiness for I was one of the lucky ones That is why I wish to share my life with you I hope that in this day and age of single parents that maybe someone who reads this can get hope from the true meaning of family I had a family that surrounded me with love and I never understood the meaning of poverty even though we were very poor I always felt like our life was normal and that was how the whole world was It would not be till my adult years that I would find this not to be true and to experience the pain of a life that I had never known It is hard for me to know where to begin as I remember back on the life that I loved and miss so much However I wish to share the memories that made me who I am today
