Triangular Teaching Barbara Bruce, 2010-10-01 Barbara Bruce wrote *Triangular Teaching* to help teachers and leaders to engage their adult students with scripture so that it becomes life changing. This practical hands on book trains Christian education leaders and teachers in the methods of triangular teaching an integrated approach involving multiple intelligence theory brain research and creative and critical thinking. It includes a section explaining triangular teaching methods and Bible lessons that illustrate the methods. The book includes helpful triangular teaching tips for the activities described in the Bible lessons. An appendix includes worksheets that a leader or teacher can photocopy for use in a group. Barbara Bruce has created a delightful resource for those who want to teach the Bible effectively and engagingly to contemporary adults. Not only does the book give you pre planned lessons but it explains the theories behind each teaching decision. This combination of theory and practice will quickly teach teachers to teach more effectively. Dr Margaret Ann Crain Associate Professor of Christian Education Garrett Evangelical Theological Seminary *Triangular Teaching* is an excellent tool for teaching church educators how to be more proficient in facilitating learning. THE POWER OF THE YOKES Carlton Foster, 2024-06-26 THE POWER OF THE YOKES allows you to tap into deeply hidden emotions and gives you a new perspective on how the enemy can entrap you Every unconfessed sin creates an open door for you to be yoked by Satan It teaches you that God may not spare you from pain but He will never abandon you God uses your pain to mold you and prepare you for a harvest This book reassures you never to give up and that even when it seems like God is silent He is holding you in the palm of His hands When you are yoked you are only a shadow of who God says you are The things that yoke you do not define you but build character in you Everything that happens to you as a child affects and carries through the rest of your adult life

Peyton,2024-02-07

In an increasingly broken world filled with hate and violence God's plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man's rejection of his creator Rather God's simple twofold plan of redemption included both a commandment to love the creator with all one's heart mind soul and strength and a commandment to love one's neighbor as one's self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don't like A choice to love what you don't understand A choice to love until the God you love sets everything right in eternity **A New Monastic**
