family and more Both MCs are consenting adults *The Legend of the White Rose* McR El Pensador,2012-09-12 Who am I
The reason in paintings of love poetry is the voice that expresses the feelings in every verse Or perhaps equal to that of
morning dew rose petals that falls in the same water crystal As is the legend of the Rose White which is planted in the garden
of the soul that is felt in the heart in love and to keep on loving since love grows and never dies This is simply me the poet of
love and spreading in each note the perfume of love This legend of love in poetry is the mouth of the soul that speaks as in
the The Legend of the White Rose **Instruments of Empire** Mary Talusan,2021-08-23 At the turn of the twentieth
century the United States extended its empire into the Philippines while subjugating Black Americans in the Jim Crow South
And yet one of the most popular musical acts was a band of little brown men Filipino musicians led by an African American
conductor playing European and American music The Philippine Constabulary Band and Lt Walter H Loving entertained
thousands in concert halls and world s fairs held a place of honor in William Howard Taft s presidential parade and garnered
praise by bandmaster John Philip Sousa all the while facing beliefs and policies that Filipinos and African Americans were
uncivilized Author Mary Talusan draws on hundreds of newspaper accounts and exclusive interviews with band members and
their descendants to compose the story from the band s own voices She sounds out the meanings of Americans responses to
the band and identifies a desire to mitigate racial and cultural anxieties during an era of overseas expansion and increasing
immigration of nonwhites and the growing threat of ragtime with its roots in Black culture The spectacle of the band its
performance and promotion emphasized a racial stereotype of Filipinos as natural musicians and the beneficiaries of
benevolent assimilation and colonial tutelage Unable to fit Loving s leadership of the band into this narrative newspapers
dodged and erased his identity as a Black American officer The untold story of the Philippine Constabulary Band offers a
unique opportunity to examine the limits and porousness of America s racial ideologies exploring musical pleasure at the
intersection of Euro American cultural hegemony racialization and US colonization of the Philippines [Make Me a Legend](#)
