perhaps even go back to treatment themselves He counsels them to study one another s difficult cases in a spirit of collegiality to learn what is most effective for patients Coen shares his own experiences in troublesome clinical situations to help other therapists identify similar difficulties He shows how all therapists can be prepared to catch their own vulnerabilities and discomforts with their patients passions and how they can then subject their feelings to self scrutiny By seeking to understand and confront their struggles with the feelings that their patients arouse therapists can more fully help their patients work out their conflicts and to expand their emotional depth A **Billboard** ,1980-10-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
